

TRANSFER ARTICULATION AGREEMENT

Marion Technical College, Associate of Applied Science, Radiologic Technology
to
University of Cincinnati, Blue Ash College,
Bachelor of Radiation Science Technology (ONLINE)

Originating Institution: Marion Technical College

Degree/Program: Associate of Applied Science (AAS) / Radiologic Technology

Target Institution: University of Cincinnati / Blue Ash College

Degree/Program: Bachelor of Radiation Science Technology (Online)

Introduction: This agreement details the applicability of courses from the Marion Technical College AAS Radiologic Technology to the Bachelor of Radiation Science Technology (Online) in the UC Blue Ash College. Students who complete the AAS Radiologic Technology at Marion Technical College have partially satisfied the UC General Education requirement.

A maximum of 90 semester hours transferred from Marion Technical College will apply toward the 120 semester hours required for the Radiation Science Technology bachelor's degree program. Students transferring less than 90 semester hours may not be admitted to the UC Radiation Science Technology program or may be required to take additional coursework.

Articulation Overview: Graduates from Marion Technical College who have followed the prescribed program, completed the AAS, and are accepted into Blue Ash College Bachelor of Radiation Science Technology program will enter at junior standing in the Bachelor of Radiation Science Technology program. All degree requirements are completed online.

Admission Criteria: *Note: completing the courses on the addendums below does not guarantee admission to the UC Bachelor of Radiation Science Technology program.

A student must:

- Hold an associate degree from a regionally accredited institution, or a medical imaging or radiation therapy program that is accredited
- Hold credentials as one of the following: Registered Radiologist Assistant (RRA), Radiologic Technologist (RT-R), Nuclear Medicine Technologist (RT-N), Certified Nuclear Medicine Technologist (CNMT), Radiation Therapy Technologist (RT-T), Diagnostic Medical Sonographer (RDMS), Diagnostic Cardiac Sonographer (RDCS), Vascular Technologist (RVT), Registered Musculoskeletal Sonographer (RMSKS)
- Complete a UC application (including submission of official transcripts from all institutions attended and payment of application fee)
- Pay UC's matriculation fee

Minimum GPA: 2.5

Admission Period: Marion Technical College students must be admitted to UC Blue Ash College during the duration of this agreement (i.e. between November 2020 and November 2023).

Agreement Execution Date: November 2020

Agreement End Date: November 2023

EXECUTION, DURATION AND REVIEW OF AGREEMENT:

This agreement becomes effective upon its signing by the Deans of both Colleges and will remain effective for three years. At the end of this time, the agreement will be reviewed and may be renegotiated. Marion Technical College and the UC Blue Ash College agree to keep one another informed as program changes affecting the agreement occur. The Deans of both Colleges will agree upon any future additions and/or amendments to this document in writing.

This agreement will be reviewed on an annual basis and is subject to change due to revisions in program curriculum.

Marion Technical College students are encouraged to work closely with their academic advisor to monitor possible changes.

See attached appendix for course equivalencies and transfer degree map.

Curriculum Equivalencies

The following suggested course sequence includes all course requirements for this articulation agreement following admission to the UC Blue Ash College Bachelor of Radiation Science Technology (Online) program. You should consult with an academic advisor each semester to ensure you maintain appropriate degree progress and are fulfilling all requirements for the agreement. Course sequencing below assumes a fall start date. If starting the program during any other term, please consult with your academic advisor.

For details beyond course planning, please consult with your academic advisor or the Transfer & Transition Advising Center.
