## Curriculum Equivalencies

The following suggested course sequence includes all course requirements for this articulation agreement (e.g. courses required for the AA Social Work and remaining UC courses for the Bachelor of Social Work ONLINE). You should consult with an academic advisor each semester to ensure you maintain appropriate degree progress and are fulfilling all requirements for the agreement. Course sequencing below assumes a fall start date. If starting the program during any other term, please consult with your academic advisor. The sample map below is structured for the online BSW program only as it is typically a part-time completely online program that is completed over fall, spring, and summer semesters for two years. The BSW degree is also available on campus at the University of Cincinnati (consult that Articulation Agreement if you are interested in the on-campus program).

\*NOTE: Equivalencies listed here are only equivalencies and do not indicate applicability to the Bachelor of Social Work ONLINE program. Both institutions have partnered to ensure that the map listed here is accurate to the applicability of credit.

\*NOTE: Courses in ***bold italics*** denote courses offered to prepare for the Licensed Chemical Dependency Counselor III credential in the state of Ohio ([ocdp.ohio.gov/CounselorLicenses](http://ocdp.ohio.gov/CounselorLicenses)).

For details beyond course planning, please consult with your academic advisor or contact [credeval@uc.edu](mailto:credeval@uc.edu) to view the full agreement.
