Shuttle Services - Bearcats Transit System (BTS)

SHUTTLE SERVICES GOALS
2019 - 2020

That 90% or more of our shuttles will run their routes with loop times equal to or less than those posted on transportation’s website for the entire year.

Monthly updates to our loop times by route will be published on our transportation website

Transportation Services will operate shuttles effectively to reduce the number of riders left behind by 10%. These results will be published on our website.

In the 1st 2018/19 Semester, there were 4,924 left behinds on the North route, and only 737 in the 2nd Semester.

Transportation Services will modify the VPC route by the beginning of the fall 19/20 semester to increase ridership on that route by 25% per month. The new route will be call Campus Express. Dates will be announced once available

Transportation Services will host 2 public forums. One will be hosted each semester of the 2019-2020 school year.
