

Inclusive Excellence Workshop

Inclusion Advocacy In Support Of Equitable Hiring Processes

August 24 | 9:30-11:00 | TUC 425

Matthew Olovson
Executive Director, Equal Opportunity & Access

This 90 minutes seminar, facilitated by the Office of Equal Opportunity & Access, is designed to empower and engage the UC community in efforts ensuring equal employment opportunity and good faith, affirmative action practices diversifying the University workforce. Providing attendees with foundational policy information and compliance requirements, this session prepares search committee members, hiring units, and leadership to recruit strategically, equitably assess validated qualifications, structure fair hiring processes and champion workforce diversity across the organization. This program is designed to supplement, not replace, OEOA search committee consultations, particularly for individuals desiring to better advocate for inclusive employment practices at UC.
