How to Access Employee Self-Service

Employee Self-Service (ESS) is the University’s employee website where you complete tasks such as enrolling in UC benefits, set up direct deposit, enroll in life insurance, view pay stubs, and request time off.

View a short ESS E-Learning at: https://tinyurl.com/ucusselearning

Step 1: Update Your Central Login Account

Your first step as a new employee is to update your central login information. You will use these credentials to login to most UC platforms.

1. Navigate to: https://uc.teamdynamix.com/tdclient/home/
   a. You can also search “IT” in the search bar located on www.uc.edu.
2. Click on Reset/Change My Password
3. This will open the password self-service page. Log in using your username and password provided below. This password can only be used 5 times. Follow the on-screen prompts to update your password. If you have any problems, call the UC Help Desk at (513) 556-4357.

Step 2: Navigate to UC Flex/ESS

Employee Self-Service is located in UC Flex. To view ESS, you need to navigate to the UC Flex log-in page which is accessed from the www.uc.edu homepage. First, navigate to www.uc.edu.

1. Scroll to the very bottom of the homepage.
2. Select the text “UC Flex/ESS.”
3. This will open the UC Flex home page. Enter in your newly updated central login username and password and click “Log On.”

Step 3: Navigate to Employee Self-Service

After logging in, the UC Flex home page will display. UC Flex is the UC employee portal that houses different University functions that will vary from position to position.

1. Click on the ESS (Employee Self-Service) tab at the top right of the menu bar.

Step 4: Employee Service Overview

The Employee Services Home Page is broken into four sections.

1. **Personal Information**: Manage your addresses, gender, race, ethnicity, veteran status, bank information, and information about family members, dependents, and beneficiaries. You must add your dependents to Personal Information PRIOR to being able to enroll them in the University’s benefit plans.
2. **Benefits**: Display the plans in which you are currently enrolled or enroll in new benefit plans. (See next page for more details)
3. **Your Pay Statement**: View your pay statement and register to receive your W2 online.
4. **Your Time Off From Work Request**: Request time off from work.

How to Enroll in New Hire Benefits

You have 45-days from your first day of work to enroll in UC’s benefit plans. If you do not enroll during the 45-day window, you will automatically be enrolled into the default enrollment options. Once the new hire enrollment period passes, you will automatically be enrolled into the default enrollment options. Once the new hire enrollment period passes, changes to your benefits plan can ONLY be made during the annual benefits enrollment period or following a qualified status change.

**New Hire Enrollment**: Follow the steps above to navigate to the new hire enrollment page. The enrollment process is broken into six different steps.

**Step 1 – Health Plans**: Enroll or waive Dental and/or Medical coverage. You must add your dependents to Personal Information (on ESS homepage) PRIOR to being able to enroll them in the University’s benefit plans.

**Step 2 – Insurance Plans**: Enroll into the following plans

- Employee Life
- Spouse Life
- Dependent Life
- Long-Term Disability
- Personal Accident

**Step 3 – Health Savings Account**: This option is only available if you are enrolled in the High Deductible Health Plan (completed in step 1). If you are enrolled in the PPO or have waived UC medical coverage, skip to Step 4.

**Step 4 – Flexible Spending Accounts**: The Health Care FSA is available if you are enrolled in the PPO or if you waive UC medical coverage.

**Step 5 – Spousal Surcharge Information**: You can SKIP this step ONLY if you have waived UC medical coverage. If you enroll your spouse/domestic partner in UC medical coverage and do not make a surcharge election, you WILL NOT be able to complete your benefits enrollment.

**Step 6 – Review and Submit**.
