Most OLLI students need to Create an Account. Your OLLI Login will not work for this.

Once you Create Account, you will be prompted to go to your email and change your password. Follow the link that is in your email to do this.
After you follow the link in your email and change your password, go back to the login screen.

Fill in your information here AFTER creating an account.

Make sure you are on the correct tab.
Once you have uploaded the picture, you will be prompted to SUBMIT.

Fill in the information specific to your vaccination record. Then, upload a picture of your vaccination card.
