THE MACE

The mace carried by the university marshal is the gift of Sigma Sigma. From the fourteenth century, the ceremonial mace was used by civil and ecclesiastical authorities. Today, carried as an emblem of authority and prestige, it is commonly used to indicate the official opening of ceremonies.

UNIVERSITY OF CINCINNATI SEAL

On September 26, 1904, upon the suggestion of Dr. Charles W. Dabney, President of the University, the Board of Directors adopted the insignia of the city of Cincinnati as the official University seal. The scales, sword and Mercury’s wand on a shield, along with the motto Juncta Juvant are mounted on a pointed ellipse surrounded by a belt bearing the words “University of Cincinnati” and the date 1819. Juncta Juvant literally means “Things joined are a help” (translated freely, “Strength in Unity”). In the space between the shield and the belt is a wreath of oak leaves. Below the shield is a scroll with the motto Alta Petit (translated freely, “She seeks the heights”).

ACADEMIC REGALIA

Academic costumes are as old as the universities themselves, recalling a time when all students in centers of higher learning were members of the clergy, and wore garments which were considered proper by the Church.

American universities, unlike those of England and Europe, have adopted a standard code of academic costume. The Oxford-type cap or mortarboard is always black and may be made of any material except velvet, which is reserved for doctors. The tassel worn with the cap has three variations: black for any degree; the color of the faculty in which the degree was granted; or made of gold metallic thread, reserved for doctors and governing officials of institutions.

Each person who receives a degree wears the gown appropriate to the degree granted. The bachelor’s gown is closed at the throat and has long pointed sleeves; the master’s gown has oblong sleeves, open at the wrist, tapering at the back in a square cut, which ends in an arc cutaway. The doctor’s gown is an elaborate one, marked by velvet panels down the front and around the neck as well as by three bars of the same material on the bell shaped sleeves. It is cut much fuller than the other gowns, and unlike them, may be ornamented in color. Both the paneling and sleeve bars may show the faculty in which the degree was awarded.

The hood alone clearly shows the level of the degree, the faculty in which it was given, and the institution which awarded it. The level of the degree is shown by the size of the hood, the width of the velvet trimming, and in the case of the doctor, by the shape. The bachelor’s, master’s and doctor’s hoods are three feet, three and one-half feet, and four feet long respectively; although bachelor’s seldom wear hoods anymore. The velvet trimming in the same order is two, three and five inches, extending around the hood on the exposed edge. For each faculty there is a corresponding color, so a glance at the trimming is all that is needed to identify the faculty. The institution which awarded the degree is indicated by the colored lining.

Members of the governing body of a college or university, whatever their degrees may be, are entitled to wear the gown warranted by their degree or a doctor’s gown. The doctor’s gown is trimmed in black velvet or the color representative of their degree, but their hoods may be only those degrees actually held by the wearer or those especially prescribed for them by the institution.

THE HERSCHEDE SOCIETY

At the University of Cincinnati, Joni Herschede is synonymous with the generous sharing of time, talent and treasure. The purpose of the Herschede Society is to recognize emeriti and retired Board Members of the University of Cincinnati Foundation, and to provide them a forum to remain active and engaged with the university, UC Health and the UC Foundation.

The Herschede Society was chartered on Friday, April 10, 2015. Fifteen members were inducted as charter members.

The UC community is grateful for the time and resources already contributed by Herschede Society members. We place a deep value on our emeriti and retired Board Members and want to ensure the relationship we have developed continues to grow. We hope, as our most avid supporters, they will maintain a level of involvement and activity that matches their interests and abilities with our common goal of advancing the University of Cincinnati, UC Health and the Foundation.

University of Cincinnati FOUNDATION
Spring 2019

Dear UC Graduates:

Congratulations to you (and your family) on the momentous occasion of your graduation from the University of Cincinnati, and joining the UC Alumni Family — well over 300,000 strong and growing!

They say “Timing is everything,” and certainly that applies with your graduation coinciding with UC’s Bicentennial. And while we’re marking the university’s 200th birthday, our celebration is really about all the people in our amazing, Boldly Bearcat family — all the way from Daniel Drake as he founded the Medical College of Ohio and Cincinnati College in 1819, to the Class of 2019 and beyond.

You now begin your alumni life with a vast, powerful network-in-waiting, because your fellow Bearcats are virtually everywhere and doing everything. They tell us that staying connected to the university and each other carries enormous advantages in life, and the UC Alumni Association (UCAA) makes it easy. We have 30+ alumni networks throughout the U.S. plus a vibrant Young Professionals group in Cincinnati. There are also alumni networks for each college, with others organized by shared interests. Plus, UCAA’s social media provides a continuous flow of relevant information to help you engage easily with others in the UC family.

You’re ready to do big things in life, and UC has prepared you well. So build on your tremendous education and personal UC experience — and don’t put college “behind you.” Coming to UC was a life decision, and staying engaged with UC is a lifelong adventure with endless rewards.

Again, congratulations from all of your fellow Bearcats. We’re thrilled to welcome you to the UC Alumni Family!

Sincerely,

Jennifer L. Heisey ’97
Executive Director, UC Alumni Association
Vice President for Alumni Relations, UC Foundation
