- In addition to the online training, all officers received 72hours of instructor led training. These topics consisted of defensive tactics, use of force, firearms, taser, victim services, Title IX, traffic stops, CPR, active threat training, crime analysis, and bias free policing training.
- Training for the department is influenced by several governing factors. These include but are not limited to: Exiger recommendations, IACLEA accreditation requirements, OPOTA requirements, and current events. These factors are the guideline for creating the upcoming year's training calendar.
