

PROPOSED RESOLUTION
ON
FACULTY SENATE ELECTIONS AND REPRESENTATION FOR 2010-2011

Whereas collegiate restructuring is resulting in the move of several faculty to different colleges; and

Whereas some senators were elected in 2009 to two-year terms to represent colleges that will cease to exist as of July 1, 2010; and

Whereas the faculty senate seeks to resolve the membership conflicts precipitated by the restructuring in the most fair way possible;

Therefore be it resolved that for the 2010-2011 Academic year, those senators from colleges being merged who were elected in 2009 for a two-year term will be allowed to complete their term and will remain on the Faculty Senate as "Continuing Senators" for the 2010-2011 Academic year.

Be it further resolved that all faculty who will be moving to different colleges, including newly formed colleges, shall have the right to both stand for election and vote in the Spring elections in those colleges to which they either have moved or will be moving on or before July 1, 2010.
