Originating Institution: Southern State Community College

Degree/Program: Associate of Arts / Psychology Focus

Target Institution: University of Cincinnati / College of Arts & Sciences

Degree/Program: Bachelor of Arts / Psychology

Introduction: This agreement details the applicability of courses from the Southern State Community College AA Psychology Focus to the BA Psychology in the College of Arts & Sciences. As a public institution governed by the Ohio Department of Higher Education, UC complies with the Ohio Transfer Module and the Transfer Assurance Guides (TAGs). Students who complete the AA Psychology Focus at Southern State Community College have satisfied the UC General Education requirement.

Articulation Overview: Graduates from Southern State Community College who have followed the prescribed program and are accepted into the College of Arts & Sciences will enter with 60 hours of transfer credit applicable toward the BA Psychology program. Students may complete the degree online; it is essential to maintain consistent communication with an advisor for class offerings.

Admission Criteria: *Note: completing the courses on the addendums below does not guarantee admission to the UC BA Psychology program.

Minimum GPA: 2.0

BA Completion: Completion of this program may require more than four semesters to complete due to prerequisite requirements and the order in which required courses must be taken and are offered. UC academic advising staff will work with each transfer student to develop the most expedient pathway to graduation. If a student plans to complete the degree 100% online, they must have sixty-one (61) applicable credit hours before matriculation. Students without 61 applicable hours should speak with an admissions representative or an advisor about options.

Admission Period: Southern State Community College students must be admitted to the UC College of Arts & Sciences during the duration of this agreement (i.e. between July 2020 and July 2023).

Agreement Execution Date: July 2020

Agreement End Date: July 2023

EXECUTION, DURATION AND REVIEW OF AGREEMENT:

This agreement becomes effective upon its signing by the Deans of both Colleges and will remain effective for three years. At the end of this time, the agreement will be reviewed and may be renegotiated. Southern State Community College and the UC College of Arts & Sciences agree to keep one another informed as program changes affecting the agreement occur. The Deans of both Colleges will agree upon any future additions and/or amendments to this document in writing.

This agreement will be reviewed on an annual basis and is subject to change due to revisions in program curriculum.

Southern State Community College students are encouraged to work closely with their academic advisor to monitor possible changes.
