Dear Graduate,

Congratulations on your graduation from the University of Cincinnati and for persisting in your studies during these challenging times. Commencement is one of my favorite days of the year because, together, we mark a transformative accomplishment in your life. Your academic success is also our success, and now is our time to celebrate as one UC.

Earning a degree from UC, and indeed a degree from any accredited institution of higher learning, is a life-changing achievement. Hopefully, it has been an educational journey that has sparked in you a lifelong passion for learning and quest for greater understanding and knowledge.

Students who were certified to graduate in previous semesters have already received their electronic diplomas via email. Those of you who have applied to graduate today will receive a link to your electronic diploma by email when it has been certified to ensure that all obligations have been met.

No matter what your next steps prove to be, I hope you will return frequently to UC as a proud alumnus. Please remember that our Bearcats community is proud of you and your accomplishments. You are our next generation of leaders, our hope for tomorrow. Above all, we are honored that you chose UC to pursue your educational goals.

Best Wishes and Go Bearcats!

THE MACE
The mace carried by the university marshal is the gift of Sigma Sigma. From the fourteenth century, the ceremonial mace was used by civil and ecclesiastical authorities. Today, carried as an emblem of authority and prestige, it is commonly used to indicate the official opening of ceremonies.

UNIVERSITY OF CINCINNATI SEAL
On September 26, 1904, upon the suggestion of Dr. Charles W. Dabney, President of the University, the Board of Directors adopted the insignia of the city of Cincinnati as the official University seal. The scales, sword and Mercury’s wand on a shield, along with the motto Juncta Juvant are mounted on a pointed ellipse surrounded by a belt bearing the words “University of Cincinnati” and the date 1819. Juncta Juvant literally means “Things joined are a help” (translated freely, “Strength in Unity”). In the space between the shield and the belt is a wreath of oak leaves. Below the shield is a scroll with the motto Alta Petit (translated freely, “She seeks the heights”).

ACADEMIC REGALIA

Academic costumes are as old as the universities themselves, recalling a time when all students in centers of higher learning were members of the clergy, and wore garments which were considered proper by the Church.

American universities, unlike those of England and Europe, have adopted a standard code of academic costume. The Oxford-type cap or mortarboard is always black and may be made of any material except velvet, which is reserved for doctors. The tassel worn with the cap has three variations: black for any degree; the color of the faculty in which the degree was granted; or made of gold metallic thread, reserved for doctors and governing officials of institutions.

Each person who receives a degree wears the gown appropriate to the degree granted. The bachelor’s gown is closed at the throat and has long pointed sleeves; the master’s gown has oblong sleeves, open at the wrist, tapering at the back in a square cut, which ends in an arc cutaway. The doctor’s gown is an elaborate one, marked by velvet panels down the front and around the neck as well as by three bars of the same material on the bell shaped sleeves. It is cut much fuller than the other gowns, and unlike them, may be ornamented in color. Both the paneling and sleeve bars may show the faculty in which the degree was awarded.

The hood alone clearly shows the level of the degree, the faculty in which it was given, and the institution which awarded it. The level of the degree is shown by the size of the hood, the width of the velvet trimming, and in the case of the doctor, by the shape. The bachelor’s, master’s and doctor’s hoods are three feet, three and one-half feet, and four feet long respectively; although bachelor’s seldom wear hoods anymore. The velvet trimming in the same order is two, three and five inches, extending around the hood on the exposed edge. For each faculty there is a corresponding color, so a glance at the trimming is all that is needed to identify the faculty. The institution which awarded the degree is indicated by the colored lining.

Members of the governing body of a college or university, whatever their degrees may be, are entitled to wear the gown warranted by their degree or a doctor’s gown. The doctor’s gown is trimmed in black velvet or the color representative of their degree, but their hoods may be only those degrees actually held by the wearer or those especially prescribed for them by the institution.

UNIVERSITY OF CINCINNATI
ALMA MATER

Oh Cincinnati, magic name
I proudly to the world proclaim;
No sweeter word e’er charmed my ear
None to my heart was e’er so dear;
A fountain of eternal youth,
A tower of strength, a rock of truth,
O’ Varsity, dear Varsity
Thy loyal children we will be,
Thy loyal, loyal children we will be!
