Training Highlights 2022

- In March, the department upgraded to the Taser 7 platform while training and certifying all officers on them.
- In the month of June, all officers went through Active Threat training at the Shriners building while it was vacant.
- In November, all officers went through Low-Level Light range training while using both the pistol and rifle platforms.
- During November and into December, all officers will go through Scenario-Based Training. This is a full day of scenarios that were designed to encompass ICAT, De-Escalation, Legal Authorities, and Use of Force. This is a new initiative in which the training does not accompany any classroom teaching so you see exactly how officers would react.

Pedestrian Safety

Incident on September 28, 2022

Cayden Turner

On September 28th, a driver sped through a red light near campus at Jefferson and University Avenue, striking two of our students who were crossing at a marked crosswalk. One student was injured and the other was killed.

Pedestrian Safety efforts include:

- [High visibility patrols](#) with UC police and security officers during rush hours near campus.
- Installation of speed [notification signs and trailers](#).
- Digital Messaging Boards.
- Increased traffic enforcement by Cincinnati Police Department.
- We are also working closely with the City of Cincinnati on [longer term solutions](#). Those efforts are being led by our Planning, Design & Construction team, which is meeting with Cincinnati Traffic Engineering to improve key intersections around campus.

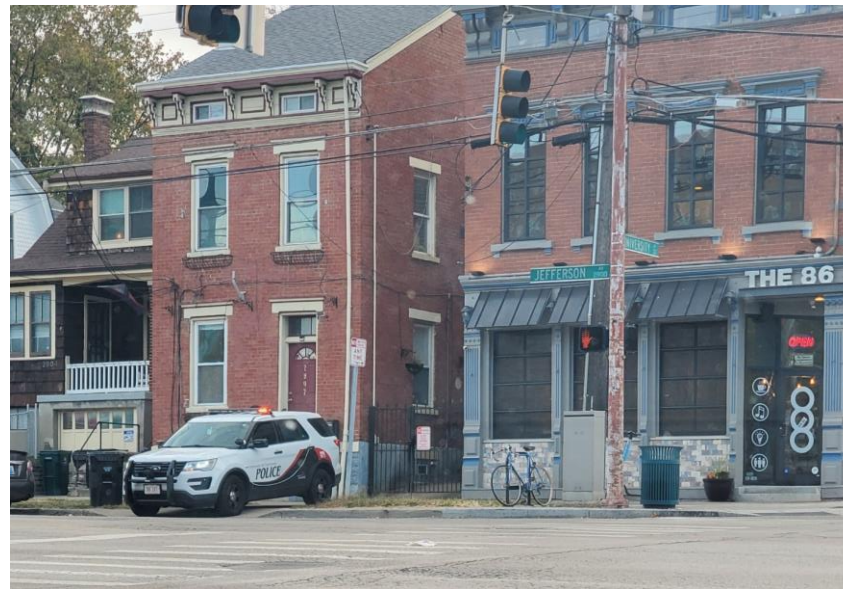

UCPD Action Items
