

TRANSFER ARTICULATION AGREEMENT

Cuyahoga Community College, Associate of Applied Science, Nursing
to
University of Cincinnati, College of Nursing, RN to BSN (ONLINE)

Originating Institution: Cuyahoga Community College

Degree/Program: Associate of Applied Science (AAS) / Nursing

Target Institution: University of Cincinnati / College of Nursing

Degree/Program: Bachelor of Science (BS) / Nursing – RN to BSN (Online)

Introduction: This agreement details the applicability of courses from the Cuyahoga Community College AAS Nursing to the BS Nursing - RN to BSN (Online) in the UC College of Nursing. Students who complete the AAS Nursing at Cuyahoga Community College have partially satisfied the UC General Education requirement.

As a public institution governed by the Ohio Department of Higher Education, UC complies with the Ohio Transfer 36 (OT36) and the Transfer Assurance Guides (TAGs).

Articulation Overview: Graduates from Cuyahoga Community College who have followed and completed the prescribed program and are accepted into the College of Nursing will receive applicable transfer credit toward the RN to BSN (Online) program as outlined below.

Prerequisite Requirements: Most students will have completed the majority of the prerequisite requirements in their associate degree program. If not all prerequisites are complete, a student may be admitted to begin the RN to BSN program immediately; however, successful completion of all prerequisite courses is required to obtain the BSN degree. Completion of prerequisites while enrolled in the RN to BSN program may prolong time to degree. Not all prerequisites are offered at the University of Cincinnati at all times in an online format. The prerequisite courses can be completed at any regionally accredited institution and transferred to the University of Cincinnati to fulfill the requirement. Prerequisite charts for this partnership can be found in Addendum A of this document.

Admission Criteria: *Note: completing the RN degree program and the prerequisite courses in Addendum One of this document does not guarantee admission to the UC Bachelor of Science in Nursing program.

The RN to BSN (Online) program is designed for individuals who have previously completed an associate degree or diploma in nursing and are licensed registered nurses. Complete admission requirements include:

- A completed University of Cincinnati application for undergraduate admission
- All official transcripts from previous colleges attended with a cumulative GPA of 2.5 or higher
- Documented completion of an associate degree in nursing or diploma leading to an RN license
- Application fee
- Confirmation fee (once accepted)

Minimum GPA: 2.5 recommended

Official transcripts of previous college coursework with a minimum cumulative GPA of 2.5 recommended. Competitive applications with a GPA below 2.5 will be considered on a case-by-case basis.

Admission Period: Cuyahoga Community College students must be admitted to the UC College of Nursing during the duration of this agreement (i.e. between November 2023 and July 2026).

Agreement Execution Date: November 2023

Agreement End Date: July 2026

EXECUTION, DURATION AND REVIEW OF AGREEMENT:

This agreement becomes effective upon its signing by the Deans of both Colleges and will remain effective for the duration of the Transfer Pathways Completion Articulation Agreement (Institutional Agreement). At the end of this time, the agreement will be reviewed and may be renegotiated. Cuyahoga Community College and the UC College of Nursing agree to keep one another informed as program changes affecting the agreement occur. The Deans of both Colleges will agree upon any future additions and/or amendments to this document in writing.

As strong partners, Cuyahoga Community College Associate of Applied Science in Nursing Program agrees to provide direct access to Associate Degree of Nursing students in the last semester of their degree program to a University of Cincinnati representative when possible. This could be in the form of a classroom visit or other opportunities to directly interact and educate students about the RN to BSN (ONLINE) program at the University of Cincinnati. Cuyahoga Community College also agrees to provide a graduation list with directory information. The University of Cincinnati College of Nursing will provide success rates of incoming cohorts of Cuyahoga Community College County Associate of Applied Science in Nursing Program students upon request.

This agreement will be reviewed on an annual basis and is subject to change due to revisions in program curriculum.

Cuyahoga Community College students are encouraged to work closely with their academic advisor to monitor possible changes.

See attached appendix for course equivalencies and transfer degree map.

		Total Nursing Block Credits:	35

Additional RN-BSN Prerequisites

It is *recommended* students complete the following requirements before transferring to UC. Note that these courses may not be eligible for financial aid at Cuyahoga Community College; please consult your academic advisor or financial aid office. If students choose to take these remaining prerequisite courses at UC, it may prolong time to degree. Please consult your UC RN-BSN Online academic advisor for more information or assistance with course selection; you can also utilize Transferology.com to determine elective equivalencies.
