ARTICLE 1
PREAMBLE

Section 1.1. The Agreement, entered into by the University of Cincinnati, hereinafter referred to as the "Employer," and the Fraternal Order of Police, Ohio Labor Council, Inc., hereinafter referred to as the "FOP," has as its purpose the following:

To comply with the requirements of Chapter 4117 of the Ohio Revised Code; and to set forth in its entirety, the full and complete understandings and agreements between the parties governing the wages, hours, terms, and other conditions of employment for those employees included in the bargaining unit as defined herein.

Section 1.2. The mission of the Department of Public Safety is to promote a safe, secure and accommodating environment that furthers the University of Cincinnati's goals of education, research and public service.

ARTICLE 2
RECOGNITION

Section 2.1. The Employer recognizes the FOP as the sole and exclusive representative for all full-time employees in the bargaining unit as set forth in the certification issued by the Ohio State Employment Relations Board in case number 06-REP-11-0162, on August 23, 2007, including:

All full-time Police Officers of the University of Cincinnati, classified as University Law Enforcement Officer I, II or III:

but excluding:

All management level, supervisory, confidential employees as defined by the Act, all fiduciary, seasonal and casual employees as defined by the Board.

Section 2.2. The Employer will not recognize any other organization as the representative for any employee within the bargaining unit referenced above.

Section 2.3. In the event of a change of duties of a position within the bargaining unit, or in the event that a new position is created within the department, the Employer shall determine whether the new or changed position will be included in or excluded from the bargaining unit and shall so advise the FOP in writing within thirty (30) calendar days. If the FOP disputes the Employer's determination of bargaining unit status, the parties shall meet as soon as possible to attempt to resolve their disagreement. If the parties agree on the determination, it shall be implemented as agreed by the Employer and the FOP; except that if the change would represent a change to the bargaining unit or either party believes it is not clear whether the change would represent a change to the unit, the parties will submit a joint petition to SERB to clarify or amend the bargaining unit.

If the parties do not agree, the position shall be subject to the challenge by the FOP to the State Employment Relations Board pursuant to Chapter 4117 of the Ohio Revised Code and the SERB Rules and Regulations.

ARTICLE 3

UNION SECURITY AND DUES DEDUCTION

Section 3.1. The Union shall fairly represent all employees covered under this Agreement. Therefore, as a condition of employment, employees who are covered under this Agreement shall, within (sixty) 60 days of employment or within (sixty) 60 days of the effective date of this Agreement (whichever is later), either execute a union membership and payroll dues deduction form or shall have a fair share fee deducted from their payroll checks.

On or before December 31 of each year, the Union shall submit to the University a letter from an officer of the Union which specifies the amount constituting the fair share fee for the upcoming year, which amount shall not exceed the dues uniformly required of members of the Union. The letter shall certify to the University that a fair rebate procedure has been distributed to non-members. Following receipt by the

University of the Union's letter, the University shall adjust the amount of the established fair share fee in accordance with the information provided in the Union's letter, effective with the next paycheck due to members of the Bargaining unit, no sooner than ten (10) days following receipt of the Union's letter.

An employee who exercises his/her rights under Ohio Revised Code 4117.09(c) shall, after a determination has been made in her favor by the SERB, meet with the Union to jointly select a lawful charitable fund to which the University shall, as a condition of employment, remit an amount equal to the fair share fee on a monthly basis.

Section 3.2. On a biweekly basis, the University shall deduct the dues established by the Union from the payroll check of each union member who has authorized such a deduction and the established fair share fee from each non-member. These deductions shall be transmitted to the Union no later than the tenth (10th) day of the following month, together with an alphabetized list of all employees and the amount deducted from each. A dues deduction authorization is irrevocable for a period of one (1) year from August 1 preceding the date of its delivery to the University, or until the employee moves into a classification not represented by the Union or employment is terminated (whichever occurs sooner). This authorization shall be automatically renewed each August 1 thereafter and shall be irrevocable for said periods of one (1) year unless written notice revoking such authorization is given to the University within the first twenty (20) days of July.

Section 3.3. As an express condition of the University's agreement to grant a fair share fee arrangement to the Union, the Union agrees to hold harmless the University for claims, demands, actions, complaints, suits or other forms of litigation or arbitration, whether or not the Union is a party, that shall arise by reason of actions taken by the University for the purpose of complying with the provisions of this article with respect to the collection of fair share fees or in reliance on any list, notice certification, affidavit or assignment furnished under

any of such provisions by the Union. If the Union is a party, the Union's counsel shall be lead counsel during any litigation or arbitration concerning the fair share fee.

Section 3.4. The University shall provide a copy of this Agreement and a membership and dues deduction authorization form to bargaining unit employees at the University orientation program. The Union will be notified and provided with a schedule of the orientation program that new bargaining unit members will be attending. If the Union wishes to meet with these employees, it will be given the opportunity to do so on the day of the orientation program.

Section 3.5. By the tenth (10th) day of each month, the University shall provide the Union with an alphabetical listing of all bargaining unit employees hired in the previous month, including their date of hire, classification, status, work location, rate of pay, home address and phone numbers. In addition, the list shall include any promotions, demotions and transfers (with the employees' previous and new classifications and work locations), terminations and resignations, departures from the bargaining unit and leaves of absence. The University will work with the Union in an effort to provide the monthly information on computer disk, instead of paper copy, depending on computer compatibility.

ARTICLE 4

FOP REPRESENTATION

Section 4.1. Representative(s) of the FOP shall be admitted to the Employer's facilities for the purpose of processing grievances or attending meetings as permitted herein. Upon arrival, the FOP representative shall identify himself/herself to the Employer or the Employer's designee.

Section 4.2. The Employer shall recognize four (4) employees, designated by the FOP, to act as FOP associates for the purposes of administering the collective bargaining agreement. The associates shall be recognized as

representatives, as provided herein. The bargaining committee shall consist of six (6) employees.

Section 4.3. The FOP shall provide to the Employer an official roster of its officers and associates which is to be kept current at all times and shall include the following:

- A. Name
- B. Address
- C. Home telephone number
- D. Immediate Supervisor
- E. FOP office held

No employee shall be recognized by the Employer as a FOP associate until the FOP has presented the Employer with written certification of that person's selection.

Section 4.4. Associates may spend no more than eight (8) working hours per work week administering the agreement, except that the designated steward may spend up to twelve (12) hours per week. Such release time is non-cumulative. Such activity shall not interfere with the performance of the associate's assigned duties.

After obtaining permission to engage in representational activities as provided for in this Section, each associate will notify the appropriate supervisor of his/her absence from his/her work assignment. Upon entering any work area other than his/her own work area, and prior to engaging in any representational activities provided for in this Section, the associate shall request permission from the appropriate supervisor of such work area, and shall identify the nature of the representational activity he/she is to perform.

Section 4.5. The FOP agrees that no representative or associate of the FOP, either employee or non-employee of the

Employer, shall interfere, interrupt, or disrupt the normal work duties of employees. Further, the FOP agrees not to conduct meetings (bargaining unit, lodge, or committee meetings) involving on-duty employees except to the extent specifically authorized by the Employer. Bargaining unit members shall not conduct FOP business (defined as fund raising activities, solicitation for memberships, or distribution of literature) on behalf of the FOP or any FOP Lodge, during the work time of any involved employee. Unauthorized activities shall cease upon the demand of a supervisor, and any failure to cease unauthorized activities may subject the offending employee(s) to disciplinary action.

Section 4.6. FOP Bargaining Committee. The wage demands have been submitted in good faith. All members of the Fraternal Order of Police Wage Committee shall be free from coercion, intimidation, discrimination, transfer (in retaliation for engaging in collective activities), threats or other detrimental actions.

Section 4.7. The FOP shall be permitted to utilize the intradepartmental mail system in order to communicate confidentially with bargaining unit members and to use the e-mail system. The FOP shall also be able to place correspondence in the employee's mail bins.

Section 4.8. The FOP shall be permitted, upon prior notification to the Employer, to place ballot boxes in each division or facility for the purpose of collecting employees' ballots on FOP issues subject to ballot. Ballot boxes and their contents are the property of the FOP and shall not be subject to review by the Employer or non-bargaining unit staff.

Section 4.9. The FOP shall be permitted to address all new bargaining unit members during regularly scheduled classroom training/orientation before such members complete their training period. The presentation shall be scheduled by the Employer on request of the union and shall not exceed thirty (30) minutes in duration.

Section 4.10. During each calendar year, the two (2) FOP associates shall each be granted two (2) days in paid status and reasonable time off duty without pay to attend the state or national conferences of the FOP provided that the FOP submits written notification to the Chief of Police (or designee) at least fourteen (14) calendar days prior to the date of the function. To the extent any such time off without pay is during the associate's scheduled working hours, time off may be charged to vacation or compensatory time, at the option of the associate. In addition, with the approval of the Chief of Police (or designee), associates may have the option of changing their regularly scheduled days off to avoid the use of vacation or compensatory time off for attendance at the FOP conferences. The request must be submitted by the delegate in writing not less than fourteen (14) calendar days prior to the days for which the leave is requested.

Written request for release time for activities specified in this Article shall be provided to the appropriate supervisor as far in advance as possible. Such release time shall not unreasonably interfere with the efficient operation of the released employee's work area. Such release time shall not be unreasonably denied.

The Chairman of the FOP Bargaining Committee shall maintain a record of all release time provided for in this Section, and shall ordinarily provide a bi-monthly report to the Chief during the first seven (7) calendar days of each even-numbered month. This report shall contain the date, number of hours of release time, name of FOP member released, and the nature of the representational activity for each release time occurrence within the previous calendar month.

ARTICLE 5

MANAGEMENT RIGHTS

Except as specifically limited by the provisions of this Agreement and University Rules and Policies, the management of the University and the direction of the working force, including the right to hire, promote, transfer, demote, layoff, discharge or discipline for just cause in accordance with

the provisions of the Contract is the responsibility of the University. In addition, the work to be performed, the location of the work, the methods or processes, the organization of departments, and the amount of supervision are the responsibility of the University. It is further understood that nothing in this Agreement shall be construed as delegating to others the authority conferred by law on any University official, or in any way abridging or reducing such authority. The above statement of management rights is understood to be descriptive and explanatory and is not restrictive subject to the rights listed in ORC 4117.08(C) – 4117.08(C) (9) or the provisions of this Article.

During the term of the Agreement, management shall bargain with the Union regarding the impacts and effects of the exercise of its rights on employees' terms and conditions of employment. The parties shall bargain in good faith and attempt to reach agreement when bargaining over the impacts and effect of management's decisions. If no agreement is reached, management reserves the right to implement its decision provided such implementation results in no violation of this Agreement.

ARTICLE 6 **NON-DISCRIMINATION**

Section 6.1. The Employer and the FOP agree not to discriminate against any bargaining unit employee with respect to compensation, terms or conditions of employment because of such individual's race, color, religion, sex, sexual orientation, age, national origin, disability, ancestry of any person, or FOP membership or non-membership. Management's use of bona fide occupational qualifications in accordance with job characteristics shall not be construed as discrimination, therefore not subject to the Grievance Procedure Article.

ARTICLE 7 **LABOR/MANAGEMENT MEETINGS**

Section 7.1. In the interest of sound labor/management relations, the Employer and/or designee(s) shall meet as necessary, but no more than once per month without agreement, with not more than three (3) employee representatives of the FOP to discuss pending problems and to promote a more harmonious labor/management relationship when requested.

Section 7.2. An agenda will be exchanged by the parties at least seven (7) working days in advance of the scheduled meeting with a list of matters to be taken up in the meeting and the names of those FOP representatives who will be attending. The purpose of such meeting shall be to:

- A. Discuss the administration of this Agreement.
- B. Notify the FOP of changes made by the Employer which affect bargaining unit members of the FOP.
- C. Disseminate general information of interest to the parties.
- D. Discuss ways to increase productivity and improve effectiveness.
- E. To consider and discuss health and safety matters relating to employees.

Section 7.3. This Article is not intended to be a vehicle to modify or change any provisions of this Agreement.

ARTICLE 8 **GRIEVANCE PROCEDURE**

Section 8.1. The term "grievance" shall mean an allegation by a bargaining unit employee that there has been a violation of one or more terms of this Agreement. It is not intended that the grievance procedure be used to effect changes in the Articles of this Agreement. It is not intended that the grievance procedure be used to effect changes in those matters which

are controlled by the provisions of Federal and/or State laws and/or by the United States or Ohio State constitution.

The parties agree that disputes should be resolved as soon as possible, therefore, employees and the FOP shall attempt to resolve disputes before resorting to initiating a grievance pursuant this article.

Section 8.2. All grievances must be presented at the proper step and time in progression in order to be considered at the next step. Grievances involving lost pay discipline (suspension, demotion or discharge) shall be initiated at Step ~~2. 3.~~

The grievant or the FOP may withdraw a grievance at any point by submitting, in writing, a statement to that effect, or by permitting the time requirements at any step to lapse without further appeal.

Any grievance not answered by the Employer's representatives within the stipulated time limits may be advanced by the grievant to the next step in the grievance procedure. Time limits set forth herein may only be extended by mutual agreement.

A grievance may be brought by any member of the bargaining unit. Where a group of bargaining unit employees desire to file a grievance involving a situation affecting more than one (1) member of the bargaining unit in a similar manner, one (1) member selected by such group will process the grievance, and shall so indicate that the grievance is a group grievance.

Wherever used in this procedure, the word "day" shall mean calendar day. Whenever a time limit ends on a Saturday, Sunday, or a holiday, the end of the time limit shall run until the end of the next day which is not a Saturday, Sunday or holiday.

Section 8.3. A grievance must be submitted to the grievance procedure within fourteen (14) calendar days after an

employee knows or should have known the facts giving rise to the grievance, otherwise it will be considered not to have existed.

Section 8.4. All grievances must be submitted in writing and should contain the following information to be considered:

- A. Grievant's name and signature;
- B. Date, time and location of grievance;
- C. Description of incident giving rise to the grievance;
- D. Date grievance was first discussed;
- E. Name of supervisor with whom grievance was first discussed;
- F. Date grievance was filed in writing;
- G. Article(s) and Section(s) of the Agreement alleged to have been violated; and
- H. Desired remedy to resolve grievance.

Section 8.5. The following steps shall be followed in the formal process of a grievance:

Step 1: A grievance may be submitted by the grievant to the Police Chief or designee, whichever is applicable, within the time limits set forth in Section 8.3 above. It shall be the responsibility of the Police Chief or designee to investigate the matter and to provide a written answer to the grievant within ten (10) calendar days following the day on which the matter was submitted to the Police Chief.

Step 2: A grievance unresolved at Step 1 may be submitted by the grievant to the Director of Labor Relations or designee within seven (7) calendar days of the presentation of the Step

1 answer. The Director of Labor Relations or designee shall meet with the grievant, and representative of the FOP if the grievant desires, within seven (7) calendar days of submission of the grievance to Step 2, to discuss the grievance. The Director of Labor Relations or designee shall provide a written answer to the grievant within ten (10) calendar days of such meeting.

Step 3 Arbitration: A grievance unresolved at Step 2 may be submitted to arbitration upon request of the FOP.

The FOP, based upon the facts presented, has the right to decide whether to arbitrate a grievance. Within twenty-four (24) calendar days from the date of the final answer on a grievance from Step 2, the FOP shall notify the Director of Labor Relations of its intent to seek arbitration over an unresolved grievance. The FOP may withdraw its request to arbitrate at any time prior to the actual hearing. Any cancellation fee due the arbitrator shall be paid by the party or parties canceling the arbitration unless otherwise agreed to. Any grievance not submitted within twenty-four (24) calendar day period described above shall be deemed settled on the basis of the last answer given by the Employer or representative(s).

- A. The arbitrator shall be selected in the following manner: The Federal Mediation and Conciliation Service (FMCS) shall be jointly requested to submit a panel list of nine (9) arbitrators from Ohio. The parties shall alternately strike the names of the arbitrators until only one (1) name remains. Either party may once reject the list and request from FMCS another list of nine (9) names until a mutually agreeable arbitrator is selected. The parties may at any time mutually agree to an alternate arbitration service or method of selection of an arbitrator.

- B. If either party challenges the arbitrability of a grievance, it shall notify the other party of its challenge and intent to raise the issue at the arbitration hearing. At the

hearing, the first question to be placed before the arbitrator is whether or not the issue is arbitrable and within his/her jurisdiction to decide. If the arbitrator determines the grievance is arbitrable, the grievance will be heard on its merits before the same arbitrator. The arbitrator shall limit his/her decision strictly to the interpretation, application, or enforcement of specific Articles of this Agreement. He/she may not modify or amend the Agreement. Five (5) days before the beginning of an arbitration hearing the parties shall exchange witness lists and copies of all documents which they intend to use at the hearing.

- C. The decision of the arbitrator shall be final and binding on the grievant, the FOP and the Employer. The arbitrator shall be requested to issue his/her decision with thirty (30) calendar days after the conclusion of testimony and arguments and submission of final briefs.

- D. The fees and any other costs for the services of the arbitrator, the cost of any proofs produced at the direction of the arbitrator, the fee of the arbitrator, and the cost of the hearing room, if any, shall be borne equally by the Employer and the FOP. The fees and costs, if any, of any non-employee witnesses shall be borne by the party calling them. The fees of the court reporter shall be paid by the party asking for one, or split equally by the parties if both parties desire a court reporter, or request a copy of any transcripts. Any bargaining unit member whose attendance is required for such hearing shall not lose pay or benefits to the extent such hearing hours are during his/her normally scheduled working hours on the day of the hearing.

Section 8.6. When an employee covered by this Agreement chooses to represent himself/herself in the presentation of a grievance, no adjustment of the grievance will be inconsistent with the terms of this Agreement. Prior to the adjustment of

any such grievance, the appropriate FOP representative will be notified of his/her right to be present at the adjustment.

Section 8.7. The FOP shall use a grievance form which shall provide the information outlined in Section 8.4. The FOP shall have the responsibility for the duplication, distribution, and their own accounting of the grievance forms.

ARTICLE 9 **DISCIPLINE**

Section 9.1. The following language on Discipline is the sole source of rights and obligations of the parties to this contract in these matters.

Section 9.2.

- A. An employee may receive discipline for just cause.

- B. The University may take disciplinary action against any employee for actions occurring while the employee is on duty, or off duty actions that negatively impact the employee's ability to function in the community, or working under the colors of the University, or where the employee's conduct violates his/her oath of office.

- C. Employees shall have the right to Union representation at all hearings to determine discipline and conferences that may result in corrective action, or may choose to present their own case. The Union representative shall not interfere with the investigation, and shall be entitled to speak at the end of the interview. An employee shall be provided a reasonable opportunity to caucus with his/her Union representative.

- D. Discipline shall be taken according to the seriousness of the offense and the basic purpose of such action is corrective and not punitive. The University shall administer progressive discipline that provides the employee the opportunity to understand a problem and the steps necessary to improve identifiable deficiencies.
- E. Discipline may be in the form of, but not necessarily start at,
written reprimands, suspensions up to thirty (30) calendar days, demotion and/or discharge.
- F. Employees subject to all written discipline (up to and including dismissal) shall receive notification of the actions in writing.
- G. Employees who are subject to discipline (except for failure to qualify
at the end of their initial probationary period) that immediately results in a suspension, demotion or dismissal shall have a pre-disciplinary conference conducted by a hearing officer prior to the imposition of said action. All charges against the employee shall be in writing (charge letter) and specifically state in detail the alleged infraction and the anticipated discipline. If facts arise during investigation that cause the anticipated discipline to be revised, nothing shall prohibit such revision. The employee against whom charges are issued, or the University, shall have the right to one continuance of the scheduled conference. Such continuance must be requested at least one (1) working day in advance of the scheduled conference. Such continuance shall not exceed fourteen (14) calendar days unless another time is mutually agreed to.

The employee must choose to: (1) appear at the disciplinary conference and present an oral or written statement in his/her defense; (2) appear at the disciplinary conference and have one (1) chosen representative present an oral or written statement in his/her defense; or (3) elect in writing to waive his/her opportunity to have a disciplinary conference. Failure of the employee to elect and pursue one (1) of these three (3) options will be deemed a waiver of the employee's right to the disciplinary conference.

At the disciplinary conference, the employee may present any testimony, witness, or documents which explain whether or not the alleged misconduct occurred.

Discipline involving suspension, demotion, or dismissal shall be imposed by the hearing officer only after issuing the findings and decision. The hearing officer may impose warning letters in place of suspensions. Such warning letters will carry the same weight as the suspension they replace and will be so evaluated in determining its appropriateness and in the assessment of any subsequent action. The Hearing Officer shall issue a written report within ten (10) calendar days of the conclusion of the conference.

Should an employee decide to file a grievance over action taken as the result of a pre-disciplinary conference, such grievance shall be initiated at Step Two (2) of the grievance procedure.

- H. An employee charged with or under indictment for a felony, or any crime which results in a weapons disability, may be placed on a paid leave of absence or assigned to an

administrative function in an un-armed status until resolution of the court proceedings. Upon a resolution of the proceedings, the employee may be subject to discipline by the University under Section C of this Article.

- I. The University reserves the right to terminate employment for the following reasons:
 1. Voluntary resignation;
 2. Discharge for just cause as set forth in this Article, Section 2,
 - A.
 3. Failure to return from a leave of absence within seven (7) calendar days of the issuance of a certified letter from the University or other mutually agreed to time frame.
 4. Failure to return from a layoff within fourteen (14) calendar days of the issuance of a certified letter from the University.
- J. After twenty-four (24) months from date of issue, loss of pay discipline shall not be considered in any subsequent determination of discipline unless there has been discipline in the intervening period, and the force and effect period for reprimands shall be twelve (12) months.
- K. In all cases of dismissal, the employee is entitled to payment of all wages due.

- L. Employees who have been notified of an upcoming administrative hearing may meet with their steward during working hours with no loss of pay or benefits to prepare for the hearing; such meetings shall be for a reasonable period of time.
- M. Employees have the right to appeal discipline through the grievance procedure, however, reprimands may not be taken past Step 2.
- N. Employee tracking system entries shall be removed from all files, including but not limited to paper and electronic no later than ONE year from the time of creation.

Section 9.3. Whenever the Employer or designee(s) questions or interrogates bargaining unit members in reference to alleged or suspected misconduct, either in preliminary investigations or in disciplinary hearings, the following conditions shall apply:

- A. Employees being questioned as witnesses shall be so informed.
- B. When an employee who is suspected of misconduct is questioned or interrogated regarding such misconduct, he/she shall be apprised of the nature of the suspected misconduct as it is known at that time and his/her right to have the opportunity to have a FOP representative present to advise him/her during the questioning.
- C. Prior to questioning, employees (including witnesses) shall be informed that failure to respond or failure to respond truthfully may result in disciplinary action for insubordination or dishonesty. Employees shall also be informed of their Garrity and Piper warnings at this time, if the employer decides to utilize the warnings.
- D. Preliminary investigations and disciplinary hearings shall be held either during an employee's scheduled

working hours or at a time in reasonable proximity to his/her shift.

Tests including but not limited to fingerprints, hair samples, breath, blood, urine, chemical analysis, and psychological evaluations shall be conducted within the confines of the law.
- H. Any employee required by the Employer to attend an investigatory interview or disciplinary hearing outside of his/her scheduled working hours shall be paid for all such time.

Section 9.4. All complaints will be investigated. Complaints with no corroborative evidence shall not be cause for disciplinary action.

Section 9.5. Disciplinary action must be instituted within thirty (30) days of when the employer became aware of the employee's alleged misconduct. The thirty (30) day period may be extended if the employer has a legitimate business reason.

Section 9.6. Employees shall be given a written status of any internal investigation or non-disciplinary complaint filed on an officer within thirty (30) days of the filing.

ARTICLE 12 **SENIORITY**

Section 12.1. "Seniority" shall accrue to all employees in accordance with the provision of this Article. Seniority, as defined in Section 12.2 of this Article, will apply wherever employee seniority rights are established in the terms and conditions of this Agreement.

Section 12.2. "Seniority" shall be computed on the basis of uninterrupted length of continuous service in the bargaining unit classification. Ties will be broken by uninterrupted time served as an employee of the public safety department. If a tie still exists, it will be broken by uninterrupted time served as an employee of the University. If a tie still exists, it will be broken by employee test scores and if necessary by the date of application to the public safety department. Lastly for employees hired before January 1, 2005, if a tie still exists after the criteria in Article 12, Section 12.2 has been exhausted it shall be broken by alphabetical order of the first letter of the employee's last name.

- A. The following situations shall not constitute a break in continuous service:
1. Absence while on approved leave of absence;
 2. Absence while on approved sick leave, disability leave, injury leave or FMLA;
 3. Military leave; and

4. A layoff of three (3) year's duration or less if they are working in a capacity that keeps their OPOTA certification current if not the period shall be one (1) year.

B. The following situations constitute breaks in continuous service for which seniority is lost:

1. Discharge or removal for just cause (if reinstated seniority is unbroken);
2. Retirement;
3. Layoff for more than three (3) years if they are working in a capacity that keeps their OPOTA certification current if not the period shall be one (1) year;
4. Failure to return to work after fourteen (14) calendar days of a recall from layoff unless a different date is mutually agreed upon;
5. Failure to return to work at the expiration of leave of absence; and
6. A resignation.
7. Any person who has not been in the bargaining unit for one (1) year or more.

Section 12.3. The Employer shall post a seniority list, once every six (6) months, on the department bulletin board showing the continuous service of each employee. One (1) copy of the seniority list shall be furnished to the FOP upon request.

Section 12.4. Employees laid off shall retain their seniority for a period of three (3) years from the date of layoff if they are working in a capacity that keeps their OPOTA certification current if not the period shall be one (1) year.

ARTICLE 13

LAYOFF AND RECALL

Section 13.1. When the Employer determines that a long-term layoff is necessary, it shall notify the affected employees and the FOP thirty (30) calendar days in advance of the effective date of the layoff. The Employer, upon request from the FOP, agrees to discuss, with representatives of the FOP, the impact of the layoff on bargaining unit employees. Any layoff in the bargaining unit shall be instituted in accordance with seniority, as defined in Article 12 of this Agreement. Layoffs shall be in order of inverse seniority.

Employees serving an initial probationary period shall be laid off before permanent members of the bargaining unit.

No employee outside the bargaining unit shall be permitted to displace any bargaining unit member.

Section 13.2. Employees who are laid off shall be placed on a recall list for a period of three (3) years if they are working in a capacity that keeps their OPOTA certification current, if not the layoff period shall be one year. If there is a recall, employees who are still on the recall list shall be recalled, in the inverse order of their layoff, provided they are presently qualified to perform the work in the work section to which they are recalled. Any recalled employee requiring additional training to meet the position qualifications in existence at the time of recall must satisfactorily complete the additional training requirements within twelve (12) months of the recall. Any refresher training required in this Section shall be at the Employer's expense.

Section 13.3. Notice of recall shall be sent to the employee and the FOP by certified mail. The Employer shall be deemed to have fulfilled its obligations by mailing the recall notice by certified mail, return receipt requested, to the last mailing address provided by the employee.

Section 13.4. The recalled employee shall have five (5) calendar days following the date of delivery of the recall notice to notify the Employer of his/her intention to return to work and shall have fourteen (14) calendar days following the delivery of the recall notice in which to report for duty, unless a different date for returning to work is otherwise specified in the notice.

ARTICLE 14

SUPERVISORY VACANCIES

Section 14.1. Whenever the Employer determines that a permanent vacancy exists, notices of such vacancy shall be posted on the university recruitment site and distributed by e-mail or posted on the bulletin boards where employee notices are usually posted for ten (10) calendar days. During the posting period, any eligible person wishing to apply for the vacant position shall do so by submitting an online written application to the Human Resources Department or designee. The Employer shall not be obligated to consider any applications submitted after the posting period or any applicants who do not meet the minimum qualifications for the job.

In order to be eligible for a promotional examination, an applicant must have or will have completed the required length of service (as stated on the examination posting) in the immediately preceding rank prior to the date of the examination.

Section 14.3. If the structure of an examination includes credit for seniority and/or efficiency, an employee must achieve a passing score on all other factors in order to receive seniority and/or efficiency credit. Seniority credit shall be based upon service completed as of the date of the examination. Efficiency credit shall be based upon the last completed evaluation as of the date of the examination, and will consist of the overall evaluation score, with a maximum of five (5) points. The maximum credit for seniority is five (5) points, and will be based on the overall seniority pool (zero (0) for the least senior officer, and five (5) for the most senior officer).

Section 14.4. Eligibility lists (established by examinations, assessments and testing procedures) shall remain in effect for one (1) year from the date of certification of the results by the testing service, or until the list is exhausted, whichever comes first. The parties may by mutual agreement extend the eligibility list for one (1) year. Copies of eligibility lists shall be provided to the FOP. Any bargaining unit member may inspect his/her written examination within thirty (30) calendar days from the date of certification.

Section 14.5. The selection shall be made from the top five (5) employees on the eligibility list for each position.

Section 14.6. Nothing in this Article shall be construed to limit or prevent the Employer from temporarily filling a vacant position pending the Employer's determination to fill the vacancy on a permanent basis. Temporary position holders shall receive no additional credit on the examination process.

Section 15.1. The Employer agrees to provide bulletin board space in agreed upon areas of the facilities for use by the FOP.

ARTICLE 16

WORK RULES - GENERAL ORDERS

Section 16.1. The Employer agrees that all General Orders, Standards of Conduct, Rules and Regulations, Policies, Procedures, Directives and Work Rules shall be applied uniformly within the group of employees to which such are directed. For the purposes of this Article all of the above shall be considered inclusive within the terminology of Work Rules/General Orders.

The Work Rules/General Orders shall be kept current at all times. The Employer shall also post the Work Rules/General Orders online. An employee shall be provided with a flash-drive upon request.

Section 16.2. Every employee shall be informed of and shall have access to copies of work rules/general orders which apply to such employee.

Section 17.1. All performance evaluation policies and procedures as established by the Employer shall be applied to bargaining unit employees in a consistent and equitable manner.

Section 17.2. When an employee has worked under the direction of more than one (1) primary supervisor during any evaluation period, the input of each primary supervisor shall be considered in the preparation of the performance evaluation.

Section 17.3. The results of any performance evaluation shall not be subject to the grievance procedure provided for in this Agreement. An employee may, however, utilize the current review procedure which includes a review by the Chief of Police. Evaluations that have comments from an employee shall be initiated by the Chief of Police and returned to the employee.

Section 17.4. The employee's performance shall be evaluated based upon the duties and functions prescribed in the University's position specifications for his/her classification.

Section 17.5. Upon written request to the Chief of Police, an employee shall have any personnel evaluations which are more than three (3) years old removed from his/her personnel file and returned to the employee consistent with all legal requirements.

Section 17.6. The current review procedure referenced in 17.3 is as follows:

- 2) The employee at this time may rebut the evaluation with his/her comments.
- 3) The evaluation then goes to the Chief where he/she reviews and initials/signs the form and a copy is sent back to the employee.
- 4) If the Chief is the reviewer, the employee may still place comments on the form which will be reviewed by the Chief and returned to the employee.
- 5) Each employee may request a meeting with the Chief to discuss his/her evaluation. If the employee proves a section(s) is/are inaccurate the Chief will correct the score.

ARTICLE 18

HOURS OF WORK AND OVERTIME

Section 18.1. Each employee's work schedule for officers assigned to the Uptown Campus patrol duties shall be ten (10) hour days with a rotation of five (5) ten (10) hours days followed by three (3) consecutive off days for a three (3) week period, and a rotation of five (5) ten (10) hour days followed by

four (4) consecutive days off for a one (1) week period and a rotation of four (4) ten (10) hours days followed by four (4) consecutive off days for a two (2) week period. These rotations shall repeat themselves every six (6) weeks.

Officers assigned to specialty units generally shall work eight (8) hour days on a Monday – Friday schedule with Saturdays and Sundays off.

If the Employer decides that a change in the above listed work schedule is necessary for the efficient running of the Police Department, a Labor Management meeting shall be convened to explore alternative work schedules that are agreeable to the parties. If a consensus is unable to be reached the Employer may implement the change(s) subject to the grievance procedure.

The Employer may temporarily adjust an Employee's work schedule based on legitimate operational needs. Whenever practicable, the Employer will give the Employee seven (7) days prior notice. The Employer shall ask for volunteers before an Employee is mandated to a different schedule. Barring a state of emergency, as declared by the Police Chief, an on-duty officer may be assigned to a detail post in only the following situations:

1. An officer assigned to the detail has called in sick.
2. The need for the detail post was identified to management within the last 12 hours
3. All efforts have been made to fill the detail post including mandating officers, as permitted by Article 18.10, and the detail post remains unfilled.

If assigned to a detail post from an on-duty shift, the officer shall have the opportunity to use time from the officer's time banks (excluding sick time) during the hours they are assigned to the detail, and be compensated at the detail's rate. Assigning an officer from an on-duty shift to a detail shall not cause the number of officers working a shift to fall below minimum staffing of 3 officers.

Schedules for Employees working at branch campuses shall be determined by the department and the appropriate branch campus.

Unless an emergency is declared by the chief, no employee shall be required to work in excess of sixteen (16) hours in a twenty-four (24) hour period. The employer shall make a concerted effort not to require any employee to report to work with less than an eight (8) hour break after clocking out including shifts and details unless mutually agreed to by the parties. Unscheduled overtime and court time shall not be considered part of these calculations.

Section 18.2. The standard work period for all bargaining unit employees, shall consist of no more than forty (40) hours, inclusive of any roll call time, within a seven calendar day period described as Sunday through Saturday. Third shift employees working through daylight saving time change in the spring season will receive normal full day compensation without altering work schedule hours. Third shift employees working through daylight saving time change in the autumn season will extend the standard work period by one (1) hour which shall be considered overtime.

Section 18.3. Shift assignments shall be made based on the operational needs of the department. Consideration shall be given to an employee's efficiency, seniority, and disciplinary record. Efficiency will be determined by the employee's most recent evaluation and those who meet expectations or better shall receive five (5) points. Discipline at the level of written reprimand will result in a five (5) point reduction, and discipline at the suspension level will result in a ten (10) point deduction seniority points will be credited up to five (5) points. Shift preferences are to be submitted during the month in which Spring commencement occurs in every even-numbered year. Shift assignments shall be announced forty-five (45) days prior to the beginning of the academic year, and shift changes shall be effective no later than the first Sunday prior to the start of the Autumn school schedule. When an officer is transferred from one work assignment to another, one of two possibilities

will occur. If the officer was transferred due to administrative reasons, he/she can be assigned any position by the Department. For other reasons, the officer will be given the opportunity to select his/her assignment in accordance with his/her seniority. Such assignment must be made within seven (7) days. Special assignments are excluded from this Section.

Section 18.4. Hours worked in excess of an employee's standard work period shall be considered overtime and shall be compensated at the rate of one and one-half (1½) times his/her regular straight time hourly rate of pay. There shall be no pyramiding of overtime for the same hours worked or for premium hours paid (i.e., court time, call-out, etc.). Pyramiding shall be defined as being paid twice for the same hours worked, i.e., if an employee is working overtime and goes to court, the employee only receives the overtime pay; not overtime pay plus court time at the overtime rate. Overtime shall be calculated in one-tenth (0.1) hour (six [6] minutes) increments. Active pay status includes paid time off for sick leave, vacation leave, automatic holiday pay, occupational injury leave pursuant to Article 25 and compensatory time. It does not include hours worked on a holiday for purposes of calculating hours in overtime status. The on duty Supervisor or OIC shall verify overtime slips and approve or deny time-off requests given to them by the end of the shift.

Section 18.5. Employees may elect, in lieu of overtime pay, to accept compensatory time. Compensatory time shall be credited at the rate of one and one-half (1½) hours off for each one (1) hour of overtime worked. Compensatory time may be accumulated by an employee. Compensatory time may not accumulate more than four hundred eighty (480) hours. Compensatory time more than twelve (12) months on the books will be converted into pay. The following rights and conditions shall exist as they pertain to compensatory time:

- A. The election of overtime pay or compensatory time is solely the right of the employee, and he/she shall so

indicate his/her election when reporting the overtime worked;

- B. Compensatory time off requested by an employee which has been approved and scheduled, shall not be canceled except when the University is under emergency status as declared by the Board of Trustees and/or the President of the University or except under exceptional circumstances as determined by the Chief of Police;
- C. Requests for compensatory time off in conjunction with vacation shall be honored as long as the request for compensatory time off was submitted at the same time as the request for vacation and the request for vacation has been approved;
- D. Any employee may elect to convert all or part of his/her accrued compensatory time balance at any time. Cash-in requests must be made in whole hour increments, except where the employee is converting his/her entire balance. Payment shall be made at the rate of pay existing at the time of cash-in.
- E. Compensatory time may be taken in one-tenth (.10) hour increments.
Requests for compensatory time shall be made in writing by the employee to the employee's supervisor at least one (1) day in advance for requests of one (1) day or less and at least three (3) days in advance for requests of more than one (1) day. Only the Employee's shift supervisor or the officer in charge of the Employee's shift may waive this provision based on departmental needs. Compensatory time may not be used to cover a tardiness.
- F. When a request for compensatory time requires that the slot be filled the following procedure shall be used. ULEO's shall be asked to work the slot by supervision sending an email to all

police officers and reading the available slot at all roll calls. If no one wishes to work

the slot after the above has been done, the request shall be denied. No officer shall be ordered/mandate to work the slot. Overtime will not be the sole reason for not filling a slot.

Section 18.6. With the prior approval of the Employer or designee, an employee may exchange days off or work shift assignments with another employee. Upon request of an employee, and with prior approval of the Employer or designee, an employee may work a scheduled day off in exchange for another day off to be scheduled in the work period, without receiving any additional compensation.

Section 18.7. If the bargaining unit designated representative develops an alternate work schedule, such schedule shall be the subject of a special Labor/Management Meeting pursuant to the provisions of Article 7 of this Agreement.

Section 18.8. Pay for overtime shall be paid no later than the pay period following the work period during which the overtime was properly submitted by the Employee.

Section 18.9. Management will not require overtime for anything over targeted staffing levels. If the level falls below the target, it is a safety issue and Management can mandate overtime. The target staffing per shift shall not fall below THREE (3) police officers, if a shift supervisor is working. If no shift Supervisor is working, a fourth (4) police officer will be recalled to duty. These target numbers apply to the first, second and third shifts. A labor management meeting shall be convened to discuss staffing levels prior to implementing additional shifts such as a "swing" or "power" shift.

Section 18.10. Overtime

Once overtime is assigned to an Employee, it shall be considered part of an Employee's regular work assignment. An Employee who cannot work an overtime assignment must find a replacement, however, an employee who cannot work

due to illness is not required to find a replacement. The Chief or Assistant Chief may require proof of illness if abuse is suspected.

Special Event Overtime

Some officers desire to work overtime Special Event Details, some officers prefer not to work overtime Special Event Details, and other officers prefer to work only some overtime Special Event Details. The following method of assigning these details shall be used in an effort to meet these differing preferences:

Overtime Special Event Details will be offered on a first come, first served basis first to officers who want to work them. If sufficient officers do not volunteer, the Special Event Detail will be offered to Auxiliary Officers, and officers from other law enforcement agencies as allowed for in Article 38. If there are still not sufficient officers to provide adequate safety for an event, mandated overtime may be invoked. A list shall be developed and maintained by the department based on seniority for the purpose of mandating overtime for special events details. The officer with the lowest amount of seniority will be the first officer to be mandated, once that officer is mandated to work a detail, he/she will move to the bottom of the list. The officer with the second least amount of seniority will then be at the top of the list and next in line to be mandated. This process continues indefinitely and will not be influenced by officers volunteering to work details. If the mandated officer calls in sick or is absent for his/her detail, the officer remains at the top of the list and will remain to be the first officer mandated for the next detail. If a mandated officer is able to find coverage for on his/her own through another officer, he/she will have fulfilled his/her duty for covering the detail, and move to the bottom of the list. If extenuating circumstances prohibit the mandated officer from working his/her assigned detail, he/she must bring it to the attention of the captain over details first, if the captain is not available then the officer should contact the lieutenant in charge of the detail in question. It will be reviewed on a case-by-case basis to

determine if the officer may be excused. If an officer knows he/she will be unavailable to work, he/she must notify the detail coordinator in advance.

Disputes regarding the overtime assignments list pursuant to this section shall be referred to the Labor Management Committee prior to filing a grievance. The grievance procedure timeframe shall be put on hold pending the decision of the LMC

Special Events requiring overtime coverage will be posted electronically no more than thirty (30) days in advance of the event. The parties recognize that the specific details of the event may not be available at the time of posting. If overtime for the event must be mandated, the employer will notify effected employees five (5) days in advance of the event. Officers who wish to work a detail shall so indicate on the detail listing. The parties agree that there may be occasions in which the special events are provided to the department on such short notice so that the notice requirements listed above will not be possible, however, these occasions should not be common. If problems occur with the process, a Labor-Management Committee will be convened to remedy the issue.

Absent extenuating circumstances, the only details in which casual time may not be granted or off days may be cancelled are commencement and homecoming. If an employee's shift ends two (2) hours or less before a detail starts, or two (2) hours or less after a detail ends that he/she is assigned to, the employee shall be offered the opportunity to work that period by flexing his/her time within the pay week.

Seniority is applied only to those officers who would not be precluded from working the detail due to other assignments.

An employee who reports for a special event and is sent home due to cancellation shall receive two (2) hours pay.

Shift overtime scheduling shall be handled by the relevant SOP. In general, shift overtime will first be offered for members of that shift.

Section 18.11. In the event that the University closes due to inclement weather or other emergencies, members of the FOP bargaining unit who are required to work because they are designated as essential shall be compensated at a rate of two (2) times the regular hourly rate. For the purposes of this section the hours of the closing shall be as announced by the University if the announcement include a closing time and an opening time, if not the hours of the closing shall be when announced until 0600 hours the next day(s). Employees shall receive the premium pay described in this section for the part of their shift worked during which the University is closed.

ARTICLE 19

WAGES

Section 19.1. This Agreement is the sole source of rights and obligations of the parties to this Agreement on the subject of wages. Further, the following language is intended to supersede all provisions applicable to public employees in the Ohio Revised Code and/or the Rules of the Ohio Department of Administrative Services relative to wages. Employees will be paid in accordance with the classification and pay plan set forth in this Agreement.

Section 19.2. The salary schedules shall be adjusted by FIVE percent (5%) effective July 1, 2018. The salary schedule shall be adjusted by THREE percent (3%) effective July 1, 2019. The parties shall re-open negotiations no later than April 1, 2020, for the purpose of negotiating this article for the third year of this Agreement.

Section 19.3. There shall be an adjustment made to the hourly rate of pay of sixty-five cents (\$.65) for all officers assigned to the second shift and sixty cents (\$.60) for all officers assigned to the third shift.

Section 19.4. All adjustments to the salary shall be included when calculating the overtime rate of pay for an officer as required by the Fair Labor Standards Act.

Section 19.5. An employee currently eligible and receiving longevity pay shall continue to do so for the length of his/her employment, however, an employee who leaves the University and whose leave constitutes a break-in-service shall not be permitted to receive longevity pay if re-employed.

Section 19.6. An employee who wishes to progress from one ULEO classification to another must notify the Chief or Assistant Chief in writing. If, after two years from the notification, the employee has been unable to complete the necessary training requirements due to the department being unable to provide for the training, the employee shall be placed in the higher classification.

Section 19.7 The Field Training Officer (FTO) position shall receive one-half (.5) hour of compensatory time per day on each day he/she trains, starting with the February 2015 class of trainees.

Section 19.8. Officers assigned a canine as a working partner and working eight hour days shall only work a seven hour shift. Officers will receive eight hours of pay for each seven (7) hour shift to compensate for the weekly off duty care and maintenance of the canine in their custody. In addition, canine officers shall receive as a supplemental compensation five (5) hours of compensatory time at the rate of time and one half on a bi-weekly basis.

If the university decides the work schedule for the officer and his/her canine partner should be ten (10) hours, twelve (12) hours, etc., then compensation as listed in paragraph one above shall be negotiated and codified in an MOU.

All mandated training shall be conducted on duty or compensated at the overtime rate of pay. The university shall provide all supplies necessary for the care and maintenance of

the canine partner including but not limited to kennels, food, hygiene items, and medical treatment.

Any off-duty call-out of the officer and his/her canine partner shall be treated as overtime pay at the rate of one and one-half times.

When/if the officer's canine is retired the officer shall be given first preference to keep the canine at no cost to the officer. If the canine is released to the officer the officer must sign all necessary releases and waivers of liability.

It is the intent of this provision to provide full compensation as required by Fair Labor Standards Act to any officer who is assigned as responsible for the weekly care, feeding, exercising and boarding a university canine for all on duty and off duty hours worked and so engaged.

ARTICLE 20

COURT TIME/CALL-IN TIME/STAND-BY

Section 20.1. Whenever an employee is required to appear on off-duty time before any official court or before the Prosecutor for pretrial conference on matters pertaining to or arising from the employee's official duties, the employee shall receive a minimum of three (3) hours pay at the overtime rate or pay for actual time worked at the overtime rate, whichever is greater, for such appearances. If an employee appears before a court or at a pretrial conference on a day other than his/her work day, as defined below, he/she shall receive a minimum of four (4) hours pay at the overtime rate or pay for actual time worked at the overtime rate, whichever is greater. A work day is defined as any day on which an employee's shift begins.

Section 20.2. Any employee called in to work at a time outside his/her regularly scheduled shift, which call-in does not abut his/her regularly scheduled shift, shall be paid a minimum of four (4) hours at the overtime rate of pay.

Section 20.3. Any employee who is required to remain on the Employer's premises, or at his/her home or other specific location to await a call when needed, is considered as being unable to use the time effectively for his/her own purposes and shall be considered to be working during the entire time he/she is on-call.

Section 20.4. Employees who are assigned official on call status shall receive five (5) hours of compensatory time for every one (1) week they are on call. Since compensatory time is provided, the appropriate response is required.

ARTICLE 21

The one hundred eight-nine (189) hours is representative of ten (10) holidays and four (4) seasonal closure days. This equates to nine (9) hours each day at time and one-half. Hours in this bank may be used in a similar manner as compensatory time for purposes of taking time off work. For purposes of cashing out the bank, employees may elect to cash out nine hours at a time and a half (13.5) per each holiday to be paid during the pay period on which the holiday falls. Hours not used by DECEMBER 31 of EACH YEAR will be paid out by the University no later than January 31 of the following year.

Bargaining unit members beginning employment after January 1 in any calendar year shall be pro-rated a Holiday Time Bank equal to the number of holidays remaining in the year along with four (4) seasonal closure days equal to nine (9) hours for each day at time and one half. Hours in the bank may be used in a similar manner as compensatory time for purposes of taking time off work. For purposes of cashing out the bank, employees may elect to cash out nine hours at a time and a half (13.5) per each holiday to be paid during the pay period

on which the holiday falls. Hours not used by DEEMBER 31 of EACH YEAR will be paid out by the University no later than January 31 of the following year.

Bargaining unit members desiring to take off a recognized holiday or seasonal closure day will be required to use accrued time for such purpose, otherwise, they will be expected to be at work if normally scheduled.

Bargaining unit members who leave their employment with the University prior to the end of the year who have Holiday Time remaining shall be paid out at a pro-rated amount equal to the number of holidays and/or seasonal closure days which have passed.

Bargaining unit members who leave their employment with the University prior to the end of the year who have used their entire Holiday Time Bank may, at the University's discretion, be required to reimburse the University for the time used which had not yet been earned. If the University intends to enforce this section they must do so by deducting any not earned amount from the employee's final pay check and so notify the employee of the same.

Forty (40) hours of vacation credit is added at the eight (8), fifteen (15), twenty (20), and twenty-five (25) years of employment in addition to the increased rate of accrual. The forty (40) hours of vacation credited to employees on the anniversary of twenty (20) years of employment, pursuant to Article 23.2, is a one-time credit and does not affect the employees' rate of accrual.

Section 23.3. Vacation may be taken in one-tenth (.10) hour increments. Requests for vacation shall be made in writing by the employee to the employee's supervisor at least one (1) day in advance for requests of one (1) day or less and at least fourteen (14) days in advance for requests of more than one (1) day. Only the Employee's shift supervisor or the officer in charge of the Employee's shift may waive this provision based on departmental needs. Vacation time may not be used to cover a tardiness.

Section 23.5. An employee may accumulate and carry over vacation leave for up to three (3) years.

Section 23.6. Any employee who separates from service shall be paid for any earned but unused vacation leave.

Section 23.7. ARTICLE 24
SICK LEAVE

Section 24.1. Employees shall accrue sick leave credit at the rate of four and six-tenths (4.6) hours for each eighty (80) hours of service, or while in active pay status, (i.e., during paid vacation and sick leave). Sick leave credit shall not accrue during any unpaid sick leave, layoff or unpaid leave of absence. Advance use of sick leave shall not be granted. Sick leave is accumulative without limit. Additional sick leave accrual is added on a pro-rated basis for hours in excess of eighty (80) hours in a bi-weekly period.

Section 24.2. Sick leave shall be granted to an employee, upon approval by the Employer, for the following reasons:

- A. Illness, injury or pregnancy-related condition of the employee.
- B. Exposure of an employee to a contagious disease which could be communicated to and jeopardize the health of other employees.
- C. Examination of the employee, including medical, psychological, dental, or optical examination, by an appropriate practitioner, when such an examination cannot be scheduled during non-work hours.

- E. Illness, injury or pregnancy-related condition of a member of the employee's immediate family where the employee's presence is reasonably necessary for the health and welfare of the employee or affected family member.
- F. Examination, including medical, psychological, dental, or optical examination of a member of the employee's immediate family by an appropriate practitioner where the employee's presence is reasonably necessary, and when such examination cannot be scheduled during non-work hours.

For the purpose of this Section, the definition of immediate family shall be: mother, father, son, daughter, brother, sister, spouse, domestic partner, grandparent, grandchild, mother/father/daughter/son/sister/brother-in-law, step-mother/father/brother/sister/children, or a legal guardian or other person who stands in the place of a parent (loco parentis).

Section 24.3. When an employee is unable to report to work due to reasons specified in Section 24.2 above, he/she shall notify his/her immediate supervisor or other designated person, prior to the time he/she is scheduled to report to work (at least two (2) hours prior), unless extenuating circumstances prohibit, on each day of absence, unless other arrangements are made with the employee's supervisor.

Section 24.4. An employee must submit a statement from a licensed health care professional to justify the use of sick leave if one of the following conditions exist:

- a) The employee is off work for five or more consecutive work days;
- b) The employee has been off work (regardless of the length of absence) and is released to return to work with restrictions by his or her licensed health care professional;

- c) The employee has been exposed to a contagious disease;
- d) The employer has reason to believe abuse of leave may have occurred.

Section 24.5. Sick leave usage, when approved, shall be charged in minimum units of one-tenth (.10) hour increments. Falsification of a practitioner's statement shall be grounds for disciplinary action.

Section 24.6. Unused sick leave may be converted to cash upon death or retirement. The conversion shall be one-quarter of a maximum of nine hundred and sixty (960) hours with ten (10) years of service as provided in University policy.

Section 24.7. Sick leave balances shall be shown on all employees' regular paycheck.

Section 24.8. Employees transferring from any political subdivision within the State of Ohio shall be able to bring with them any unused accumulated sick leave upon written verification of same to the Human Resources Department.

Section 24.9 Employees shall be entitled to sell back up to sixty (60) hours of sick time each half year (six months) if they have one occurrence or less of sick time in the preceding half year. One occurrence will be issued to an employee for each continuous sick time period, excluding occupational injury leave and certified FMLA events, the rate of sell back shall be two hours of unused sick time to one hour of pay. In order to get the full sixty (60) hours each six (6) months, an employee must sell back one hundred twenty (120) hours of sick time each six (6) month period. The six-month period begins January 1 and July 1 of each year. Employees must be in active pay status during the entire six-month period to receive credit toward selling hours. All requests to sell hours under this provision are the responsibility of the employee.

Sick leave tied to an occupational injury leave or certified FMLA event shall not constitute a disruption of the employee's ability to sell back sick time.

ARTICLE 25

OCCUPATIONAL INJURY LEAVE

Section 25.1. In the event of a serious bodily injury sustained or serious illness contracted as a direct result of performing an assigned or sworn function within the scope of the employee's authority, which illness or injury is not the result of "horseplay," sole negligence, recklessness or self-inflection by an employee, and upon the employee's application, the department may grant the employee, beginning on the eighth calendar day of absence or on the first day the employee is admitted to a hospital as an in-patient, whichever is earlier, Occupational Injury Leave (OIL) at the employee's regular rate of pay for a period not to exceed thirty (30) work days per calendar year. The authorization of an OIL is a matter of administrative discretion, and the department will decide in each individual case if OIL is to be granted. The granting of an OIL shall not be unreasonably denied. A grievance concerning the failure of the Employer to grant an initial OIL shall be submitted directly to Step 2 of the grievance procedure. The department, at its sole discretion, may extend an OIL. The department's failure to extend a leave shall not be subject to the grievance procedure.

Section 25.2. OIL is not available for injuries incurred during those times when the employee is engaged in non-law enforcement activities, administrative or clerical duties, is engaged in personal activity, including but not limited to physical fitness activities or is in the act of arriving to or departing from his/her work assignment. Illnesses considered common or routine among the general public (e.g., cold, flue, chicken pox, etc.) shall not entitle an employee to OIL. Unusual and serious illnesses (e.g., hepatitis, tuberculosis, etc.), and "stress-related" psychological and physical conditions and illnesses (e.g., neuroses, psychoses,

depression, hypertension, stroke, heart disease, etc.) may entitle an employee to OIL only if incurred in accordance with the conditions set forth in Section 25.1 of this Article.

Section 25.3. An employee applying for OIL hereunder, shall authorize the release to the University Health Services of all medical information pertinent only to the occupational injury or illness possessed by the employee's treating physician(s) and treatment facility(ies), if so requested by the department, and/or shall agree to be examined by a licensed medical practitioner of University Health Services and/or one selected and paid for by the department.

Section 25.4. Any employee claiming an occupational illness or injury under this Article shall file an injury claim with the Ohio Bureau of Workers' Compensation as soon as possible. Upon approval of the claim by Workers' Compensation, an OIL granted on the eighth (8th) day of absence shall be made retroactive to the first (1st) day of absence, and any sick leave, compensatory time or vacation used by the employee during the first eight (8) days of absence shall be restored to his/her credit. The employee shall remit to the department all income benefits paid by Workers' Compensation for the period during which the employee received full pay from the department while on OIL. In the event the claim is denied by Workers' Compensation, the employee shall revert to sick leave status, and shall be charged with sick leave, compensatory time and/or vacation leave for all time paid by the department for OIL.

Section 25.5. It is understood and agreed that the department's obligation under this Article is only the difference between the employee's regular rate of pay and the amount of income benefits paid to the employee by OBWC, and that OIL is not in lieu of OBWC benefits. The employee shall not receive both Workers' Compensation wage benefit payments and OIL payments for the same period of time.

Section 25.6. In lieu of granting OIL, the department may assign the employee to other duty with the approval of, and

within the limitations set by, the employee's treating physician and University Health Services if such duty assignment is available. There are no permanent restricted duty assignments.

Any issued item which is lost or damaged as a result of "horseplay," willful misuse, or negligence on the part of an employee shall either be replaced or paid for at current market value by the employee, at the option of the employee.

Section 26.3. Equipment and other items not issued or required by the Employer may be utilized or worn only with the permission of the Employer or designee.

Section 26.4. Where an employee supplies evidence that he/she sustained damage to personal property while performing the duties of his/her assigned work, provided such damage was not the result of "horseplay," willful misuse, or negligence on the part of the employee, the Employer shall reimburse the employee for the cost of necessary repairs or replacement up to a maximum of two hundred dollars (\$200.00) per year, but no more than fifty dollars (\$50.00) for jewelry items. The employee shall present the damaged property for the Employer's inspection prior to the repair or replacement of said property. Repair or replacement of said property shall be at the Employer's option. In the event of damage to prescription eye glasses (including frames), contact lenses, dentures and other oral prosthesis, which damage occurs in the active discharge of an employee's duties and was not the result of "horseplay," willful misuse, or negligence on the part of the employee, the Employer shall pay the difference, if any, between the amount of reimbursement from Workers' Compensation and the actual cost of repair or replacement of the same or equivalent product.

Section 26.6. An employee who retires from service with the Employer shall be presented a retirement badge. The retiring employee shall also be presented with an identification card that identifies him or her as a retired police officer. In order to qualify for the provisions of this Section, the retiring employee must have completed ten (10) years of service with the Employer, and must apply for and be granted full retirement benefits by the Ohio Public Employees Retirement System (OPERS) or any ARP (alternative retirement plan). If allowable by applicable state and federal laws, the university shall provide an Employee his/her university-issued firearm upon request upon the Employee's retirement.

Section 26.7. Provisions will be made for officers to leave and pick up uniforms for dry cleaning.

Section 26.8. The changeover of uniforms for winter to summer is effective March 15th, however, officers involved in Police Memorial events, assigned to commencement and other high profile, special events details, as identified by the police chief, shall wear winter uniforms. The changeover of uniforms for summer to winter is effective November 1. In cases of extreme weather the Chief will consider extending these time periods.

Any training hours incurred on a scheduled day off will be counted as actual time.

Any combination of work, travel and training equaling less than six (6) hours in a single day will be counted as actual time.

Training sessions of five (5) consecutive days (as defined above) shall be counted as eight (8) hour days.

Employees shall be given seven (7) days notice for any mandatory training, excluding training that occurs within the employee's regular work schedule. The employer may adjust an employee's work schedule to accommodate training.

Section 28.2. The Employer shall pay for all necessary, reasonable, authorized and approved expenses incident to such training for required meals, lodging, parking, mileage, tuition and fees in accordance with the provisions of Article 27 of this labor Agreement.

- A. The authorization of a leave of absence without pay is a matter of administrative discretion and employees have no right to such leave, subject to the provisions below. The Employer will decide if a leave of absence is to be granted in each individual case.
- B. The granting of any leave of absence is subject to the approval of the Employer. Except for emergencies, illnesses, disabilities or as otherwise specified in this Article, employees will advise the Employer sixty (60) calendar days prior to the commencement of the desired leave so that the various departmental functions may proceed properly.
- C. Upon completion of a leave of absence, the employee is to be returned to the position formerly occupied or the next available similar position if the employee's former position no longer exists. Employees on an unpaid leave of absence are subject to all layoff and recall provisions of Article 13 of this Agreement.
- D. An employee may return to work before the scheduled expiration of leave as requested by the employee and agreed to by the Employer.
- E. The Employer shall send a written reminder to the employee at the address on file with the employer at

least two (2) weeks prior to the end of the unpaid leave of absence. If an employee fails to return to work at the expiration of his/her requested unpaid leave of absence, such employee, absent extenuating circumstances, shall be removed from his/her position and shall not receive seniority time for the period of the leave.

- F. An employee who has been granted an unpaid leave of absence for personal reasons shall not accrue vacation leave or sick leave during such unpaid leave of absence. An employee shall not receive pay for holidays that fall within the period of the leave of absence without pay.
- G. An unpaid leave of absence for personal reasons is unavailable as long as the individual has any qualifying paid leave, compensatory time or FMLA leave available. Further, such unpaid leave of absence for personal reasons, if approved, will be concurrent with, not in addition to, leave granted under the Family and Medical Leave Act of 1993, if applicable.
- H. In lieu of requesting a medical or disability leave the employee may request a temporary assignment to an available alternate position that would better accommodate the employee's reason for requesting leave. This request may be granted or denied at the sole discretion of the employer.
- I. During any unpaid leave of absence provided for in this Section, the Employer will provide health insurance as defined in Article 21 of this Agreement through the end of the calendar month, during which such unpaid leave of absence begins.

conditions set forth in the Family and Medical Leave Act in connection with the birth or adoption of a child. Where both spouses are employees of the University, the leave of absence granted under the terms of the Family Medical Leave Act is limited to an aggregate of twelve (12) weeks.

The decision to grant leave beyond twelve (12) weeks shall be based on the operational needs of the department.

Section 29.3. Family and Medical Leave Act:

An employee who meets the eligibility requirements of the Family and Medical Leave Act may apply for leave of absence. The Employer will approve leave of absence requests as required by the Act, provided that except as prohibited by the Act, the Employer may do the following:

- J. The employer shall continue to provide medical insurance during the period of leave of absence unless the employee fails to pay his/her portion of the insurance premium.

Section 29.4. Medical Examination:

The Employer may require an employee to undergo a medical examination that is related to the employee's job and based on a business necessity when the Employer deems the examination necessary to confirm an employee's fitness for duty, eligibility for sick leave, FML, Medical Leave, Disability Leave, or Disability Separation. The Employer may also require such an exam to determine the employee's eligibility to return from any sick leave, Medical Leave, Disability Leave, or Disability Separation, where the employee is returning after having exhausted Family and Medical Leave Act time (or where the returning employee is not eligible for FML), or to determine an employees ability to return to full service from recuperative duty status. The examination shall be at the Employer's expense. Where the Employer is requiring the examination to certify an employee's eligibility for Family and Medical Leave Act time (the FML "second opinion"), the Employer's selection of a healthcare provider shall be in accordance with the regulations governing the Family and

Medical Leave Act. However, where the examination is to determine an employee's eligibility for sick leave, Medical Leave, Disability Leave, etc., following the employee's exhaustion of Family and Medical Leave Act time, or in a situation where the employee is not eligible for Family and Medical Leave Act time, the selection of the healthcare provider shall be within the sole discretion of the Employer.

The Employer may place an employee found to be unable to perform the essential functions of his position on appropriate university leave or may disability separate the employee, all as provided for in this Section.

Such leave need not be continuous. The employee shall provide evidence to the supervisor as to inability to work and the probable date of return. At the time of return the employee must provide a certificate from the attending physician stating the employee is able to resume all work duties. The employee must present the certificate to the supervisor before the employee begins work. An employee who is off work due to a medical leave shall be required to be seen by University Health Services before returning to work. Upon showing that the employee has recovered from the disability, the employee shall be returned to the same position the employee held prior to the medical leave of absence. If the same position no longer exists, the employee shall be returned to a similar position. Prior to going on medical leave, the employee may elect to utilize any or all accrued vacation leave or compensatory time. Such election by the employee shall be irrevocable.

Section 29.6. Disability Leave: An unpaid disability leave of up to eighteen (18) months shall be granted to an employee whose disability extends beyond the six (6) month unpaid medical leave of absence. However, an unpaid disability leave of up to twenty-four (24) months shall be granted instead of a

medical leave if there is no evidence of the probable date of the employee's return to work. The University shall require that a physical examination be conducted by a licensed physician designated by University Health Services when an employee is to go on disability leave. The cost of this examination shall be paid by the University. This requirement may be waived if the employee is hospitalized or institutionalized at the time of request for disability leave. At the time of return the employee must provide a certificate from the attending physician stating the employee is able to resume all work duties. The employee must present the certificate to the supervisor before the employee begins work. An employee who is off work due to a disability leave shall be required to be seen by University Health Services before returning to work. An employee who has been on disability leave shall have the right to be returned to work to the same or similar position held at the time of the leave within thirty (30) days after written application for return to work provided that a vacancy exists in the employee's classification. The employee may also request a position in a lower or dissimilar classification and such vacancy shall be offered when a vacancy occurs as long as the employee is qualified to perform the work. The employee may be required to take an examination to demonstrate her qualifications and such examination shall be provided. If none exists, the employee will be laid off and eligible for recall pursuant to Article 13. Application for reinstatement must be filed within eighteen (18) months of the effective date of the unpaid disability leave or within twenty-four (24) months of the effective date of the unpaid medical leave if granted before the disability leave. In no event shall the combined total of unpaid medical and disability leaves exceed twenty-four (24) months.

Section 29.7. OPERS Disability:

Section 29.8. Paid Leaves:

A. Court Leave:

The Employer shall grant full pay where an employee is summoned for any jury duty or subpoenaed as a witness or victim of a crime (outside the scope of his/her employment) by any court or other adjudicatory body as listed in this Article. All compensation for such duty will be reimbursed to the department unless such duty is performed totally outside of normal working hours. An employee released from jury or witness duty prior to the end of his/her scheduled workday shall report to work for the remaining hours. Employees will honor any subpoena issued to them, including those from Workers' Compensation, Unemployment Compensation, and State Employment Relations Board hearings. Nothing in this section applies to court appearances in connection with collateral employment.

It is not proper to pay employees when appearing in court for criminal or civil cases, when the case is being heard in connection with the employee's personal matters, such as traffic court, divorce proceedings, custody, appearing as directed with juvenile, etc. These absences would be leave without pay, compensatory time, personal leave or vacation at the discretion of the employee. An employee shall request prior approval for court leave, in order for such leave to be granted.

B. Military Leave:

An employee ordered for pre-induction physical shall be given time with pay for the purpose by showing his/her order to his/her department head. Time taken for periodic physical for reserve status training is not paid time.

In accordance with state and federal law, this policy defines the employment, leave benefits, and reemployment rights of university employees who

serve in the uniformed forces [as defined by the Uniformed Services Employment and Reemployment Rights Act of 1994 (“USERRA”) and Ohio law]. Service in the uniformed services includes, but is not limited to, voluntary or involuntary service in the Armed Forces, the Ohio organized militia, the Army National Guard and the Air National Guard.

To the extent that this policy conflicts with provisions of USERRA or applicable Ohio laws, or any amendments thereto, the provisions of USERRA or Ohio law will prevail.

Military Leave With or Without Pay/Length of Leave:

As required by Ohio law, all permanent employees of the University of Cincinnati who are members of the Ohio organized militia or any other reserve component of the Armed Forces of the United States, including the Ohio National Guard, will be entitled to a Leave of Absence without loss of pay for periods per calendar year when they are performing service in the uniformed services (as defined by ORC 5923.05). As of the effective date of this policy, the amount of leave such employees are entitled to per calendar year is: up to 248 hours.
 - a. Unless required by Ohio law, which is not currently the case as of the effective date of this policy, such paid leave amounts shall not be given to individuals who request a military Leave of Absence without pay to enlist directly into active military duty.
 - b. Any military pay or allowances received by the university employee will not affect the employee’s receipt of university wages during the Leave of Absence without loss of pay described in this section.
2. As required by USERRA, all permanent employees of the university who are also members of the Ohio organized

militia, the Ohio National Guard or any active or reserve component of the Armed Forces of the United States, will also be entitled to periods of unpaid Leave of Absence during which the employee may perform active or inactive duty on a voluntary or involuntary basis in a uniformed service under competent authority.

- a. In order to remain in pay status, university employees may, but are not required, to use accrued vacation time during any period of service in the uniformed services which would otherwise be considered unpaid military leave.
 - b. Employees may not use accrued sick leave (time) during such unpaid periods of military leave.
3. With limited exceptions as described in USERRA, the cumulative amount of paid and unpaid military leave a university employee receives may be limited in duration.
4. As required by Ohio law, employees entitled to a Leave of Absence without loss of pay pursuant to section 2 of this policy and who are called or ordered to the uniformed services for longer than one month because of the reasons outlined in ORC 5923.05 will be entitled to the difference between their gross monthly wages as university employees and the sum of their gross uniformed services pay and allowances for the periods beyond the initial month each calendar year.
 - a. No supplemental pay will be due if an employee's uniformed services pay and allowance equal or exceed the wages payable had the employee been in active employment status.
 - b. As of the effective date of this policy, ORC 5923.05 allows for differential pay in the event of an executive order issued by the president of the United States, an act of congress, or an order

issued by the governor to members of the Ohio National Guard or Ohio organized militia.

Benefits During Military Leave:

5. The university employee is entitled to any seniority and seniority-based rights and benefits (which are rights or benefits determined by an employee's longevity in employment) that he or she had on the date that his or her uniformed service began plus any seniority and seniority-based rights and benefits that he or she would have had if he or she had remained continuously employed.
6. During the university employee's period of service in the Armed Forces, he or she will be entitled to all non-seniority rights and benefits generally provided by employee contracts, agreements, policy or practice to similarly situated employees (employees with similar seniority, status and pay that are on furlough or leave).
 - a. If the university employee provides written notice that he or she will not be returning to his or her position after service in the uniformed services, the employee waives rights to these non-seniority rights and benefits. However, other rights specified in USERRA, its regulations and Ohio Law, including the employee's right to reemployment following his or her period of service, are not waived.
7. University employees on a Military Leave with pay will continue to accrue sick leave (time) and vacation time at the normal rate. Sick leave (time) and vacation time do not accrue during a Military Leave without pay.
8. Employees will only be allowed to continue the health and dental coverage during military leaves that would have been in effect had they remained in active employment status with the university. To continue coverage, any applicable employee premium contribution must be paid by the employee. Employees should contact the Human

Resources Department concerning eligibility for and continuation of benefits prior to the start of the leave.

9. University employees on paid or unpaid Military Leave will be entitled to any additional leave entitlements or benefits allowed to them under Federal and Ohio laws.

Return to Position

10. Provided that the university employee returning from paid or unpaid Military Leave has met and complied with all necessary eligibility requirements and procedures promulgated by USERRA (including the timelines for returning to work), that employee shall be eligible for reemployment with the university.
 - a. The university will not delay or deny employment if the employee is unable to provide proper military documentation to support the elements listed in the preceding section because the documentation either does not yet exist or is not readily available to the employee. If, following reemployment, documentation is received by the university which shows that the employee was not entitled to reemployment, the university may terminate the employee's employment as well as any rights or benefits the employee received upon reemployment.
11. Subject to the requirements of USERRA an employee seeking to return to work with the university following a Military Leave shall be employed in the following manner:
 - a. University employees who are eligible for reemployment and whose period of service in the uniformed services lasted less than 91 days shall be promptly reemployed in the position of employment that the employee would have held had he or she been continuously employed at the university during the employee's time of service, so

long as the employee is qualified to perform the duties of that position after reasonable efforts by the university to qualify that person.

- i. If, after reasonable attempts to qualify the employee for the position the employee would have held had his or her employment not been interrupted through service, the employee is not qualified to hold that position, the employee will be reemployed in the position that the employee held when his or her period of service commenced.
- b. University employees who are eligible for reemployment and whose period of service in the uniformed services lasted more than 90 days shall be promptly reemployed in the position of employment that the employee would have held had he or she been continuously employed at the university during the employee's time of service, or an equivalent position, provided that the employee is qualified to perform the duties of that position after reasonable efforts by the university to qualify that person.
 - i. If, after reasonable attempts to qualify the employee for the position the employee would have held (or an equivalent position), the employee is not qualified to hold the position that he or she would have held if he or she would have been continuously employed with the university, the employee will be reemployed in the position that the employee held when his or her period of service commenced (or an equivalent position).
- c. Any employee, regardless of the length of his or her period of service, who either incurred or aggravated a disability during his or her period of service and, because of that disability, is not qualified to be

employed in the position he or she would have held if continuously employed by the university, despite the university's reasonable attempts to accommodate the disability, the employee shall be reemployed in the following manner:

- i. In any other position which is equivalent in seniority, status and pay, the duties of which the employee is qualified to perform or would be qualified to perform with reasonable efforts by the university; and
 - ii. Consistent with the employee's situation, in a position which is the nearest approximation to the position described above in terms of seniority, status or pay.
12. Following the employee's restoration to employment, the employee may not be discharged from employment, except for cause (which includes legitimate nondiscriminatory reasons such as the elimination of the employee's position or placing the employee on layoff status), in accordance with the following time lines:
 - a. University employees whose period of service before reemployment was for more than 180 days shall not be discharged from employment, without cause, for one year following the date of reemployment.
 - b. University employees whose period of service before reemployment was for more than 30, but less than 181 days shall not be discharged from employment, without cause, for 180 days following their date of reemployment.
13. Any person employed to replace an employee on Military Leave with or without pay must be appointed with the understanding that the employee on Military Leave has the right to return to the position formerly held; further, the

person replacing an employee on Military Leave shall sign a statement to that effect at the time of employment.

14. The requirement that the university employee must be placed in the position of employment that he or she would have held had the employee been continuously employed at the university will be followed even if the position that the employee would have been employed in is one which would have been subject to lay off or elimination. Furthermore, if the employee is laid off before or during the service in the uniformed services, and the employer would not have recalled him or her during that period of service, the employee is not entitled to reemployment following the period of service simply because he or she is a covered employee. Reemployment rights under USERRA cannot put the employee in a better position than if he or she had remained in the civilian employment position.

Discrimination and/or Retaliation Prohibited

15. Denial of initial employment, reemployment, retention in employment, promotion or any other benefit of employment to a prospective or current university employee based on that individual's membership, application for membership, performance of service, application for service or obligation for service in the uniformed services is strictly prohibited.
16. The university will not discriminate against or take any adverse employment action against any person who has taken any action to enforce a protection offered under USERRA, has testified or made a statement in any proceeding involving a protection offered under USERRA, has assisted with an investigation under USERRA or who has exercised any right provided by USERRA.

An employee who enters military service during the probationary period shall be credited with days worked toward the completion of that probationary period. However, upon return from military service, the employee must complete the probationary period.

ARTICLE 30 **OUTSIDE EMPLOYMENT**

Section 30.1. Employees must recognize that the University of Cincinnati is their primary Employer. No employee may accept employment with any other employer which is in conflict with his/her role as an employee of the University of Cincinnati as determined by the Employer or designee. The Employer or designee will either approve the work or notify the employee of the reason for denial. Such determination shall be made within a reasonable period of time. Approval for off-duty employment will not be unreasonably withheld.

Section 30.3. In addition to the rights set forth in Section 1 and 2 above, the Employer reserves the right to demand an employee reduce his/her off-duty employment work when his/her performance is diminished, or his/her attendance adversely affected.

Section 30.4. Employees shall have the right to grieve over disciplinary action taken by the Employer relative to an employee's outside employment. All grievances and discipline shall be handled pursuant to Articles 8 and 9 of this Agreement.

Information provided shall include the symptoms of the diseases, modes of transmission, methods of self-protection, and recommendations for immunization where appropriate. Employees may receive hepatitis vaccine or inoculation at no cost to the employee.

Section 31.2. Each employee shall be provided with information and appropriate equipment to take precautions when his/her duties bring or may bring him/her into contact with blood or body fluid containing blood. Each patrol vehicle will be equipped with appropriate personal protective equipment (PPE) and disinfecting agents.

ARTICLE 32 **CIVIL SERVICE COMPLIANCE**

Section 32.1. It is expressly understood that the Ohio Department of Administrative Services and the State Personnel Board of Review shall have no authority or jurisdiction as it relates to the expressed matters covered by this labor Agreement.

Section 32.2. The Employer agrees that whenever an employee separates from service, or is otherwise removed from the bargaining unit that a letter describing length of service and appropriate benefits shall be sent to the Director of the Ohio Department of Administrative Services. Should the employee become employed in Ohio public service within a period of ten (10) years from the time of separation, upon written request from the employee, the Employer shall certify

to the new Employer all information relevant to length of service and appropriate benefits.

ARTICLE 33 **NO STRIKE/NO LOCKOUT**

Section 33.1. During the term of this Agreement, the FOP shall not, for any reason, authorize, cause, engage in, sanction, or assist in any unlawful strike, or any other concerted activity which would interrupt the operation or services of the Employer during the life of this Agreement.

Section 33.2. During the life of this Agreement, the Employer shall not cause, permit or engage in any lockout of the bargaining unit employees unless those employees have violated Section 33.1 of this Article.

Section 33.3. In addition to any other remedies available to the Employer, any employee or employees, either individually or collectively, who violated Section 33.1 of this Article is/are subject to disciplinary action up to and including discharge or removal by the Employer.

Section 33.4. In the event of any violation of Section 33.1 of this Article, the FOP shall promptly do whatever it can to prevent or stop such unauthorized acts.

Section 33.5. Nothing in this Article shall be construed to limit or abridge the Employer's right to seek other available remedies provided by law to deal with any unauthorized or unlawful strikes.

ARTICLE 34 **SEVERABILITY**

Section 34.1. This Agreement supersedes and replaces all applicable state and local laws which it has the authority to supersede and replace. Where this Agreement is silent, the provisions of applicable law shall prevail. If a court of competent jurisdiction finds any provision of this Agreement to be contrary to any applicable statute, such provision shall be of no further force and effect, but the remainder of the Agreement shall remain in full force and effect.

Section 34.2. The parties agree that should any provision of this Agreement be found to be invalid, they will schedule a meeting within thirty (30) days at a mutually agreeable time to negotiate alternative language on the same subject matter.

ARTICLE 35
WAIVER IN CASE OF EMERGENCY

Section 35.1. In cases of emergency declared by the President of the United States the Governor of the State of Ohio, the Sheriff or Federal or State Legislature or the President of the University, such as acts of God or civil disorder, the following conditions of this Agreement may be temporarily suspended by the Employer:

- A. Time limits for the processing of grievances; and
- B. All work rules and/or agreements and practices relating to the assignment of employees.

Section 35.2. Upon the termination of the emergency should valid grievances exist, they shall be processed in accordance with the provisions outlined in the grievance procedure of this Agreement and shall proceed from the point in the grievance procedure to which they, the grievance(s), had properly progressed, prior to the emergency.

Section 35.3. For the purposes of this entire Contract, emergency shall have the following meaning. An emergency shall mean a natural disaster, civil unrest, shut down of the University, or any similar action in addition to the provisions

listed in Section 35.1. An emergency shall not include employees calling in sick, on vacation, compensatory time, etc., employees on approved leaves of absence, scheduling of events or special event details. Determination of primary financial support shall exclude consideration of income such as that from co-op program employment;
- (c) Domestic partners of employees, defined for purposes of this rule as a partner of the same or opposite sex who meets specific criteria established by the Human Resource Department;

ARTICLE 39
MID TERM BARGAINING

Section 39.1. Subject to the specific rights retained by the Employer in this Agreement, the Employer recognizes its legal obligation under O.R.C. Chapter 4117 to bargain with the FOP prior to implementation of any changes in wages, hours, or other terms and conditions of employment applicable to members of the bargaining units. Prior to implementing new or changed work rules, policies, or other changes that materially affect wages, hours, or terms or conditions of employment of bargaining unit employees, the Employer will notify the Union seven (7) days in advance of the effective day

of implementation. If the Union requests to bargain over such change within the notice period, the Employer and the Union will negotiate in good faith. If the Employer and the Union bargain to impasse, the parties may submit the issues to non-binding mediation. However, if the change is not a topic of bargaining under RC Chapter 4117, or in the case if the change is necessary due to exigent circumstances or a state or federal directive or regulation, the Employer is not required to give a seven (7) day notice or to bargain over the implementation of the change; however, the Employer may elect to do so if time permits, without waiving its rights.

Section 39.2. Whenever practical, the Employer agrees to notify the Union in advance of any changes in the employment relationship that may affect the FOP or its members through the labor-management committee. The notification is not to constitute an abridgement of management's rights to make changes that it deems necessary. Decisions to change policy and procedures that do not directly affect wages, hours, and other terms and conditions of employment are not subject to the grievance procedure.

Such notice shall be by electronic means or certified mail with return receipt requested. The parties shall commence negotiations within two (2) calendar weeks upon receiving notice of intent.

Section 43.3. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right to make demands and proposals on any subject matter not removed by law from the area of collective bargaining, and that the entire understandings and agreement arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.
