TRANSFER ARTICULATION AGREEMENT
Sinclair Community College, Associate of Applied Science, Radiologic Technology to
University of Cincinnati, Blue Ash College, Bachelor of Radiation Science Technology (ONLINE)

Originating Institution: Sinclair Community College
Degree/Program: Associate of Applied Science (AAS) / Radiologic Technology

Target Institution: University of Cincinnati / Blue Ash College
Degree/Program: Bachelor of Radiation Science Technology (Online)

Introduction: This agreement details the applicability of courses from the Sinclair Community College AAS Radiologic Technology to the Bachelor of Radiation Science Technology (Online) in the UC Blue Ash College. Students who complete the AAS Radiologic Technology at Sinclair Community College have partially satisfied the UC General Education requirement.

A maximum of 90 semester hours transferred from Sinclair Community College will apply toward the 120 semester hours required for the Radiation Science Technology bachelor’s degree program. Students transferring fewer than 90 semester hours may be required to take additional coursework to fulfill the 120 semester hour degree program.

Articulation Overview: Graduates from Sinclair Community College who have followed the prescribed program, completed the AAS, and are accepted into Blue Ash College Bachelor of Radiation Science Technology program will enter at junior standing in the Bachelor of Radiation Science Technology program. All degree requirements are completed online.

Admission Criteria: *Note: completing the courses on the addendums below does not guarantee admission to the UC Bachelor of Radiation Science Technology program.

A student must:
- Hold an associate degree from a regionally accredited institution, or a medical imaging or radiation therapy program that is accredited
- Hold credentials as one of the following: Registered Radiologist Assistant (RRA), Radiologic Technologist (RT-R), Nuclear Medicine Technologist (RT-N), Certified Nuclear Medicine Technologist (CNMT), Radiation Therapy Technologist (RT-T), Diagnostic Medical Sonographer (RDMS), Diagnostic Cardiac Sonographer (RDCS), Vascular Technologist (RVT), Registered Musculoskeletal Sonographer (RMSKS)
- Complete a UC application (including submission of official transcripts from all institutions attended and payment of application fee)
- Pay UC’s matriculation fee

Minimum GPA: 2.5

Admission Period: Sinclair Community College students must be admitted to UC Blue Ash College during the duration of this agreement (i.e. between March 2020 and March 2023).

Agreement Execution Date: March 2020
Agreement End Date: March 2023
**EXECUTION, DURATION AND REVIEW OF AGREEMENT:**

This agreement becomes effective upon its signing by the Deans of both Colleges and will remain effective for three years. At the end of this time, the agreement will be reviewed and may be renegotiated. Sinclair Community College and the UC Blue Ash College agree to keep one another informed as program changes affecting the agreement occur. The Deans of both Colleges will agree upon any future additions and/or amendments to this document in writing.

This agreement will be reviewed on an annual basis and is subject to change due to revisions in program curriculum.

**Sinclair Community College students are encouraged to work closely with their academic advisor to monitor possible changes.**

See attached appendix for course equivalencies and transfer degree map.

**Curriculum Equivalencies**

The following suggested course sequence includes all course requirements for this articulation agreement following admission to the UC Blue Ash College Bachelor of Radiation Science Technology (Online) program. You should consult with an academic advisor each semester to ensure you maintain appropriate degree progress and are fulfilling all requirements for the agreement. Course sequencing below assumes a fall start date. If starting the program during any other term, please consult with your academic advisor.

For details beyond course planning, please consult with your academic advisor or the Transfer & Transition Advising Center.

**Remaining Prerequisite Coursework**

Students must complete the following additional courses in order to enter the UCBA Bachelor of Radiation Science Technology (Online) program. You should consult your academic advisor and the financial aid office at Sinclair for guidance on when to take these courses during your AAS and how they might impact your financial aid eligibility. For additional information related to specific courses and their Sinclair equivalents that fulfill an elective, please consult a Transfer & Transition Advising Center (TTAC) advisor.
