

TRANSFER ARTICULATION AGREEMENT

Sinclair College, Associate of Applied Science, Nursing
to
University of Cincinnati, College of Nursing
Bachelor of Science, Nursing – RN to BSN (Online)

Originating Institution: Sinclair College

Degree/Program: Associate of Applied Science (AAS) / Nursing

Target Institution: University of Cincinnati / College of Nursing

Degree/Program: Bachelor of Science / Nursing – RN to BSN (Online)

Introduction: This agreement details the applicability of courses from the Sinclair College AAS Nursing to the BS Nursing - RN to BSN (Online) in the UC College of Nursing. Students who complete the AAS Nursing at Sinclair College have partially satisfied the UC General Education requirement.

As a public institution governed by the Ohio Department of Higher Education, UC complies with the Ohio Transfer 36 (OT36) and the Transfer Assurance Guides (TAGs).

Articulation Overview: Graduates from Sinclair College who have followed and completed the prescribed program and are accepted into the College of Nursing will receive applicable transfer credit toward the RN to BSN (Online) program as outlined below.

Prerequisite Requirements: Most students will have completed the majority of the prerequisite requirements in their associate degree program. If not all prerequisites are complete, a student may be admitted to begin the RN to BSN program immediately; however, successful completion of all prerequisite courses is required to obtain the BSN degree. Completion of prerequisites while enrolled in the RN to BSN program may prolong time to degree. Not all prerequisites are offered at the University of Cincinnati at all times in an online format. The prerequisite courses can be completed at any regionally accredited institution and transferred to the University of Cincinnati to fulfill the requirement. Prerequisite charts for this partnership can be found in the Transfer Degree Map of this document.

Admission Criteria: *Note: completing the RN degree program and the prerequisite courses in Transfer Degree Map of this document does not guarantee admission to the UC Bachelor of Science in Nursing program.

The RN to BSN (Online) program is designed for individuals who have previously completed an associate degree or diploma in nursing. Complete admission requirements include:

- A completed University of Cincinnati application for undergraduate admission
- All official transcripts from previous colleges attended with a cumulative GPA of 2.5 or higher
- Documented completion of an associate degree in nursing or diploma leading to an RN license
- Application fee
- Confirmation fee (once accepted)

Minimum GPA: 2.5 recommended

Official transcripts of previous college coursework with a minimum cumulative GPA of 2.5 recommended. Competitive applications with a GPA below 2.5 will be considered on a case-by-case basis.

Admission Period: Sinclair College students must be admitted to the UC College of Nursing during the duration of this agreement (i.e. between September 2023 and July 31, 2026).

Agreement Execution Date: September 2023

Agreement End Date: July 31, 2026

EXECUTION, DURATION AND REVIEW OF AGREEMENT:

This agreement becomes effective upon its signing by both Colleges and will remain effective for the duration of the agreement noted above. At the end of this time, the agreement will be reviewed and may be renegotiated. Sinclair College and the UC College of Nursing agree to keep one another informed as program changes affecting the agreement occur. Both Colleges will agree upon any future additions and/or amendments to this document in writing.

As strong partners, Sinclair College Associate of Applied Science in Nursing Program agrees to provide direct access to Associate Degree of Nursing students in the last semester of their degree program to a University of Cincinnati representative. This could be in the form of a classroom visit or other opportunities to directly interact and educate students about the RN to BSN (ONLINE) program at the University of Cincinnati. Sinclair College Associate of Applied Science in Nursing Program also agrees to provide a graduation list with emails. The University of Cincinnati College of Nursing will provide success rates of incoming cohorts of Sinclair College Associate of Applied Science in Nursing Program students upon request.

This agreement will be reviewed on an annual basis and is subject to change due to revisions in program curriculum.

Sinclair College students are encouraged to work closely with their academic advisor to monitor possible changes.

See attached appendix for course equivalencies and transfer degree map.
