Introduction: This agreement details the <u>applicability</u> of courses from the Columbus State Community College AA Psychology to the BA Psychology in the College of Arts & Sciences. As a public institution governed by the Ohio Department of Higher Education, UC complies with the Ohio Transfer Module and the Transfer Assurance Guides (TAGs). Students who complete the AA Psychology at Columbus State Community College have satisfied the UC General Education requirement.	
Articulation Overview: Graduates from Columbus State Community College who have followed the prescribed program and are accepted into the College of Arts & Sciences will enter with 64 hours of transfer credit applicable toward the BA Psychology program. Students without 61 applicable hours should speak with an admissions representative or an advisor about options. Admission Period: Columbus State Community College students must be admitted to the UC College of Arts & Sciences during the duration of this agreement (i.e. between June 2020 and June 2023).
