

College Endorsement for Teaching Faculty-Led Study Abroad Courses

2022 - 2023 Faculty-Led Study Abroad Programs

College endorsement is required for all faculty-led study abroad courses at the University of Cincinnati. Use this form to document endorsement from your College. Required signatures by College are listed on the [UC International website](#). Many Colleges have their own internal study abroad approval process. It may be necessary for faculty to complete that College-specific process in order to receive a College's approval to work with UC International.

Faculty leader name and possible co-leader names _____

UC college and department _____

Program name _____

Travel location(s) _____ Course name and number _____

UC students/majors who need this course for degree
ex: major requirement for Spanish majors, meets 300 level PSYC req, elective for all _____

Number of credits _____ Term of enrollment
(fall, spring, summer) _____

In unique circumstances, could a student complete this course without the international travel? _____

Travel dates
(winter break, spring break, May break, summer dates) _____ Do travel dates conflict with regularly schedule courses? _____

Is this a new or repeating program? _____ Have you led (or co-led) a UC faculty-led program before? _____

If this is a new program, when did you last travel to this location to establish in-country connections? _____

If your College does not have a written faculty-led study abroad policy, please discuss issues related to compensation, enrollment minimums needed to offer the course or any other conditional requirements related to College endorsement.
