Professional Organizations and Networking Opportunities

**African Professionals Network (APNET)**
APNET engages diverse talents to enhance and support the African Diaspora experience through Networking (N), Business (B), and Community engagement (C). The African Professionals Network (APNET) brings together professionals of African origin and individuals interested in Africa to network with one another, foster partnerships, and give back to the community. APNET provides education, training and service through Networking, Business and Community-Engagement (N.B.C.) activities and offers members a way to link their personal passions with professional ambitions to create a platform for community improvement through collaborative effort. Membership is open to all.
