Dear Heather Ashworth,

Congratulations!

UC International has accepted your application for your experience abroad. You have taken an important step in adding an international dimension to your education. The staff at UC International is available to assist you as you plan and prepare, while you are abroad, and when you return.

Please log into your application and change your status to "committed" within the next five days. Upon changing your status, you will see a number of additional requirements that you must complete prior to departure. We look forward to working with you.

Program: **Ecuador: Nature Study in the Galapagos Islands (Faculty-Led)**, Spring Break, 2015,
Status: Accepted

*Please note that all decision letters are system wide and cannot be changed or customized other than where indicated.*
Dear Heather Ashworth,

Thank you for your interest in an experience abroad. Unfortunately, we are unable to accommodate your request to participate in this program. At this time, we have placed you on a waitlist. UC International will contact you if a space becomes available for this program. As there are a variety of other opportunities available at the University of Cincinnati, we encourage you contact UC International to discuss alternative options.

Program: Ecuador: Nature Study in the Galapagos Islands (Faculty-Led), Spring Break, 2015,
Status: Waitlist

Sincerely,

UC International Programs (Study Abroad)

*Please note that all decision letters are system wide and cannot be changed or customized other than where indicated.
