About the UHP

The UHP comprises students in the **top 7%** of UC undergraduates and offers an engaging environment in which students are challenged through **experiential learning opportunities** that focus on impact, innovation, and inclusion.

Vision

Developing students into **global citizen scholars** who lead innovative efforts toward solving the world's complex problems.

Mission

The University Honors Program is committed to offering students an individualized, student-centered approach to a meaningful undergraduate experience. To that end, we are dedicated to promoting activities that lead students to **discover their passions** and enhance their gifts and talents, coaching students to purposefully engage in **experiential learning opportunities** and reflection to maximize and integrate their learning, and fostering a community that prioritizes **inclusion, transformational personal development, civic participation, and global responsibility**.
