

INSTITUTIONAL ARTICULATION AGREEMENT

BETWEEN

UNIVERSITY OF CINCINNATI

AND

ZANE STATE COLLEGE

The University of Cincinnati and Zane State College recognize the need to facilitate the transfer of students from Zane State College to the University of Cincinnati to pursue and achieve their educational goals.

The University is committed to excellence and diversity in our students, faculty, staff, and all of our activities. The University provides an inclusive environment where innovation and freedom of intellectual inquiry flourish. Through scholarship, service, partnerships, and leadership, the University of Cincinnati creates opportunity, develops educated and engaged citizens, enhances the economy and enriches our university, city, state and global opportunity. The University of Cincinnati is accredited by the Higher Learning Commission; Member-North Central Association (30 N. LaSalle Street - Suite 2400, Chicago, Illinois 60602-2504, (312) 263-0456 or (800) 621-7440).

Zane State College (Zanesville, OH) established in 1969, offers an accredited education at its campuses in Zanesville and Cambridge, Ohio. Zane State College is accredited by the Higher Learning Commission (hlcommission.org), a regional accreditation agency recognized by the U.S. Department of Education. Zane State College's over 40 two-year programs provide an experience-based education for modern careers. Students can also receive an affordable start on the first two years of their bachelor's degree at Zane State College before transferring to a four-year institution.

In an effort to ease the transfer process and to promote the closer coordination of academic courses, programs and degrees offered by our institutions, we do hereby enter into the following institutional articulation agreement, in accordance with the guidelines and recommendations of the Ohio Articulation and Transfer Policy (HB 95).

1. The University of Cincinnati and Zane State College shall adhere to the Ohio Articulation and Transfer Policy (HB 95).
2. Transfer students shall be subject to the catalog in force at the time of their admission to the receiving institution and to any revisions that occur after its publication and prior to their enrollment. Once admitted, transfer students shall be subject to the same regulations governing applicability of catalog requirements (including, but not limited to major, GPA, graduation, and/or residency requirements, policies, procedures, and standards) as native students. Furthermore, transfer students shall be accorded the same class standing and other privileges as native students on the basis of the number of credits earned.
3. Recognizing the system of preparation afforded by the completion of an Associate of Arts and Associate of Science (AA/AS) degree, and in accordance with the Ohio Articulation and Transfer policy, University of Cincinnati will guarantee admission to the college/university and afford junior standing to all students who have earned an AA/AS degree from Zane State College, provided their grade point average is at least 2.0 for all previous college-level courses.

Students completing an AA or AS at Zane State College will be considered to have met all lower division general education requirements at the University of Cincinnati.

4. Recognizing the system of preparation afforded by the completion of an Associate of Applied Business (AAB) or Associate of Applied Science (AAS) degree, the University of Cincinnati will guarantee admission to the university to all students who have earned an AAB or AAS degree from Zane State College, provided their grade point average is at least 2.0 for all previous college-level courses.

Zane State College and the University of Cincinnati will work together to maximize the acceptance and application of transfer credit for AAB and AAS graduates. This includes application to general education requirements.

5. Students so admitted will be considered for admission to selective programs (majors, minors, or fields of concentration) with the same guidelines that are applied to native University of Cincinnati students. Students are responsible for understanding and adhering to the selective admission requirements, according to catalog requirements, at the University of Cincinnati.
6. Students who have not completed their AA/AS/AAB/AAS degree, or who have earned a cumulative grade point average below 2.0, or those who have been dismissed previously from another institution will be considered for admission according to the admissions policy and standards of the University of Cincinnati, according to catalog requirements.
7. Under this agreement, students of Zane State College will be encouraged to complete their AA/AS/AAB/AAS degree before transferring to the University of Cincinnati.

Should a Zane State College student transfer to the University of Cincinnati prior to completion of an AA/AS/AAB/AAS degree, Zane State College shall provide the opportunity for students to subsequently complete the AA/AS/AAB/AAS degree in absentia using University of Cincinnati course credit. With student authorization, the University of Cincinnati agrees to supply information to Zane State College in order to facilitate this reverse transfer credit.

In this interest, all course work completed at the University of Cincinnati will be accepted and applied to AA/AS/AAB/AAS degree requirements at Zane State College consistent with the criteria used for native Zane State College students. The same course may also apply toward baccalaureate degree requirements at the University of Cincinnati.

8. Zane State College and the University of Cincinnati will work together to maximize the acceptance and application of transfer credit. Program specific Advising Guides supporting this institutional agreement will outline selective admission requirements, course equivalencies, and other information affecting students who enroll in a particular academic program. These supplemental programmatic Advising Guides must be consistent with the tenets of this overarching institutional agreement. Students transferring credit outside of programmatic Advising Guides will have the application of transfer credit done on a course-by-course basis by the University of Cincinnati. Ultimately, the acceptance and application of transfer credit is the decision of the University of Cincinnati.
9. The University of Cincinnati will provide Zane State College with course equivalent information regarding Zane State College courses and their University of Cincinnati equivalents. The University of Cincinnati will update the information and provide the most current equivalencies to Zane State College upon request.
10. Due to curriculum structures and the variability in student enrollment patterns, the University of Cincinnati cannot guarantee that students who transfer under the provision of this agreement will complete all the requirements to graduate from the University of Cincinnati within two years or by earning an additional 60 semester hours (90 quarter hours) at the University of Cincinnati.
11. The University of Cincinnati will report the number of transfer students from Zane State College for the previous academic year, upon request.

12. All collegiate level courses completed at Zane State College with a "D-" or better grade will be accepted for students who transfer with or without an earned AA/AS/AAB/AAS degree. These credits shall be accepted toward the student's class standing and shall be articulated to specific University of Cincinnati courses whenever possible.

It should be noted that the student may be required to retake any course in which s/he received a grade of "C or D" where there is a higher minimum grade required for all native University of Cincinnati students pursuing the same academic program. The application of this rule shall be the same for both native University of Cincinnati students and Zane State College transfer students.

13. Federal regulations mandate that financial aid can be disbursed to a student by only one institution during any given term. Financial aid eligibility through Zane State College ends when the student completes their ZSC degree and commences working upon a degree program at the University of Cincinnati. Financial aid consortium agreements will be available to students pursuing a bachelor degree at the University of Cincinnati and exercised where permissible, with the University of Cincinnati, serving as the home institution.

Thereafter, this Agreement will be renewed every three years, in accordance with the State of Ohio's biennial budget process, unless either party gives the other a minimum of thirty (30) days prior written notice of non-renewal. Should the precepts of this agreement, in the interim, come in conflict with established policy at either institution, the established policy will take precedent and the agreement will be reviewed for possible modification. In either event, care will be taken to insure that agreement modifications will not adversely affect students already enrolled and covered under the provision of the existing agreement.
