**Shuttle Service**
The Kingsgate Marriott conveniently supplies shuttle service, free of cost, between the hotel and the University of Cincinnati’s main campus. The shuttle, which runs on the hour and half hour beginning at 7:00am, requires reservations. To reserve the shuttle, simply call the front desk at **(513)287-3800**.

*Note: Routes vary slightly by driver, so be sure to specifically request your drop off point to be McMicken Circle, near University Plaza.*

Upon arrival, walk past the fountain and down the stairs. Tangeman University Center’s clock tower will be directly ahead.

**Taxi Service**
If you wish to take a taxi to dinner or the airport, the University of Cincinnati recommends either of the following:

**On-Campus Internet Access**
Guests to UC will be able to access the internet anywhere on campus where wireless internet service is currently available. When searching for wifi, guests should select the “ucguest” option. No log on information is needed, but guests must review and accept UCIT’s terms of use before a connection will be allowed. The speed of the connection will depend largely on the volume of usage.
