Introduction: This agreement details the <u>applicability</u> of courses from the Thomas More University Bachelor of Arts in Communication degree to the Bachelor of Science in Communication Sciences and Disorders degree in the UC College of Allied Health Sciences. Students who follow the modified Bachelor of Arts in Communication degree curriculum at Thomas More University have partially satisfied the UC General Education requirement.	
Articulation Overview: Transfers from Thomas More University who have followed the prescribed modified program and are accepted into the UC College of Allied Health Sciences will enter with 63 hours (or in the third year of the program) of transfer credit applicable toward the Bachelor of Science in Communication Sciences and Disorders degree.	
Admission Criteria: Please note: completing the courses on the worksheet below does not guarantee admission to the UC Bachelor of Science in Communication Sciences and Disorders degree program. Minimum GPA: 3.00 BS Completion: Completion of this program may require more than four semesters to complete due to prerequisite requirements and the order in which required courses must be taken and are offered. UC academic advising staff will work with each transfer student to develop the most expedient pathway to graduation Admission Period: Thomas More University students must be admitted to the UC College of Allied Health Sciences during the duration of this agreement, i.e. between May 2019 and December 2022.	
Agreement Execution Date: May 2019	Agreement End Date: December 2022

EXECUTION, DURATION AND REVIEW OF AGREEMENT:

This agreement becomes effective upon its signing by the Deans of both Colleges and will remain effective for three years. At the end of this time, the agreement will be reviewed and may be renegotiated. Thomas More University and the UC College of Allied Health Sciences agree to keep one another informed as program changes affecting the agreement occur. The Deans of both Colleges will agree upon any future additions and/or amendments to this document in writing.

This agreement will be reviewed on an annual basis and is subject to change due to revisions in program curriculum.

Thomas More University students are encouraged to work closely with their academic advisor to monitor possible changes.
