## Admissions & Deadlines

**Transfer Admissions Information:** [admissions.uc.edu/information/transfer](https://admissions.uc.edu/information/transfer)

**Prerequisite Requirements:** Most students will have completed the majority of the prerequisite requirements in their associate degree program. Completion of prerequisites while enrolled in the RN to BSN program may prolong time to degree. Not all prerequisites are offered at the University of Cincinnati at all times in an online format. The prerequisite courses can be completed at any regionally accredited institution and transferred to the University of Cincinnati to fulfill the requirement. Prerequisite charts for this partnership can be found in this document below.

### Admission Criteria:

  - Documented completion of an associated degree in nursing or diploma leading to an RN license
  - Application fee & Confirmation fee (once accepted)
- Students must be admitted to the UC College of Nursing during the duration of this agreement.
