

TRANSFER ARTICULATION AGREEMENT

Terra State Community College, Associate of Science, Biology OGTP
to

University of Cincinnati, College of Arts & Sciences, Bachelor of Arts, Biology

Originating Institution: Terra State Community College
Degree/Program: Associate of Science (AS) / Biology OGTP

Target Institution: University of Cincinnati / College of Arts & Sciences
Degree/Program: Bachelor of Arts (BA) / Biology

Introduction: This agreement details the applicability of courses from the Terra State Community College AS Biology OGTP to the BA Biology in the UC College of Arts & Sciences. Students who complete the AS Biology OGTP at Terra State Community College have partially satisfied the UC General Education requirement.

Articulation Overview: Graduates from Terra State Community College who have followed the prescribed program and are accepted into the UC College of Arts & Sciences will enter with 61 hours of transfer credit applicable toward the BA Biology degree.

Admission Criteria: *Note: completing the courses on the appendices below does not guarantee admission to the UC BA Biology program.

Minimum GPA: 2.0

BA Completion: Completion of this program may require more than four semesters to complete due to prerequisite requirements and the order in which required courses must be taken and are offered. UC academic advising staff will work with each transfer student to develop the most expedient pathway to graduation.

Admission Period: Terra State Community College students must be admitted to the UC College of Arts & Sciences during the duration of this agreement (i.e. between February 2021 and February 2024).

Agreement Execution Date: February 2021

Agreement End Date: February 2024

EXECUTION, DURATION AND REVIEW OF AGREEMENT:

This agreement becomes effective upon its signing by the Deans of both Colleges and will remain effective for three years. At the end of this time, the agreement will be reviewed and may be renegotiated. Terra State Community College and the UC College of Arts & Sciences agree to keep one another informed as program changes affecting the agreement occur. The Deans of both Colleges will agree upon any future additions and/or amendments to this document in writing.

This agreement will be reviewed on an annual basis and is subject to change due to revisions in program curriculum.

Terra State Community College students are encouraged to work closely with their academic advisor to monitor possible changes.

SEE ATTACHED APPENDICES FOR COURSE EQUIVALENCIES AND SAMPLE TRANSFER DEGREE MAPS.

Curriculum Equivalencies

The following suggested course sequence includes all course requirements for this articulation agreement (e.g. courses required for the Terra State AS Biology OGTP and remaining UC courses for the BA Biology). You should consult with an academic advisor each semester to ensure you maintain appropriate degree progress and are fulfilling all requirements for the agreement. Course sequencing below assumes a fall start date. If starting the program during any other term, please consult with your academic advisor. For details beyond course planning, please consult with your academic advisor or the Transfer & Transition Advising Center.
