**TRANSFER ARTICULATION AGREEMENT**

Cincinnati State Technical & Community College, Associate of Applied Science
Health Information Management Technology
to
University of Cincinnati, College of Allied Health Sciences,
Bachelor of Science in Health Information Management (ONLINE)

**Originating Institution:** Cincinnati State Technical & Community College  
**Degree/Program:** Associate of Applied Science (AAS) / Health Information Management Technology

**Target Institution:** University of Cincinnati / College of Allied Health Sciences  
**Degree/Program:** Bachelor of Science (BS) / Health Information Management (Online)

**Introduction:** This agreement details the applicability of courses from the Cincinnati State Technical & Community College Associate of Applied Science – Health Information Management Technology to the BS Health Information Management (Online) in the UC College of Allied Health Sciences. Students who complete the Associate of Applied Science – Health Information Management Technology at Cincinnati State Technical & Community College have satisfied the UC General Education requirement. A maximum of 68 semester hours transferred from Cincinnati State Technical & Community College will apply toward the 120 semester hours required for the BS Health Information Management. Students entering with less than 68 hours will need to take additional courses to meet the 120 semester hours for the degree.

**Articulation Overview:** Graduates from Cincinnati State Technical & Community College who have followed the prescribed program, completed the AAS, and are accepted into the College of Allied Health Sciences will enter at junior standing in the BS Health Information Management program. All degree requirements are completed online including the capstone/practicum course.

**Admission Criteria:** *Note: completing the courses on the addendums below does not guarantee admission to the UC BS Health Information Management program.

A successful candidate must:

- Complete online University of Cincinnati application
- Complete BS HIM program application
- Submit official transcripts of all colleges/universities attended
- Hold an AS or AAS degree in Health Information Management from a CAHIIM-accredited program. Degree must include sufficient general education courses (i.e. English) and a minimum of 68 semester credit hours.
- Be a registered Health Information Technician (RHIT); recent graduates of an associate degree program have six (6) months to successfully complete the RHIT examination
- Submit current AHIMA membership card or proof of maintenance of RHIT certification
- Submit resume of professional and educational background

**Minimum GPA:** 2.6

**Practicum:** All practicum activities are performed virtually and occur throughout the program. Students are required to solicit interviews from health information professionals on a variety of topics. During the capstone/practicum course, students are required to present to an external audience. In the Health Information Technology course, students are required to perform an interview at a healthcare organization with an electronic health record.

**Admission Period:** Cincinnati State Technical & Community College students must be admitted to the UC College of Allied Health Sciences during the duration of this agreement (i.e. between (March 2022) and (March 2025)).

**Agreement Execution Date:** March 2022  
**Agreement End Date:** March 2025
EXECUTION, DURATION AND REVIEW OF AGREEMENT:
This agreement becomes effective upon its signing by the Deans of both Colleges and will remain effective for three years. At the end of this time, the agreement will be reviewed and may be renegotiated. Cincinnati State Technical & Community College and the UC College of Allied Health Sciences agree to keep one another informed as program changes affecting the agreement occur. The Deans of both Colleges will agree upon any future additions and/or amendments to this document in writing.

This agreement will be reviewed on an annual basis and is subject to change due to revisions in program curriculum.

Cincinnati State Technical & Community College students are encouraged to work closely with their academic advisor to monitor possible changes.

See attached appendix for course equivalencies and transfer degree map.

Curriculum Equivalencies

The following suggested course sequence includes all course requirements for this articulation agreement following admission to the College of Allied Health Sciences BS Health Information Management (Online) program. You should consult with an academic advisor each semester to ensure you maintain appropriate degree progress and are fulfilling all requirements for the agreement. Course sequencing below assumes a fall start date. If starting the program during any other term, please consult with your academic advisor. *NOTE: Required coursework for the associate degree and credentials required for admission to the BS Health Information Management (Online) program are not outlined here. Please consult your academic advisor at your first institution for those details.

For details beyond course planning, please consult with your academic advisor or the Transfer & Transition Advising Center.
