

Transfer Degree Map

FROM

San Juan College
**Associate of Applied Science
Occupational Therapy Assistant**

TO

University of Cincinnati
**Bachelor of Science
Health Sciences: Pre-Occupational
Therapy (Online)**

This agreement is valid from **July 2022** to **July 2025**

Admissions & Deadlines

Transfer Admissions Information: admissions.uc.edu/information/transfer

Admission Criteria:

- Completion of the courses on this worksheet does not guarantee admission to the UC program.
- Students who complete the Associate of Applied Science in Occupational Therapy Assistant at San Juan College have satisfied the UC General Education requirement.
- A student must:
 - Hold an AAS degree from the Occupational Therapy Assistant Program at San Juan College.
 - Hold credentials as an occupational therapy assistant as certified by the National Board for Certification in Occupational Therapy; conditional acceptance is granted into the program for those who are eligible to take the OTA exam and have a plan in place to complete the exam.
 - Complete a UC application, including submission of official transcripts from all institutions attended.
*Note: UC application fee for the BS: Health Sciences Pre-Occupational Therapy program will be waived for San Juan College students who have completed the AAS OTA program, for any admission term, through the calendar date marking the end of the Fall 2023 semester at UC. This waiver will be renegotiated after this period.
 - Pay UC's matriculation fee.
- Students must be admitted to the UC College of Allied Health Sciences during the duration of this agreement.
- Minimum GPA: 2.50

Tuition & Scholarships

General Tuition & Fees: uc.edu/bursar/fees

Scholarships for transfer students: financialaid.uc.edu/sfao/scholars/transfer. Incoming Pre-OT students are eligible for up to a \$1,500 scholarship. Contact an Enrollment Advisor for more information.

PSYC 2051	Abnormal Psychology	3	Fall, Spring
HLTH 3100	Mid-Collegiate Interprofessional Touch Point Conference	0	Fall

Recommended Elective Coursework

Based on the current curriculum, students will not need to take any additional elective credit hours to meet the 120-credit hour graduation requirement. A list of recommended elective courses to enhance your degree, including options for minors or certificates, will be provided by your enrollment advising team upon admission to the program. Elective course options are subject to change but currently include a certificate in developmental disabilities, disabilities related topics, health administration and management, community health, among others. However, students may choose any college-level credit-bearing course to meet their electives given that they meet course requirements.

Master List of Required Coursework

Below is the master list of all courses required for the BS Health Sciences: Pre-Occupational Therapy Online program. Course offerings may change per semester. This table should serve as a guide to assist in planning courses, but you should consult your student success coordinator for guidance and assistance.

Students can take more courses per semester in order to accelerate their time to degree. Attending part-time may impact your financial aid eligibility; please consult a financial aid representative for further information.
