¹ Students enrolled full-time are charged a flat rate based on their tuition cohort, academic career, academic program, and academic plan. An additional per credit hour rate is applied for enrolled hours in overload status, typically 19 credit hours and above. Part-time students, taking fewer than 12 credit hours, are charged a pro-rated amount per credit hour determined by the college and career of the class section.								
² Students may be charged a program fee for the primary academic program in which they are enrolled. Students with more than one academic career may be charged a combination of the rates listed above.								
³ Programs include Clinical Research, Mammography
