**CONCURRENT SESSION DESCRIPtIONS**

**DAY 1**

**CITY OF CINCINNATI**

400BC TANGEMAN UNIVERSITY CENTER

Are you from out of town, unfamiliar with Cincinnati, or just want to know more about your city? This session will give a brief overview of what makes up the culture of Cincinnati. Different neighborhoods, activities, locations, and restaurants will be presented to you, many of which you can check out after orientation!

**STUDY ABROAD**

GREAT HALL TANGEMAN UNIVERSITY CENTER

Welcome to International Programs, better known as Study Abroad. Our office helps students receive a well-rounded education by helping them search for programs, apply to foreign universities, obtain visas, and so much more.

**DISABILITY SERVICES**

210 UNIVERSITY PAVILION

The Disability Services Office is dedicated to empowering students with disabilities through the delivery of reasonable accommodations and support services by bridging post-secondary education with future real-world experiences. Students with disabilities who need academic accommodations or other specialized services will receive reasonable accommodations to meet their individual needs as well as advocacy assistance on disability-related issues.

**PRE-PROFESSIONAL ADVISING**

427 TANGEMAN UNIVERSITY CENTER

Pre-professional describes any student who has an interest in attending professional school after their undergraduate career. Our advisors collaborate with students starting in their freshman year, helping them explore their options, prepare an outstanding portfolio, and then apply to professional schools. Whether you are in a major such as pre-pharmacy, or pursuing a career track in law or the health professions, our advisors provide a critical partnership for you to manage this process.

**DAY 2**

**EXPLORATORY STUDIES**

425 TANGEMAN UNIVERSITY CENTER

This session provides information about the Pathways Advising Center and the Center for Exploratory Studies (CES) at UC for those not already in Exploratory. Pathways & CES were established at the University of Cincinnati to assist all UC undergraduate students seeking to change their major with major selection process in an effort to promote student retention. While administratively housed in the College of Arts and Sciences, CES serves as a university-wide advising center.

**EXPERIENCE-BASED LEARNING AND CAREER EDUCATION**

427 TANGEMAN UNIVERSITY CENTER

The Division of Experience-Based Learning and Career Education serves as a fully integrated career preparation hub within UC. Join our session to learn about our programs and services that include: cooperative education, internships, experiential learning outside of the classroom, career coaching, professional development opportunities and courses, research, and international career experiences.

**MONEY MATTERS**

400BC TANGEMAN UNIVERSITY CENTER

Still have questions about Financial Aid or paying the bill? Representatives from Financial Aid will be going into greater detail about the process as well as answering your questions.

---

**PARENTS & FAMILIES ASSOCIATION**

**UC Parents & Families Association**

The UC Parents & Families Association creates a pathway of involvement for parents and families of UC students beginning with the induction of new students into the university community at New Student Convocation through the ceremonial event that showcases our graduating students as they walk across the stage at Commencement.

Our staff is committed to making a difference in students’ lives by providing services that support them through the creation of opportunities for family involvement. Families play an important role to the success of their student at UC. One way to enhance the college experience for your student is to become a member of the Parents & Families Association.

**Welcome to the Bearcat Family!**

Membership Options include:

- One year ($50) or Career ($120)
- Membership with the UC Parents & Families Association is voluntary, but strongly encouraged. The more informed and active you are in campus activities, the more you can help your students succeed. With all of the discounts on events and programs, your membership will actually pay for itself. To name a few, you will receive:
  - Q&A Helpline, M-F, 9 a.m.–5 p.m.
  - Welcome Kit which includes a license plate cover, car window clings, and membership card
  - Exclusive gift for your incoming student
  - Monthly Newsletter
  - Annual Essay Contest (10 winners receive gift cards to Dubois Bookstore)
  - 10% Discount at UC & Dubois Bookstores *exclusions apply
  - Discounted tickets to select UC Athletic Events
  - Discounted membership rates to all Parents & Families Association events
  - And more

We look forward to seeing you on Day Two of Orientation.
The College Of Allied Health Sciences (CAHS)
cahs.uc.edu
The College of Allied Health Sciences (CAHS) consists of the university’s “helping” professions which serve in a variety of settings, including education and health care. CAHS is involved in enhancing and improving the quality of life for individuals throughout the lifespan by discovering, teaching and applying knowledge of evidence-based practices. Graduates of CAHS are exceptionally prepared from the first day they enter the job market, armed with the latest developments in their field and real life experiences with patients or clients.

College-Conservatory of Music (CCM)
ccm.uc.edu
The University of Cincinnati College-Conservatory of Music (CCM) is recognized both nationally and internationally as one of the leading conservatories of the performing arts and electronic media. CCM’s faculty and staff and its state-of-the-art facilities make possible the professional training and exceptional education on which CCM believes the future of the arts relies. More than 150 internationally recognized faculty members work with students from around the world, specializing in music, electronic media, and performing arts.

College of Design, Architecture, Art & Planning (DAAP)
daap.uc.edu
The University of Cincinnati’s College of Design, Architecture, Art, and Planning (DAAP) welcomes our new students and parents! With only 2,000 undergraduate students in ten majors, DAAP utilizes small class sizes, tight-knit relationships with faculty, technology, and hands-on projects to help students learn an incredible array of tools and techniques for their work. This classroom experience, coupled with an emphasis on professional practice, has cemented DAAP’s reputation as one of the best design schools on the planet.

College of Education, Criminal Justice & Human Services (CECH)
cech.uc.edu
The College of Education, Criminal Justice, and Human Services (CECH) is dedicated to making a difference in our communities through outreach, academic programs, and community partnerships. Our students and faculty work side-by-side with teachers, information technology leaders, sports administrators, community wellness experts, and law enforcement officials because we value experiential learning as an important element of our degree programs. Current research is incorporated into every course to ensure our graduates are prepared to address the most urgent challenges of our society.

College of Engineering & Applied Science (CEAS)
ceas.uc.edu
Our slogan is We Engineer Better™ emphasizing a bold confidence, technological expertise and an inventor’s spirit. UC’s College of Engineering & Applied Science is heralded as the founding institution of cooperative education (co-op). CEAS will encourage you to make the most of our long-standing partnerships with business and industry, and tap into UC’s expertise in medicine, design, and music.

Carl H. Lindner College of Business (LINDNER)
business.uc.edu
At the nationally ranked Carl H. Lindner College of Business, we focus on helping students turn their passions into careers. At Lindner, in-class learning is combined with real-world, hands-on experiences because doing is the best way to learn what you are (and aren’t) passionate about. After completing their freshman year, Lindner students are prepared to co-op or intern at prominent companies throughout the nation ranging from IBM and NASA to Kellogg’s and Kroger to Google and Disney.

College of Arts & Sciences (A&S)
artsci.uc.edu
The College of Arts and Sciences is committed to excellence, innovation, leadership, and service. Students engage in learning activities both inside and outside the classroom, choosing among research, internships, study abroad, and service learning opportunities that align with career goals. Furthermore, the curriculum affords possibilities to combine majors, minors, and certificates to create infinite pathways to graduation that may be unique for every student.

College of Medicine (COM)
med.uc.edu
The new undergraduate major in Medical Sciences is an innovative pathway within the College of Medicine that will provide students with integrated academic, experiential, and mentored opportunities to prepare them for advanced training in professional schools—medicine, pharmacy, dentistry—as well as master’s and doctoral programs in the life sciences. Through basic science, translational, or clinical research, clinical shadowing, and service opportunities, students participating in the Medical Sciences degree will have a competitive edge in advanced degree application.

College of Nursing (CON)
nursing.uc.edu
University of Cincinnati College of Nursing is home to one of the first baccalaureate degrees for nursing in the country. The College of Nursing currently educates over 2,700 students in bachelor’s, master’s and doctoral programs. Undergraduate students in the Bachelor of Science in Nursing program complete one year of pre-requisite courses, followed by three years of nursing courses and clinicals. In addition to hands-on learning in our skills labs, simulation labs and clinical sites, students have the opportunity to complete an international clinical or participate in our co-op program during their senior year.
We hope that you are just as excited to be at the University of Cincinnati as we are to have you! As you embark on this new experience as a Bearcat, we hope that your first few days on campus set the stage for your college career.

Even before you apply, you may see how your credits transfer to UC!

Visit: transferology.com/school/uc
Credit earned at most Ohio and other area community colleges is available to search.

When you apply to UC, your overall transfer credit evaluation will be conducted. After you are admitted, the UC college that offers your degree determines if transfer credits apply toward degree requirements. Here are some general points to understand about transfer credit:

- UC only accepts credits from accredited institutions. Institutions you have attended must be accredited by one of six regional accrediting agencies:
  - Higher Learning Commission
  - Middle States Association of Colleges and Schools
  - New England Association of Colleges and Schools
  - Northwest Association of Colleges and Schools
  - Southwestern Association of Colleges and School/Commission on Colleges
  - Western Association of Colleges and Schools

- Check your school’s accreditation: chea.org
- You must have earned a D or better for credits to transfer, unless the course was a part of a transfer module or a degree you have completed.
- Your GPA from other institutions is used to make an admission decision, but does not transfer to UC. Your UC GPA is based only on coursework completed at UC.

If you have already earned many credits at another institution, you still have to meet UC’s residency requirements.

Credit by Exam or for Life Experience
UC grants credit for qualifying life experiences or exams, including:

- Advanced Placement (AP) UC’s AP Key is updated each year. AP credit is applied based on the year in which the AP test was taken. Scores must be sent to UC directly from College Board.
- College Credit Plus College credit is awarded for dual enrollment courses, including College Credit Plus and Post Secondary Enrollment Options Program, based on official transcripts sent to UC by credit-granting college.
- International Baccalaureate (IB) Students receive credit on a course-by-course basis for test scores of 5 or higher. Test scores must be sent directly from the International Baccalaureate Organization.
- College-Level Examination Program (CLEP) The applicability of CLEP exam results is determined by the UC College that offers the program. UC has CLEP testing centers at Clermont College (513-732-5219) and the Uptown Campus (513-556-7173).
- Prior Learning Assessment After admission, students may be eligible to earn credit for life experience through the Prior Learning Assessment Process. Call the UC Testing Center at (513) 556-7173 for more information.

Safety is a Priority

The Department of Public Safety at the University of Cincinnati is committed to providing a safe campus environment for students, faculty, staff, and visitors. The men and women of UC’s Department of Public Safety work hand-in-hand with members of the City of Cincinnati police and fire departments and other community partners to prevent crime and provide safety services and resources, including:

• Blue Help Phones—strategically located around campus to contact UC Police for emergency and non-emergency needs.
• Bearcat Guardian App—provides emergency notifications and connects users with UC Police via text or phone. Download for free through the App Store or Google Play.
• NightRide—a free evening shuttle service that transports students to and from locations within a one-mile radius of UC’s Uptown campus.
• Safety Ambassadors—offer a helping hand to the public and provide additional support for UC Police by assisting with general safety and quality of life issues.
• Campus Watch—serve as additional eyes and ears for UC Police. Patrol areas on-campus, including buildings and garages and report suspicious activity.

For more safety information visit uc.edu/publicsafety and follow us on Twitter @UCPublicSafety.

Title IX

Title IX of the Education Amendments of 1972 is a federal civil rights law that prohibits discrimination on the basis of sex in the university’s programs and activities.

Title IX Prohibits:
- Discrimination on the basis of sex, gender, sexual orientation, gender identity, and gender expression including:
  - Discrimination against pregnant & parenting students, faculty, staff and visitors | Sex/Gender-Based Harassment | Sex/Gender-Based Violence | Stalking | Dating & Domestic Violence
  - Retaliation against anyone participating in the process

Who is Covered Under Title IX?
Title IX covers students, employees and third parties.

Who is the Title IX Coordinator?
Karla Phillips, Interim Title IX Coordinator
3115 Edwards 1, 3rd floor
45 Corry Blvd.
Cincinnati, OH 45221-0158
titleix@uc.edu
(513) 556-3349

Who Has a Duty to Report?
All university employees (including student workers), except those specifically designated as confidential resources, must report to the Title IX Coordinator any incidents of possible sexual harassment, sex discrimination, or retaliation on campus.

How to Make a Report
- Call (513) 556-3349
- Send an email (titleix@uc.edu)
- Online (uc.edu/titleix)
- Walk over to the Title IX Office
- Title IX Coordinator can come to you

Interim Measures
Interim measures are available upon receipt of a Title IX report. Available support and interim measures include, but are not limited to: academic support, work schedules, class schedules, housing arrangements, escort services, and assistance in receiving health and counseling services.
Bearcat Card
Deposit money onto your Bearcat Card account (the debit card feature of the UC ID) and use it for purchases on and off campus. It’s activated when you deposit money to your account by cash, checks, or credit card.

The Bearcat Card (BCC) is more than your UC ID. It’s all you need as a student. Use it at more than 60 on-campus locations for books, food, convenience stores, laundry and entertainment, and more than 80 participating off-campus locations. Save 10% every day when you use your card for on-campus vending and laundry machines, and at the dining centers.

Present your Bearcat Card when you pay at a participating location and the amount of your purchase will automatically be deducted from your BCC debit account. There are no fees and no minimum balance. Your account balance will carry over semester to semester, or you can request a refund of your balance at the end of spring semester. We suggest adding at least $1,000 to your Bearcat Card each semester to cover books and expenses.

Eating on Campus
With three great award-winning dining centers, you’ll never go hungry. The dining centers are all-you-care-to-eat with a variety of food to please even the pickiest of palates and are also vegetarian/vegan-friendly. First-year residential students can choose between the Unlimited Plan and the 186 Block Plan. The Unlimited Meal Plan is preferred by 95% of first-year students. Commuters and upper-class residents can choose between the residential meal plans or campus dining passes.

| Dining Pass 36| 36 meals/semester + $45 BCC dollars* $389/semester, $778/academic year

*Bearcat Card (BCC) dollars are added to the Bearcat Card as part of the meal plan. The BCC dollars may be spent at any on-campus food location (including the Dining Centers) as well as off-campus locations participating in the BCC program. BCC dollars carry over from one semester to the next, and refund of any unspent BCC dollars is available upon request at the end of spring semester or upon leaving UC.

Order semester parking permits online and save on the daily parking rate.
The parking management system allows you to view and manage your parking account, purchase and review parking permits, add and delete vehicle types and license plate numbers, as well as review, pay or appeal citations. Parking Services, in partnership with Public Safety, offers a Motorist Assistance program that includes unlocks and jump starts.

Electric Vehicle charging stations are available on both Uptown Campuses.

Housing
Studies have shown that students residing on campus perform better academically and are more likely to graduate. View residence hall communities and apply online. You’ll see that all residence hall rooms are furnished and typically include air conditioning, a microfridge, cable TV service, and high-speed wireless Internet. The chances of receiving your selected housing preferences are improved by submitting your application and fee as soon as possible.

With tools like Calendar, Wish List, Parent Alerts and more, you can stress less about your finances. And if you have a question about your cash, we're right on campus. Plus, avoid the monthly service charges for six years with proof of student status.*

> Choose to link your UCID/Bearcat Card to your PNC account and use it as an ATM card

Visit pnc.com/uc or stop by your on-campus branch: Tangeman University Center.

* Proof of active enrollment in an educational institution is required to receive a monthly service charge waiver. This waiver will expire 6 years after it is assigned to your account.
