Columbus State: Columbus State Community College
Degree/Program: Associate of Applied Science (AAS) / Medical Laboratory Technology

Target Institution: University of Cincinnati / College of Allied Health Sciences
Degree/Program: Bachelor of Science (BS) / Medical Laboratory Science (Online)

Introduction: This agreement details the applicability of courses from the Columbus State Community College AAS Medical Laboratory Technology to the BS Medical Laboratory Science (Online) in the UC College of Allied Health Sciences. Students who complete the AAS Medical Laboratory Technology at Columbus State Community College have satisfied the UC General Education requirement.

A maximum of 60 semester hours transferred from Columbus State Community College will apply toward the 120 semester hours required for the BS Medical Laboratory Science.

Articulation Overview: Graduates from Columbus State Community College who have followed the prescribed program, completed the AAS, and are accepted into the College of Allied Health Sciences will enter at junior standing in the BS Medical Laboratory Science program. All degree requirements are completed online with the exception of the clinical practicum.

Admission Criteria: *Note: completing the courses on the addendums below does not guarantee admission to the UC BS Medical Laboratory Science program.

A successful candidate must:
- Hold an AAS degree from a NAACLS* accredited CLT/MLT program or equivalent coursework
- Hold an ASCP* CLT/MLT certification
- Complete MLS program application packet
- Submit a letter of intent and updated resume
- Submit three reference forms, essential functions form, and statement of health forms (available in MLS program application packet)
- Submit proof of ASCP* CLT/MLT certification
- Complete a UC online application
- Submit official transcripts from all schools attended

Minimum GPA: 2.5

Clinical Practicum: During the clinical rotation training experiences, students perform hands-on advanced clinical training tasks under the supervision of an on-site clinical preceptor. The MLS Program and the student work together in identifying an appropriate clinical laboratory that will serve as a clinical training site. In some cases, more than one clinical training site may be needed to ensure all required competencies are taught and assessed. Training usually occurs on the first shift. Students may need to revise their work schedule or take time-off to complete clinical hours.

Admission Period: Columbus State Community College students must be admitted to the UC College of Allied Health Sciences during the duration of this agreement (i.e. between September 2020 and September 2023).

Agreement Execution Date: September 2020
Agreement End Date: September 2023
EXECUTION, DURATION AND REVIEW OF AGREEMENT:
This agreement becomes effective upon its signing by the Deans of both Colleges and will remain effective for three years. At the end of this time, the agreement will be reviewed and may be renegotiated. Columbus State Community College and the UC College of Allied Health Sciences agree to keep one another informed as program changes affecting the agreement occur. The Deans of both Colleges will agree upon any future additions and/or amendments to this document in writing.

This agreement will be reviewed on an annual basis and is subject to change due to revisions in program curriculum.

Columbus State Community College students are encouraged to work closely with their academic advisor to monitor possible changes.

Admissions & Deadlines

Transfer Admissions Information: admissions.uc.edu/information/transfer

Admission Criteria:

• Completion of the courses on this worksheet does not guarantee admission to the UC program.
• A successful candidate must:
  o Hold an AAS degree from a NAACLS* accredited CLT/MLT program or equivalent coursework
  o Hold an ASCP* CLT/MLT certification
  o Complete MLS program application packet
  o Submit a letter of intent and updated resume
  o Submit three reference forms, essential functions form, and statement of health forms (available in MLS program application packet)
  o Submit proof of ASCP* CLT/MLT certification
  o Complete online University of Cincinnati application
  o Submit official transcripts from all schools attended
• Clinical Practicum: During the clinical rotation training experiences, students perform hands-on advanced clinical training tasks under the supervision of an on-site clinical preceptor. The MLS Program and the student work together in identifying an appropriate clinical laboratory that will serve as a clinical training site. In some cases, more than one clinical training site may be needed to ensure all required competencies are taught and assessed. Training usually occurs on the first shift. Students may need to revise their work schedule or take time-off to complete clinical hours.
• Students who complete the AAS Medical Laboratory Technology at Columbus State have satisfied the UC General Education requirement.
• Students must be admitted to the UC College of Allied Health Sciences during the duration of this agreement.
• Minimum GPA: 2.5

---

**Curriculum Equivalencies**

The following suggested course sequence includes all course requirements for this articulation agreement following admission to the College of Allied Health Sciences BS Medical Laboratory Science (Online) program. You should consult with an academic advisor each semester to ensure you maintain appropriate degree progress and are fulfilling all requirements for the agreement. **Course sequencing below assumes a fall start date.** If starting the program during any other term, please consult with your academic advisor. **NOTE:** Required coursework for the associate degree and credentials required for admission to the BS Medical Laboratory Science (Online) program are not outlined here. Please consult your academic advisor at your first institution for those details.

For details beyond course planning, please consult with your academic advisor or the Transfer & Transition Advising Center.
