In an effort to ease the transfer process and to promote the closer coordination of academic courses, programs and degrees offered by our institutions, we do hereby enter into the following institutional articulation agreement, in accordance with the guidelines and recommendations of the Ohio Articulation and Transfer Policy (HB 95).

1. The University of Cincinnati and Eastern Gateway Community College shall adhere to the Ohio Articulation and Transfer Policy (HB 95).
2. Transfer students shall be subject to the catalog in force at the time of their admission to the receiving institution and to any revisions that occur after its publication and prior to their enrollment. Once admitted, transfer students shall be subject to the same regulations governing applicability of catalog requirements (including, but not limited to major, GPA, graduation, and/or residency requirements, policies, procedures, and standards) as native students. Furthermore, transfer students shall be accorded the same class standing and other privileges as native students on the basis of the number of credits earned.
3. Recognizing the system of preparation afforded by the completion of an Associate of Arts and Associate of Science (AA/AS) degree, and in accordance with the Ohio Articulation and Transfer policy, University of

Cincinnati will guarantee admission to the college/university and afford junior standing to all students who have earned an AA/AS degree from Eastern Gateway Community College, provided their grade point average is at least 2.0 for all previous college-level courses.

Students completing an AA or AS at Eastern Gateway Community College will be considered to have met all lower division general education requirements at the University of Cincinnati.

4. Recognizing the system of preparation afforded by the completion of an Associate of Applied Science (AAS) degree, the University of Cincinnati will guarantee admission to the university to all students who have earned an AAS degree from Eastern Gateway Community College, provided their grade point average is at least 2.0 for all previous college-level courses.

Eastern Gateway Community College and the University of Cincinnati will work together to maximize the acceptance and application of transfer credit for AAS graduates. This includes application to general education requirements.

5. Students so admitted will be considered for admission to selective programs (majors, minors, or fields of concentration) with the same guidelines that are applied to native University of Cincinnati students. Students are responsible for understanding and adhering to the selective admission requirements, according to catalog requirements, at the University of Cincinnati.
6. Students who have not completed their AA/AS/AAS degree, or who have earned a cumulative grade point average below 2.0, or those who have been dismissed previously from another institution will be considered for admission according to the admissions policy and standards of the University of Cincinnati, according to catalog requirements.
7. Under this agreement, students of Eastern Gateway Community College will be encouraged to complete their AA/AS/AAS degree before transferring to the University of Cincinnati.

Should a Eastern Gateway Community College student transfer to the University of Cincinnati prior to completion of an AA/AS/AAS degree, Eastern Gateway Community College shall provide the opportunity for students to subsequently complete the AA/AS/AAS degree in absentia using University of Cincinnati course credit. With student authorization, the University of Cincinnati agrees to supply information to Eastern Gateway Community College in order to facilitate this reverse transfer credit.

In this interest, all course work completed at the University of Cincinnati will be accepted and applied to AA/AS/AAS degree requirements at Eastern Gateway Community College consistent with the criteria used for native Eastern Gateway Community College students. The same course may also apply toward baccalaureate degree requirements at the University of Cincinnati.

8. Eastern Gateway Community College and the University of Cincinnati will work together to maximize the acceptance and application of transfer credit. Program specific Advising Guides supporting this institutional agreement will outline selective admission requirements, course equivalencies, and other information affecting students who enroll in a particular academic program. These supplemental programmatic Advising Guides must be consistent with the tenets of this overarching institutional agreement. Students transferring credit outside of programmatic Advising Guides will have the application of transfer credit done on a course-by-course basis by the University of Cincinnati. Ultimately, the acceptance and application of transfer credit is the decision of the University of Cincinnati.

9. The University of Cincinnati will provide Eastern Gateway Community College with course equivalent information regarding Eastern Gateway Community College courses and their University of Cincinnati equivalents. The University of Cincinnati will update the information and provide the most current equivalencies to Eastern Gateway Community College upon request.
10. Due to curriculum structures and the variability in student enrollment patterns, the University of Cincinnati cannot guarantee that students who transfer under the provision of this agreement will complete all the requirements to graduate from the University of Cincinnati within two years or by earning an additional 60 semester hours (90 quarter hours) at the University of Cincinnati.
11. The University of Cincinnati will report the number of transfer students from Eastern Gateway Community College for the previous academic year, upon request.
12. All collegiate level courses completed at Eastern Gateway Community College with a "D-" or better grade will be accepted for students who transfer with or without an earned AA/AS/AAS degree. These credits shall be accepted toward the student's class standing and shall be articulated to specific University of Cincinnati courses whenever possible.

It should be noted that the student may be required to retake any course in which s/he received a grade of "C or D" where there is a higher minimum grade required for all native University of Cincinnati students pursuing the same academic program. The application of this rule shall be the same for both native University of Cincinnati students and Eastern Gateway Community College transfer students.

13. Federal regulations mandate that financial aid can be disbursed to a student by only one institution during any given term. Financial aid eligibility through Eastern Gateway Community College ends when the student completes their Eastern Gateway Community College degree and commences working upon a degree program at the University of Cincinnati. Financial aid consortium agreements will be available to students pursuing a bachelor degree at the University of Cincinnati and exercised where permissible, with the University of Cincinnati, serving as the home institution.
