1) Catalyst

Catalyst is our central hub, through which you'll register for classes, check your class schedule and grades, waive your health insurance, manage your financial aid, and much more.

2) One Stop Student Services

The One Stop Student Services is a real place as well as a virtual one, designed to help you meet your education goals through centralized support, financial assistance, and commitment to service.

3) Blackboard and Canopy

Canopy is the university's overarching e-learning ecosystem. *Blackboard* is one component of Canopy, but this is where you'll spend a lot of time engaging with your courses.

4) Starfish

You can schedule appointments with your academic advisor using Starfish, our online scheduling system. You can also get feedback on how you are doing in your classes.
