Admissions & Deadlines

Transfer Admissions Information: admissions.uc.edu/information/transfer

Admission Criteria:

- Completion of the courses on this worksheet does not guarantee admission to the UC program.
- A successful candidate must:
 - Complete online University of Cincinnati application
 - Complete BS HIM program application
 - Submit official transcripts of all colleges/universities attended
 - Hold an AS or AAS degree in Health Information Management from a CAHIIM-accredited program. Degree must include sufficient general education courses (i.e. English) and a minimum of 68 semester credit hours. *Students who have not earned 68 semester hours, are still eligible;* but will require additional coursework at the University of Cincinnati upon transfer to meet the degree requirements of 120 credit hours. Students will work with an academic advisor at the University of Cincinnati to determine appropriate coursework if necessary.
 - Be registered Health Information Technician (RHIT); recent graduates of an associate degree program have six (6) months to successfully complete the RHIT examination. *While this is not required for admission, it is highly recommended.*
 - Submit current AHIMA membership card or proof of maintenance of RHIT certification
 - Submit resume of professional and educational background
- Practicum: All practicum activities are performed virtually and occur throughout the program. Students are required to solicit interviews from health information professionals on a variety of topics. During the capstone/practicum course, students are required to present to an external audience. In the Health Information Technology course, students are required to perform an interview at a healthcare organization with an electronic health record.
- Students who complete the AAS Health Information Management at Sinclair Community College have satisfied the UC General Education requirement.
- Students must be admitted to the UC College of Allied Health Sciences during the duration of this agreement.
- Minimum GPA: 2.6

Curriculum Equivalencies

The following suggested course sequence includes all course requirements for this articulation agreement following admission to the College of Allied Health Sciences BS Health Information Management (Online) program. You should consult with an academic advisor each semester to ensure you maintain appropriate degree progress and are fulfilling all requirements for the agreement. **Course sequencing below assumes a fall start date.** If starting the program during any other term, please consult with your academic advisor. **NOTE: Required coursework for the associate degree and credentials required for admission to the BS Health Information Management (Online) program are not outlined here. Please consult your academic advisor at your first institution for those details.*

For details beyond course planning, please consult with your academic advisor or the Transfer & Transition Advising Center.
