INTRODUCTION

We are glad that you are interested in learning more about Registered Student Organizations (RSOs) at the University of Cincinnati! Joining an RSO is one of the best ways to get involved on campus! Through direct involvement in organization activities students have the opportunity to acquire skills in leading groups, event planning, budgeting, and working within a system. With organizations focused on recreation, culture, religion, politics, community service, career/professional associations, governance, and other specific interests, the portfolio of student organizations at the University of Cincinnati offers a large variety of opportunities to get involved!

The Student Organization Handbook is designed to inform and assist students in various matters that pertain to RSOs. It answers the most basic questions students might have about how to use the wide and varied resources available, as well as how to create and register a new organization. Additionally, this document informs students and organizations about the responsibilities associated with being an RSO at the University. Some RSO administrative bodies (Club Sports, Fraternity & Sorority Life, and Branch Campuses have more specific policies or procedures. It is always important to check with SALD or the specific administrative unit to get clarification.

Each year the department evaluates its policies and procedures. This document and overall RSO policies and procedure are subject to change at any time, in addition to the overall annual review.

REGISTERED STUDENT ORGANIZATIONS AT THE UNIVERSITY OF CINCINNATI

What is a Registered Student Organization?
A registered student organization (RSO) is defined as a group of University students who unite to promote or celebrate a common interest. RSOs may include members from other schools, faculty, staff, or community members, but the majority of the organization must be University of Cincinnati undergraduates. Additionally, the control, operation, and responsibility of a student organization must reside with the students.

Benefits of being an RSO
Upon registering, RSOs gain several privileges, including but not limited to the ability to:

- Reserve space on campus for meetings and approved activities
- Host a CampusLINK page
- Conduct approved fundraising projects on campus
- Coordinate activities with other student organizations and participate in events such as: Homecoming, Welcome Week, and organization fairs
- Use of a mailing address at the University of Cincinnati
- Apply for funding through the University Funding Board (if eligible) for campus projects, events, programs, and conferences
- Participate in new student orientation and the Fall and Spring organization fairs.
- Nominate candidates for Homecoming Court
- Apply for university awards
- Rent vehicles for organization travel

Registration
All RSOs must keep up to date records and a roster on CampusLINK. All RSOs must complete the annual re-registration process or RESET through CampusLINK. Additionally, all RSOs must adhere to all policies outlined in this document to remain their registration.

RESET
RESET stands for Registration Enrichment Support and Educational Training and is coordinated by Student Activities Board in collaboration with Student Activities & Leadership Development. RESET serves as important training for RSO presidents as well as RSO record keeping and an annual assessment. RSOs have two options annually to complete RESET: April 1 - May 15 or August 1 - September 15.

The process will be accessible from 12:00 am on the day the phase starts and close at 11:59pm the day that it closes. For more information about RESET, visit the Student Organization Website.

Registering a NEW student organization
The University of Cincinnati has over 500 student organizations that span a variety of interests! However, occasionally a student is not able to find an existing organization that meets their interests. In this case, any full-time student is eligible to submit a New Organization Application.
Before submitting an application on CampusLINK new student organizations should be sure that they have the following requirements completed:

- Unique mission statement (duplicate organizations will not be allowed)
- Constitution and bylaws
- Minimum of ten matriculating students at the University of Cincinnati (*enrolled in a degree program at UC*)
- Minimum of two required officers: President and Treasurer (may not be the same person)
- One student organization advisor (faculty, staff, or administration at the university)

*Note: Graduate Assistants may also serve as RSO advisors if listed as a duty of their job description*

After application materials are received, SAB will contact organization representatives with further instructions.

*Starting a New Fraternity or Sorority*

The University of Cincinnati recognizes that a strong fraternity & sorority community is a constructive element of campus life.

In overseeing the process of orderly expansion, there must be substantial evidence of the ability of the proposed organization to: positively contribute to the UC Fraternity & Sorority Life community; show potential for recruiting, growth and success; and to conduct itself in a manner consistent with state laws, University, Council, and Fraternity & Sorority Life policies and procedures. *View the Fraternity & Sorority Life Expansion Policy on the Fraternity & Sorority Life Website.*
ORGANIZATION REQUIREMENTS

Membership Minimums
RSOs are required to have a minimum of 10 University of Cincinnati students. All RSOs are required to maintain an accurate and up to date roster on CampusLINK at all times.

More information on membership types and requirements can be found in the RSO Constitution and Bylaws Checklist.

Note: all charter members of a new student organization must be full or part-time students at the University of Cincinnati.

Academic Minimum
All students who wish to participate in a RSO at the University of Cincinnati must attain at least a 2.0 semester and cumulative grade point average. Grades will be checked each academic term by a designated university official, generally the organization advisor. Advisors can request the grades for their organization by contacting Student Activities & Leadership Development. Presidents and Treasurers sign off on a grade release when they accept the terms and conditions of their position via CampusLINK. If the advisor wishes to review the grades of members outside of those positions, the members must fill out the RSO Grade Release Form.

Constitution and Bylaws
All RSOs are required to maintain an up-to-date constitution and bylaws uploaded to CampusLINK. Constitutions and bylaws documents must be reviewed and updated at least every two years. For guidance on constitution and bylaw requirements, please visit the RSO Constitution and Bylaws Checklist or Sample Constitution and Bylaws.

- Advisors are required to be listed as an advisor on CampusLINK
- Sign or approve financial requests and other pertinent documents

Advisor Role
An advisor can serve in a variety of roles, and each advisor perceives their relation to a student organization differently. Some Advisors play very active roles, attending meetings, working with student officers, and assisting in program planning and development. Others maintain a more distant relationship to the organization. It is an expectation that each Advisor will maintain some regular contact with their organization.

Advisors of an organization do not have the authority to represent the views of the organization. This remains the responsibility of the students. Advisors may not serve as a voting member of the organization’s board of directors, executive council, or similar governing body.

To learn more about being an advisor and gain access to advisor resources, visit the Student Organization Advisor Resource Hub on CampusLINK!

Advisor Clery Act Responsibilities
As Campus Security Authorities Advisors are required to immediately report any Clery Act crimes that they are made aware of to the Clery Specialist:

- Nicole Smith
  - Clery Specialist
  - 51 W. Corry Blvd., 3 Edwards
  - Cincinnati, OH 45221-0215
  - Phone: 513-556-4996

Additional reporting duties are required for student trips and such trips needed to be reported to University Police. Details on the Clery Act can be found by visiting the public safety website.

Replacing an Advisor
If a student organization advisor resigns, the organization is required to find a new advisor. Organizations have 30 days to find a new advisor. If the organization is unable to designate an advisor after 30 days, the organization’s status will be listed as “Frozen.” It is the organization’s responsibility to notify the Student Activities & Leadership Development Staff if/when their advisor resigns. Once an RSO designates a new advisor they must update their CampusLINK roster with this information.

RSO Status
- Active: Active organizations have met all registration and RESET requirements and are listed on CampusLINK, eligible to reserve space, attend organization fairs and request funding.
- Frozen: Frozen organizations have not met all registration, RESET, or other requirements and are not eligible for funding, space, CampusLINK, or other access to services. Please contact sab@mailuc.onmicrosoft.com for information related to your status.
Locked: Locked organizations are administratively temporarily suspended based on conduct or failure to complete requirements and lose access to all services.

Inactive: Inactive organizations have disbanded or have been suspended from the University.

Organizations that have not completed the R.E.S.E.T process in two years will be set to inactive and need to apply as a new RSO to become active again. These RSOs are eligible to apply as a new organization as soon as the Spring New Organization cycle following their first semester as an inactive organization.

Student Organization Support
The University of Cincinnati is committed to providing student leaders with a variety of resources to support the operations of their organizations and their individual development.

Individual Advising and Consultation
Professional staff and peer leaders are available to speak with RSO leaders about questions, comments, or concerns. RSO leaders may also schedule appointments to talk about starting a new organization, leadership training, and assistance and other areas.

Microsoft Bookings
Visit SALD’s About Us page to set up a meeting with an SALD staff member!

Organization Information Changes
Name Change
RSO presidents may submit a request to change their organization’s name by filling out the Organization Name Change Form on CampusLINK. This name change must also be approved by the student organization advisor and voted on by SAB. Additional requirements or constitution updates may be required.

Dissolving an RSO
Reasons why a student organization may consider dissolving include low membership or merging with another student organization. To dissolve an organization please contact SALD to set up a meeting to discuss next steps. If your organization has an open bank account or outstanding debts, those will need to be resolved/closed prior to dissolving your organization. If an organization has received essential investments purchased with university funds, those will need to be returned to SALD.

UCIT Resources
RSOs may request a Microsoft Teams or SharePoint page for their organization. To do so, advisors can submit a UCIT Ticket.

Organization Finances
Bank Accounts
RSOs are permitted to open bank accounts at area banks to hold organization funds. SALD recommends organizations use PNC because of the close relationship they have with the University and easy access to the on campus branch. Organizations wanting to open a bank account are required to have an official letter of registration from the SALD office confirming that the organization is in good standing.
Organizations can open an account and change officers on their account during the RESET process. Organizations with an existing Bank Account need to update the changes to their account whenever they change presidents, treasurers, or advisors. If the organization decides to open an account or change officers after RESET closes, they must complete the designated form on CampusLINK. After RESET closes, organizations opening an account for the first time need to fill out the Bank Account Request form on CampusLINK and organizations with an existing Bank Account that have changes need to fill out the Change of Officer on Off Campus Bank Account. Once the forms have been submitted, organizations will be notified in 5-10 business days of any changes needed to their submission or that their letter is available on the organizations CampusLINK page.

Potential Funding Sources

University Funding Board
University Funding Board provides an approved allocation annually to RSOs hosting events on or near campus, traveling to conferences, or purchasing items essential to the organization. In order to be eligible for UFB funding, RSOs must complete the annual RESET process and Treasurer Training, be open to all students, and be primarily undergraduate. RSOs that receive regular funding from any other portion of the student fee are not eligible for funding. For more information, view the UFB Funding Handbook or visit the UFB CampusLINK page.

Fundraising
For more information about fundraising policy and resources, view the Student Org Fundraising Guidelines document on the SALD CampusLINK page.

Charging Dues
RSOs are eligible to collect dues associated with membership. Charging membership dues may eliminate organizations from eligibility for other funding sources, so be sure to review criteria of funding sources before making this important decision.

Event Planning and Facility Use

Event Registration
RSOs must register all of their events, including general body meetings, on CampusLINK. It is a requirement that RSOs hold a minimum of two events during the academic year. The registration process helps RSOs in event planning, and can be used as a helpful marketing tool.

Neither the University nor SALD in particular, ‘approve’ RSO events. However, SALD staff can provide helpful information to student leaders about mitigating risk and hosting successful events.

For more information about event registration, please see the help article: Creating a New Event in your Organization.

Organization Events
An organization event is defined as any activity or gathering that can be reasonably associated with an organization by one or more of the following:
a significant number of attendees are members of an organization
the event, activity, gathering is held at a location reserved for, owned by, rented by, or otherwise associated with an organization
promotional material associates the event, activity, or gathering with a specific organization
the activities can be reasonably associated with a particular organization

Reserving Campus Facilities
Before any event can take place, you must schedule your event with the appropriate scheduler on campus. Most spaces on campus can be reserved by completing the space request through the 25Live scheduling system, at least 5 business days prior to your event date, but we encourage you to do so much sooner! All space is confirmed on a first-come, first-served basis. For more information on who to contact to schedule space on campus visit the CES Venues page.

We recommend that you do not advertise or publicly announce your event until you have received official confirmation. For more information please check out CES Event Policies or Use of Facilities Manual.

25Live
Only officers or advisors of an RSO are permitted to schedule events via 25Live.

If you have any questions, contact CES at 513-556-1810 or event.services@uc.edu.

Contracts
Limit authority within the organization to make financial commitments or authorize high-risk activity. Students and advisors may not sign contracts. All contracts should be reviewed by the advisor and sent through the University's contract process. For more information on contracts visit the Risk Management Website.

Food Sales
All on campus food sales must be registered on 25Live and CampusLINK, regardless of campus location.

Serving raw or uncooked food at an event will need a state of Ohio Health Permit. For additional information, review the Food Policies on the CES Website.

Checking Out a Table from Student Activities & Leadership Development
RSOs may borrow a table during student hours (8am-5pm) from the Student Activities & Leadership Development (SALD) office located in 455 Steger Student Life Center. SALD has a limited amount of tables that can be checked out for tabling on Main Street and other public campus areas on a first-come first-served basis. Several additional resources including games and supplies are available as well.

Event Accessibility
While planning, it is recommended that students think about how to make the event accessible to everyone on campus, regardless of ability. Students are encouraged to contact Accessibility Resources at 513-556-6823 or AccessResources@ucmail.uc.edu if they have any questions about how to accommodate students with disabilities.
Risk Management
To learn more about risk in Student Organizations, strategies to manage risk, or to connect with a University risk manager, please visit the University Enterprise Risk Management website.

RSO Insurance
As a general rule, student organizations are not covered under the University's various lines of insurance coverage. Here are a few exceptions:

- Car rentals obtained through Transportation Services;
- Student government leaders while acting in their official capacity; and
- Events co-sponsored by the University.

Crisis Management
In the event of a crisis or emergency related to the organization, or a member of the organization, the organization is advised to:

- Call 911 immediately for necessary emergency services
- Notify the organization advisor
- Notify SALD staff
- Enact any additional crisis management protocol the organization has in place in collaboration with advisor and/or SALD staff
- In the event of serious injury or death, information must not be shared publicly or privately (within the organization) without consent from the member’s family or guardian

University Amnesty Policy
The university’s primary concern is the health, safety, and welfare of its members. To maintain a safe and scholarly community, the university encourages students to report code of conduct violations and crimes involving a victim, including sexual misconduct.

To encourage reporting, the University of Cincinnati has the discretion not to pursue certain non-violent code violations such as use of alcoholic beverages or drugs related to the incident. Amnesty may be applied to parties, bystanders, witnesses, students, or student organizations who participate in the conduct process, or students who seek assistance for themselves or other students experiencing an alcohol and/or other drug- related emergency. Amnesty will be determined on a case-by-case basis, in an equitable manner so as not to interfere with the rights of the parties, at the discretion of the director of S.C.C.S. (or designee).

Students receiving amnesty may still be required to participate in an educational conference.

CARE Team
The University has a CARE (Crisis, Assessment, Referral, Evaluation) Team that responds to reports about students whose behavior is raising concerns within the university community. The CARE Team has a Crisis Management Plan Flow Chart, as well as further information on their website.
Liability Waivers
Utilize Activity/Assumption of Risk Waivers when appropriate. Review in meetings so all are aware of risks. Visit CampusLINK for SALD’s Online Liability and Release Waiver.
Programs such as Club Sports may require additional waivers and processes.

Concerns & Resources
If you are concerned about a member of your organization the university has a variety of resources.

- Counseling and Psychological Services
- Student of Concern Form
- Student Organization Advisor
- Student Activities & Leadership Development Staff

Trademarks and Licensing
One of the benefits of being an RSO is using the University’s brand! Organizations that want to produce a product using the University’s brand (including “University of Cincinnati” “Cincinnati,” or “UC” in text) should refer to the Trademarks & Licensing website. All products using the University brand must go through an approved vendor. It is best practice for RSOs to submit a request to Trademarks & Licensing at least 30 days in advance of needing the product. For complete information on using University brand and trademarks, please review the Use of University Trademarks for Internal Consumption Policy.

Sponsorships
Before any sponsorship activities take place between an outside company or organization and an RSO, approval must be granted. Trademarks & Licensing recommends beginning the Sponsorship Request Process at least 60 days prior to the activation of the sponsorship. For complete information sponsorships, visit Trademarks & Licensing Sponsorship resources.
POLICIES AND STUDENT ORGANIZATION CONDUCT

Organizational Responsibility
RSOs are required to abide by federal, state, and local laws. Additionally, students and student organizations are responsible for adhering to all of the applicable terms and conditions of this document, as well as any other applicable University policy. Violation of applicable laws and policies by any student organization may subject that organization and individual members to disciplinary action.

Organizational status, resources, and services may be restricted or suspended as a result of a violation of any University policy by the organization, its members, or guests.

Student Code of Conduct
The Student Code of Conduct (SCOC) is intended to provide broad guidance in identifying and discouraging behavior that conflicts with the building of a strong and just community that respects and protects the diverse interests and goals of all students, all student organizations, and the University of Cincinnati’s mission “to provide the highest-quality learning environment, world-renowned scholarship, innovation and community service, and to serve as a place where freedom of intellectual interchange flourishes.” The SCOC is available for review on the SCCS website.

Notice of Non-Discrimination
The University of Cincinnati does not discriminate on the basis of disability, race, color, religion, except for religious qualifications which may be required by organizations whose aims are primarily sectarian, national origin, ancestry, medical condition, genetic information, marital status, parental status (including status as a foster parent), sex, age, sexual orientation, military status (past, present, or future), or gender identity and expression in its programs and activities. The university does not tolerate discrimination, harassment, or retaliation on these bases and takes steps to ensure that students, employees, and third parties are not subject to a hostile environment in University programs or activities.

The university responds promptly and effectively to allegations of discrimination, harassment, and retaliation. It promptly conducts investigations and takes appropriate action, including disciplinary action, against individuals found to have violated its policies, as well as provides appropriate remedies to complainants and the campus community. The university takes immediate action to end a hostile environment if one has been created, prevent its recurrence, and remedy the effects of any hostile environment on affected members of the campus community.

UC is committed to the ideal of universal Web accessibility and strives to provide an accessible Web presence that enables all university community members and visitors full access to information provided on its websites. Every effort has been made to make these pages as accessible as possible in accordance with the applicable guidelines.

Title IX Anti-Discrimination Statement
The University of Cincinnati (“UC” or the “University”) is committed to providing a living, learning, and working environment that is equitable, inclusive, and free from discrimination, harassment, and retaliation. Title IX of the Education Amendments of 1972 is a federal law that prohibits discrimination on the basis of sex in education programs or activities that receive federal financial assistance.
Consistent with federal, state, and local laws and regulations, the University prohibits discrimination and harassment on the basis of sex, in its academic, admissions, education and employment programs and activities. See also, University Notice of Non-Discrimination.

For more information on Title IX, visit the Title IX website.

**Hazing Policy**

**Definition**

Hazing violates university policy and is illegal in the State of Ohio. The University of Cincinnati SCOC defines hazing as: “...any act which endangers the mental or physical health or safety of a student, for the purpose of initiation, admission into, affiliation with, or as a condition of continued membership in a group or organization regardless of one’s willingness to participate.”

The laws of the state of Ohio and the University of Cincinnati Board of Trustees policy concerning hazing shall be observed: Hazing shall be defined as participating in or allowing any act or coercing another, including the victim, to do any act that creates a substantial risk of causing mental or physical harm to any person. A forced or coerced activity shall also be considered hazing when the initiation or administration into, or continued affiliation with, a university organization is directly or indirectly conditional upon performing the activity. In no event shall the willingness of an individual to participate in such an activity serve as defense in cases of hazing.

**Hazing Explained**

Student Activities and Leadership Development interprets hazing to include, but not limited to the following: paddling; creation of excessive fatigue; restraining people against their will; physical and psychological shocks; public displays which are unreasonably disruptive to other members of the campus and/or public; wearing publically costumes which are conspicuous and not normally in good taste; engaging in compulsory public stunts, buffoonery, morally degrading or humiliating games and activities; forced ingestion of any substance (particularly alcohol); servitude; and any other activities which are not consistent with the policies or regulations of SALD. The definition of hazing applies whether or not the participants or others perceive the behavior as “voluntary.” The implied or expressed consent of any person toward whom an act of hazing is directed is not a defense. Assertions that the conduct or activity was not part of an official organizational event or was not officially sanctioned or approved by the organization are also not a defense. This definition applies to behavior on or off university property or organization premises.

Visit the Board of Trustees Student Organization Rules to read the University’s complete policy on hazing.

**Posting Policy**

Posting on campus is limited to RSOs, university groups, or registered students. Included in this document is a list of some of the most important posting guidelines. Student Organization leaders should review the policy in its entirety in the Use of Facilities Manual before posting.

Failure to comply with this policy will result in suspension of funding and/or suspension of privileges or registration, payment of costs incurred in removing said communication materials, or punitive fines.
General Campus Posting Guidelines.

RSO POLICY AND CONDUCT VIOLATION PROCEDURES

Student Activities & Leadership Development and Student Conduct Protocol

Reports
Upon receipt of a report that alleges a student organization or club sport team acted in a manner inconsistent with university policy the assistant director (AD) for Student Conduct and Community Standards (SCCS) and the AD for Student Activities & Leadership Development (SALD) will convene to discuss the report. The ADs will make an effort to convene as soon as possible, and no later than three (3) business days.

Once the ADs have met, they will report back to the director of SCCS and the director of SALD to share with them their recommendations on how to proceed. If any changes are proposed by either director, the ADs will discuss them and recommend a new plan of action.

In some instances, the ADs of SCCS and SALD will identify a time to meet with the president of the organization. The nature of this meeting will be to discuss the roles of each party moving forward and provide relevant information about the report. If the SCCS AD is scheduling a PR with an organization president, they shall notify the AD of SALD of the time and date.

Communication

Organization
As is outlined in the Student Code of Conduct, all communication from SCCS will go to the president of the organization(s) involved.

Advisors/National Representative
SALD will serve as the point of contact for any advisors and/or national representatives of the organization if applicable. SCCS will not copy advisors or national organization representatives on any communication with the organization unless extenuating circumstances exist including, but not limited to: hazing, any interim measures being placed on the organization, reports involving Title IX allegations, or a responsibility finding that results in a restrictive status.

Interim Status
SCCS will copy the Director and/or AD of SALD on any interim status notifications being sent to organizations. Depending on severity and status, other university officials may be copied on the letter at the discretion of SCCS.

Outcome
The Director and/or AD of SALD will be copied on all outcome letters sent to organization(s) involved, in addition to other university officials at the discretion of SCCS.

Student Activities and Leadership Development Procedures
If during the above protocol, it is found that the student organization was not in violation of the Student Code of Conduct, but is in violation of RSO policy, the Student Activities and Leadership Development
Office (SALD) or appropriate governing body will determine an appropriate response and potential sanctions for the student organization.

If at any point, during a peer or office judicial process, there becomes knowledge of a possible Student Code of Conduct violation, the internal judicial process must cease, and the matter must be escalated to the Office of Student Conduct and Community Standards (Call SCCS @ 513-556-6814 or report an incident online).

RSO Disciplinary Sanctions

Any of the following disciplinary sanctions, or a combination thereof, may be placed upon an RSO found in violation of the Student Code of Conduct, Student Organization Handbook, or any other relevant University policy. The examples used below do not represent the definitive list of possible sanctions.

- **Warning**: A written, formal warning will be sent to RSO leadership and saved in the organization’s electronic file. Further violations may result in additional sanctions.
- **Probation Status**: An organization is placed on probation. Organizations on probation may be required to meet additional sanctions/requirements before being removed from probation. Further violations occurring during the probationary time period may result in additional sanctions.
- **Loss of Privileges**: A student organization may face a loss of privileges on campus. Privileges may include, but not be limited to meeting and event space reservations, funding support, the ability to recruit new members, eligibility for the involvement fair, and public listing on CampusLINK.
- **Restitution**: A student organization may be required to repay all monetary costs associated with damages that occurred at an event hosted or attended by said organization. A student organization is responsible for paying any restitution in a timely manner. Failure to do so will result in additional sanctions.
- **Educational Initiatives**: Student organization leaders may be required to participate in educational initiatives that may include but not be limited to workshops/seminars, community service projects, etc.
- **Restorative Meetings**: Facilitated meetings provide an opportunity for parties who have been harmed to talk with the parties who have engaged in the harmful actions, and hopefully find common ground about how to heal or build relationships and prevent harm in the future. These meetings are held in a structured manner and facilitated by staff who are trained to conduct these meetings. If restorative meetings are conducted, the facilitators will meet with the parties separately, ahead of time, to prepare for the restorative meeting and to assure that all parties are completely aware of how the meetings will be facilitated.
- **Suspension/Loss of Registration**: A student organization may be subject to suspension/loss of registration for a defined period. Suspended organizations are disallowed from any affiliation with the University of Cincinnati, direct or indirect, and are not allowed to re-activate as an organization without prior written permission from Student Activities and Leadership Development. A suspended organization must apply for reinstatement following the term of the suspension by submitting a letter to Student Activities and Leadership Development.
