The campus of the University of Cincinnati is a safe and secure learning environment. During construction our walkways can be compromised. Please plan ahead when navigating the campus. Accessible pathways are illustrated in this map as a blue line. If you need assistance at anytime, please pick up one of the help phones indicated (as a phone symbol) in the area and explain your need. A UC representative will be able to assist you. If you have questions or concerns please call Planning+Design+Construction at 556-1933.
