Admission Criteria: *Note: completing the RN degree program and the prerequisite courses in Addendum One of this document does not guarantee admission to the UC Bachelor of Science in Nursing program.

The RN to BSN (Online) program is designed for individuals who have previously completed an associate degree or diploma in nursing and are licensed registered nurses. Complete admission requirements include:

- A completed University of Cincinnati application for undergraduate admission
- All official transcripts from previous colleges attended with a cumulative GPA of 2.5 or higher
- Documented completion of an associate degree in nursing or diploma leading to an RN license
- Documentation of an active, unrestricted RN license
- Application fee
- Confirmation fee (once accepted)

Minimum GPA: 2.5 recommended

Official transcripts of previous college coursework with a minimum cumulative GPA of 2.5 recommended. Competitive applications with a GPA below 2.5 will be considered on a case-by-case basis.

Admission Period: Clark State College students must be admitted to the UC College of Nursing during the duration of this agreement (i.e. between February 2022 and February 2025).

Agreement Execution Date: February 2022

Agreement End Date: February 2025
