

TRANSFER ARTICULATION AGREEMENT

Central Oregon Community College,
Associate of Applied Science, Health Information Management
to
University of Cincinnati, College of Allied Health Sciences,
Bachelor of Science in Health Information Management (ONLINE)

Originating Institution: Central Oregon Community College

Degree/Program: Associate of Applied Science (AAS) / Health Information Management

Target Institution: University of Cincinnati / College of Allied Health Sciences

Degree/Program: Bachelor of Science (BS) / Health Information Management (Online)

Introduction: This agreement details the applicability of courses from the Central Oregon Community College AAS Health Information Management to the BS Health Information Management (Online) in the UC College of Allied Health Sciences. Students who complete the AAS in Health Information Management at Central Oregon Community College have satisfied the UC General Education requirement.

A maximum of 68 semester hours transferred from Central Oregon Community College will apply toward the 120 semester hours required for the BS Health Information Management. Students entering with less than 68 hours will need to take additional courses to meet the 120 semester hours for the degree.

Articulation Overview: Graduates from Central Oregon Community College who have followed the prescribed program, completed the AAS, and are accepted into the College of Allied Health Sciences will enter at junior standing in the BS Health Information Management program. All degree requirements are completed online including the capstone/practicum course.

Admission Criteria: *Note: completing the courses on the addendums below does not guarantee admission to the UC BS Health Information Management program.

A successful candidate must:

- Complete online University of Cincinnati application
- Complete BS HIM program application
- Submit official transcripts of all colleges/universities attended
- Hold an AS or AAS degree in Health Information Management from a CAHIIM-accredited program. Degree must include sufficient general education courses (i.e. English) and a minimum of 68 semester credit hours.
- Be a registered Health Information Technician (RHIT); recent graduates of an associate degree program have six (6) months to successfully complete the RHIT examination
- Submit current AHIMA membership card or proof of maintenance of RHIT certification
- Submit resume of professional and educational background

Minimum GPA: 2.6

Practicum: All practicum activities are performed virtually and occur throughout the program. Students are required to solicit interviews from health information professionals on a variety of topics. During the capstone/practicum course, students are required to present to an external audience. In the Health Information Technology course, students are required to perform an interview at a healthcare organization with an electronic health record.

Admission Period: Central Oregon Community College students must be admitted to the UC College of Allied Health Sciences during the duration of this agreement (i.e. between January 2002 and January 2025).

Agreement Execution Date: January 2022

Agreement End Date: January 2025

Bachelor of Science in Health Information Management (ONLINE)

EXECUTION, DURATION AND REVIEW OF AGREEMENT:

This agreement becomes effective upon its signing by the Deans of both Colleges and will remain effective for three years. At the end of this time, the agreement will be reviewed and may be renegotiated. Central Oregon Community College and the UC College of Allied Health Sciences agree to keep one another informed as program changes affecting the agreement occur. The Deans of both Colleges will agree upon any future additions and/or amendments to this document in writing.

This agreement will be reviewed on an annual basis and is subject to change due to revisions in program curriculum.

Central Oregon Community College students are encouraged to work closely with their academic advisor to monitor possible changes.

See attached appendix for course equivalencies and transfer degree map.
