Risk Control Award

This award (up to $1000) is sponsored by UC Department of Enterprise Risk Management and is given to a UC unit(s) and/or registered student organization(s) to develop or promote risk control initiatives that improve student experience. Risk control is taking proactive measures to prevent or reduce the impact of identified risks. Funds must be spent in accordance with all University policies and procedures. Examples may include:

- Securing equipment with locks
- Purchasing protective equipment to prevent injuries
- Hosting an event/training to raise awareness about a certain risk topic

Criteria:
The awardee(s) will demonstrate the following attributes:

- **Principle**: Demonstrates sound risk identification, assessment and evaluation of a particular risk (reference ERM website for additional information).
- **Influence**: Shapes knowledge, attitudes and behaviors toward a particular risk that may inform decision making, objectives and strategies.
- **Innovation**: Develops or utilizes new techniques to control the risk.
- **Effectiveness**: Takes actions that lead to measurable reduction of the risk.

Submissions:
Submissions will be accepted through 5pm November 23, 2018. To be eligible for the award, submit a <2 page proposal to ERM@UC.EDU including the following:

- Project Title:
- Project Owner:
- Project Sponsor:
- Project Description: What risk will this project address?
- Project Outcomes: What will be achieved by this project? Outcomes should be SMART - Specific, Measurable, Achievable, Realistic, and Time-Bound.
- Requested Amount: Provide the estimated funds needed for the project.
- Funds Purpose: Provide detail on specifically how the funds will be used.
- Date Needed: Provide date the funds are needed by.

Contact 513.558.5042 or ERM@UC.EDU with any questions.
