

INSTITUTIONAL ARTICULATION AGREEMENT  
BETWEEN  
UNIVERSITY OF CINCINNATI  
AND  
EDISON STATE COMMUNITY COLLEGE

The University of Cincinnati and Edison State Community College recognize the need to facilitate the transfer of students from Edison State Community College to the University of Cincinnati to pursue and achieve their educational goals.

**University of Cincinnati (Cincinnati, OH)** serves the people of Ohio, the nation, and the world as a premier, public, urban research university, dedicated to undergraduate, graduate, and professional education, experience-based learning, and research. The University is committed to excellence and diversity in our students, faculty, staff, and all of our activities. The University provides an inclusive environment where innovation and freedom of intellectual inquiry flourish. Through scholarship, service, partnerships, and leadership, the University of Cincinnati creates opportunity, develops educated and engaged citizens, enhances the economy and enriches our university, city, state and global opportunity. The University of Cincinnati is accredited by the Higher Learning Commission; Member-North Central Association (30 N. LaSalle Street - Suite 2400, Chicago, Illinois 60602-2504, (312) 263-0456 or (800) 621-7440).

**Edison State Community College (Piqua, OH)** was chartered in 1973 to meet a demand for high-quality, affordable college education that focused on serving the residents of Darke, Miami and Shelby counties in Ohio. The College's mission is to provide the learning opportunities, support services and commitment that enable students to complete their educational goals and realize their dreams. Currently, Edison State Community College enrolls more than 3,000 students in 30 technical fields, a broad range of baccalaureate transfer programs, developmental course work, and continuing education offerings. The College confers five different degrees, two of which are designed for transferring to a four-year college or university, and three of which prepare graduates for immediate employment.

In an effort to ease the transfer process and to promote the closer coordination of academic courses, programs and degrees offered by our institutions, we do hereby enter into the following institutional articulation agreement, in accordance with the guidelines and recommendations of the Ohio Articulation and Transfer Policy (HB 95).

1. The University of Cincinnati and Edison State Community College shall adhere to the Ohio Articulation and Transfer Policy (HB 95).
2. Transfer students shall be subject to the catalog in force at the time of their admission to the receiving institution and to any revisions that occur after its publication and prior to their enrollment. Once admitted, transfer students shall be subject to the same regulations governing applicability of catalog requirements (including, but not limited to major, GPA, graduation, and/or residency requirements, policies, procedures, and standards) as native students. Furthermore, transfer students shall be accorded the same class standing and other privileges as native students on the basis of the number of credits earned.
3. Recognizing the system of preparation afforded by the completion of an Associate of Arts and Associate of Science (AA/AS) degree, and in accordance with the Ohio Articulation and Transfer policy, University of Cincinnati will guarantee admission to the college/university and afford junior

standing to all students who have earned an AA/AS degree from Edison State Community College, provided their grade point average is at least 2.0 for all previous college-level courses.

Students completing an AA or AS at Edison State Community College will be considered to have met all lower division general education requirements at the University of Cincinnati.

4. Recognizing the system of preparation afforded by the completion of an Associate of Applied Science (AAS) and Associate of Applied Business (AAB) degree, the University of Cincinnati will guarantee admission to the university to all students who have earned an AAS or AAB degree from Edison State Community College, provided their grade point average is at least 2.0 for all previous college-level courses.

Edison State Community College and the University of Cincinnati will work together to maximize the acceptance and application of transfer credit for AAS and AAB graduates. This includes application to general education requirements.

5. Students so admitted will be considered for admission to selective programs (majors, minors, or fields of concentration) with the same guidelines that are applied to native University of Cincinnati students. Students are responsible for understanding and adhering to the selective admission requirements, according to catalog requirements, at the University of Cincinnati.
6. Students who have not completed their AA/AS/AAS/AAB degree, or who have earned a cumulative grade point average below 2.0, or those who have been dismissed previously from another institution will be considered for admission according to the admissions policy and standards of the University of Cincinnati, according to catalog requirements.
7. Under this agreement, students of Edison State Community College will be encouraged to complete their AA/AS/AAS/AAB degree before transferring to the University of Cincinnati.

Should an Edison State Community College student transfer to the University of Cincinnati prior to completion of an AA/AS/AAS/AAB degree, Edison State Community College shall provide the opportunity for students to subsequently complete the AA/AS/AAS/AAB degree in absentia using University of Cincinnati course credit. With student authorization, the University of Cincinnati agrees to supply information to Edison State in order to facilitate this reverse transfer credit.

In this interest, all course work completed at the University of Cincinnati will be accepted and applied to AA/AS/AAS/AAB degree requirements at Edison State Community College consistent with the criteria used for native Edison State Community College students. The same course may also apply toward baccalaureate degree requirements at the University of Cincinnati.

8. Edison State Community College and the University of Cincinnati will work together to maximize the acceptance and application of transfer credit. Program specific articulation agreements supporting this institutional agreement will outline selective admission requirements, course equivalencies, and other information affecting students who enroll in a particular academic program. These supplemental programmatic articulation arrangements must be consistent with the tenets of this overarching institutional agreement. Students transferring credit outside of programmatic articulation agreements will have the application of transfer credit done on a course-by-course basis by the University of Cincinnati. Ultimately, the acceptance and application of transfer credit is the decision of the University of Cincinnati.

9. All collegiate level courses completed at Edison State Community College with a "D-" or better grade, by students who choose to transfer before completing an associate degree, will be accepted toward the student's class standing at the University of Cincinnati.

It should be noted that the student may be required to retake any course in which s/he received a grade of "C or D" where there is a higher minimum grade required for all native University of Cincinnati students pursuing the same academic program. These credits will also be considered for application to the student's degree requirements using the same criteria used for native University of Cincinnati students.

10. The University of Cincinnati will provide Edison State Community College with course equivalent information regarding Edison State Community College courses and their University of Cincinnati equivalents, upon request.
11. Due to curriculum structures and the variability in student enrollment patterns, the University of Cincinnati cannot guarantee that students who transfer under the provision of this agreement will complete all the requirements to graduate from the University of Cincinnati within two years or by earning an additional 60 semester hours (90 quarter hours) at the University of Cincinnati.
12. The University of Cincinnati will report the number of transfer students from Edison State Community College for the previous academic year, upon request.
13. Federal regulations mandate that financial aid can be disbursed to a student by only one institution during any given term. Financial aid eligibility through Edison State ends when the student completes their ESCC degree and commences working upon a degree program at the University of Cincinnati. Financial aid consortium agreements will be available to students pursuing a bachelor degree at the University of Cincinnati and exercised where permissible, with the University of Cincinnati, serving as the home institution.

Contact: Chris Cummings, Director of Financial Aid  
Edison State Community College

15. Both parties are to communicate the conditions of this institutional articulation agreement, in accordance with federal, state, and local laws, to their respective external and internal constituencies.
16. Edison State Community College is hereby granted a limited, non-exclusive, non-transferable license to use the University of Cincinnati name, tradenames, trademarks, and logos during the term of this Agreement **for the sole purpose of promoting this Agreement and the University of Cincinnati programs in accordance with this Agreement.**

The University of Cincinnati is hereby granted a limited, non-exclusive, non-transferable license to use Edison State Community College's name, tradenames, trademarks, and logos during the term of this Agreement **for the sole purpose of marketing to the Edison State Community College student population about this Agreement and the University of Cincinnati's programs in accordance with this Agreement.**

Upon termination of this Agreement, the limited licenses set forth in this section will immediately terminate and each party shall (i) cease all such aforementioned use; and (ii) discard, destroy or delete any printed and electronic materials containing the name, tradename, trademark, or logo of the other party. Neither party shall use the name, tradename, logo, or trademark of the other party in any way that would cause confusion in the public mind as to the relationship between the parties, and, except for the limited license set forth in this section, neither party shall by virtue of this Agreement gain any right, title, or interest in any name, tradename, trademark, or logo of the other party.

17. Neither party may assign or transfer its rights or obligations under this Agreement without the prior written consent of the other party. In no event, shall the license or use of the Institution's name, tradename, trademark, or logo be assigned to a parent, affiliate, or successor company formed by the merger or reorganization or similar corporate transaction of the University of Cincinnati with any other company.
18. This Institutional Articulation Agreement is in effect for three years beginning August 2017 through August 2020. Thereafter, this Agreement will be renewed every three years, in accordance with the State of Ohio's biennial budget process, unless either party gives the other a minimum of thirty (30) days prior written notice of non-renewal. Should the precepts of this agreement, in the interim, come in conflict with established policy at either institution, the established policy will take precedent and

the agreement will be reviewed for possible modification. In either event, care will be taken to insure that agreement modifications will not adversely affect students already enrolled and covered under the provision of the existing agreement.

19. The University of Cincinnati and Edison State Community College each reserve the right to terminate this agreement provided that at least one year's notice of a process terminated date is give.

**This agreement is effective as of: August 25, 2017**

**University of Cincinnati**

**Edison State Community College**
