Spring Semester 2015

**West Campus**

**Armory Fieldhouse Roof Replacement**
- Project is scheduled to be completed May 2015.
- Contact: PD&C Renovations 556-5200

**McMicken Hall Roof Replacement**
- Project is scheduled to begin spring 2015 and be completed summer 2016.
- Scaffolding and overhead protection will be in place at the exits.
- Fencing will be in place around the construction site.
- Contact: PD&C Capital Projects 558-8999

**Nippert Stadium Renovation**
- Nippert Stadium is under renovation until August 2015. Detour signage is posted to guide pedestrians around the site. The link below illustrates access pathways around the site. [http://www.uc.edu/af/pdc/construction.html](http://www.uc.edu/af/pdc/construction.html)
- The south, east, and west concourses of Nippert Stadium are currently closed for construction.
- Construction fence is in place on the Varsity Village plaza.
- Lindner center loading dock will remain operational but accessible only thru a new construction gate and guard post located by Dieterle.
- Backstage Drive will experience periodic closures north of the CCM plaza and around by the University Pavilion lower level plaza. Road closed barriers will be erected as needed and all closures will be coordinated with adjacent building operations and events.
- REC Center Bridge between MainStreet and the Lindner Center will remain open.
- Tennis courts will be available but accessible only from the gates along Corry.
- Four construction gates have been established to access the site:
  - North Gate (located near Steger Student Life Center on Main Street),
  - Field Level Gate (located at field level at the north end zone),
  - South Gate (located at the TUC dock),
  - East Gate (located near Dieterle and by the entrance to the Varsity Village garage).
- The South Gate by TUC is considered the primary gate access for west Nippert construction and TUC deliveries. A sheriff deputy is stationed at the South Gate M-F 6:00 AM – 6:00 PM.
- Non-routine (non-construction) deliveries to TUC should be scheduled with the TUC dock manager (513) 556-5273.
- The East Gate by Dieterle is considered the primary gate access for east Nippert construction and Lindner Center deliveries. A deputy is stationed at the East Gate M-F 7:00 AM – 5:00 PM.
- Men’s Basketball Game Days: A deputy is stationed at the East Gate 3 hours prior to the start of the game and remains at the post until 2 hours after the game has ended.
- Please contact PD&C Capital Projects at 558-8999 if there are any questions.
PEER Modular Site Development & Canopies
- The project is scheduled to be completed February 2015.
- Fencing will be in place around the construction site.
- Contact: PD&C Capital Projects 558-8999

Scioto Hall Renovation
- Project has begun, and it is expected to be completed summer 2016.
- Scioto Hall will be closed to all non-construction traffic and activity.
- A construction security fence is in place around Scioto Hall during the construction activities.
- The west fire lane is blocked to thru traffic and gates are in place for emergency equipment.
- Scioto Lane traffic will be one way heading south.
- University Ave. Garage access will not be blocked.
- Contact: PD&C Capital Projects 558-8999

Siddall / MarketPointe Pavement & Structural Renovation
- Project has begun and is scheduled to be completed April 2015.
- The plaza north of Siddall / MarketPoint is under construction.
- Detour signage has been posted to guide pedestrians around the site.
- Fencing is in place around the construction site.
- Contact: PD&C Renovations 556-5200

Teachers College/Dyer Rehab Phase 3
- Project has begun and is scheduled to be completed April 2016.
- Dyer Hall and portions of Teachers College are under renovation.
- Detour signage has been posted to guide pedestrians through the building.
- Fencing is in place around the construction site.
- Teachers College near McMicken Circle remains open.
- The Annie Laws breezeway and north wing entrance on the 400 level remain open.
- The 300 level south exit is restricted to emergency egress. Follow egress signage to the top of the concrete steps, and through the metal door leading to the sidewalk of the 400 level.
- Sealed fire rated barriers are in place between occupied spaces and the construction activities.
- Contact: PD&C Capital Projects 558-8999

West Campus Construction Restrictions
- No Construction Traffic permitted on the first 2 days of the semester (1/12/15 – 1/13/15) 7:00 a.m. – 4:00 p.m. nor on commencement 5/2/15
- No Construction Traffic 7:30 a.m. – 8:00 a.m. (M – F) when school is in session

East Campus

Kettering North Wing Demolition
- The Kettering North Wing is closed off.
- Construction barriers are in place.
- Abatement and demolition activities are underway.
- Construction areas are kept under negative air pressure, and the air is monitored during abatement activities.
- Contact: PD&C Capital Projects 558-8999 and EH&S 556-4968
