## Introduction:
This agreement details the program to program articulation from the Brookdale Community College Associate of Science in Respiratory Care to the Bachelor of Science degree program in Respiratory Therapy at the College of Allied Health Sciences of the University of Cincinnati. Students who have successfully completed the Associate of Science in Respiratory Care at Brookdale Community College have satisfied the University of Cincinnati General Education requirement.

A maximum of 70 credits from the Brookdale Community College Respiratory Care program, as found in Appendix A, will be transferred from Brookdale Community College to UC and applied toward the 120 semester hours required for the Bachelor of Science degree in Respiratory Therapy. *If the curriculum is 65-69 semester credits, students will take UC’s Respiratory Therapy Targeted Open Online Course, offered tuition free, to help meet the required 120 semester hours for the Bachelor of Science degree in Respiratory Therapy.*

## Articulation Overview:
Graduates from Brookdale Community College who have followed the prescribed program and are accepted into the College of Allied Health Sciences will enter the third year of the baccalaureate Respiratory Therapy Program. Student’s associate degree will transfer in its entirety as block credit.

## Admission Criteria:
Please note: completing the courses on the attached worksheet does not guarantee admission to the Bachelor of Science in Respiratory Therapy program.

The successful candidate must:

- Hold an A.S. or A.A.S. degree from a CoARC accredited Respiratory Care/Respiratory Therapy program in a regionally accredited institution
- Be credentialed as a Certified Respiratory Therapist (CRT) by the National Board for Respiratory Care (NBRC)
- Be Registered Respiratory Therapist (RRT) eligible
- Complete a UC application
- Complete a program application
- Submit official transcripts from all schools attended
- Submit an application fee: $50
- Submit a matriculation fee: $100

## Minimum GPA: 2.5

**Admission Period:** Brookdale Community College students must be admitted to the UC College of Allied Health Sciences during the duration of this agreement, i.e. between February 1, 2017 and February 1, 2020.

EXECUTION, DURATION AND REVIEW OF AGREEMENT:

This agreement becomes effective upon its signing by the Deans of both Colleges and will remain effective for three years. At the end of this time, the agreement will be reviewed and may be renegotiated. Brookdale Community College and the UC College of Allied Health Sciences agree to keep one another informed as program changes affecting the agreement occur. The Deans of both Colleges will agree upon any future additions and/or amendments to this document in writing.

This agreement will be reviewed on an annual basis and is subject to change due to revisions in program curriculum. Brookdale Community College students are encouraged to work closely with their academic advisor to monitor possible changes.
