Saving with Cengage Unlimited

One or more Cengage titles? | Comfortable with digital course materials? | Cengage Unlimited may be for you!

What is it?
A new way to save on course materials!
Cengage Unlimited is a digital subscription service, available through UC Bookstores, that gives students access to over 22,000 ebooks and other course materials for $119.99 per semester.

How do I know if my required materials are available through Cengage?
When you click the book icon in your schedule in Catalyst, you will see this in the materials list.

Why would I choose Cengage Unlimited?
• Take a look at all of the required materials for ALL of your courses for the current semester. Add up the cost of all Cengage titles. If this total is more than $119.99, Cengage Unlimited could be a good resource for you.
• Decide how long you may use this material. Availability beyond the semester subscription may vary; if you will need the materials for several semesters or years, consider all options.
• Also weigh how comfortable you are using digital materials, and whether digital is a good fit for your learning style and study habits.

How do I get it?
You may purchase a Cengage Unlimited subscription online through the UC Bookstores at on.uc.edu/digital-subscriptions. There are three subscription offers. Choose one term or multi-terms, depending on your needs. You may also purchase Cengage Unlimited in the UC Bookstore by selecting a Cengage Unlimited card from the shelf display, and telling the cashier which subscription length you have chosen at checkout.

Are there limitations on Cengage materials?
Can I keep them throughout my college career?
As with any subscription, access ends at the end of the semester. You may store up to six titles in your digital locker for up to a year after your subscription ends. It’s best to review Cengage policies to determine whether the subscription model is right for your courses or major.

Do I have to “buy” Cengage for each title where it’s listed as an option?
No. For each semester you would like to subscribe, you only need to purchase Cengage Unlimited once. You will have access to all of your Cengage materials with a single purchase.

What is includED?
includeED materials are typically included as a special course fee on your student bill. It’s identified on your materials list with the logo, as shown to the right.

What does includED have to do with Cengage Unlimited?
One or more of your Cengage Unlimited titles may be part of an includED course. You may still choose Cengage Unlimited. In fact, if you buy Cengage for an includED course, you may be paying twice.

If you do buy Cengage Unlimited for an includED course, be sure to opt-out of your includED fees to receive a refund of the fees on your student bill. Submit your opt-out form as early as possible, but no later than the 16th day of the term, at www.uc.edu/bursar/fees/CFOptOut.html.
