43,000
visits over
58,000
hours.

Our tutors, coaches, and SI Leaders achieved a

3.81
average student staff GPA.

Our services are for everyone, no matter the academic level or experience.

Student Opinions

Academic Coaching

"I feel that these academic coaching sessions are very helpful, and my coach is so helpful and very nice!"

AWC

"My tutor understood the topics I was having trouble with. She quickly got me on track with an optimal structure to improve my essay."

MASS Center

"Very helpful learning environment. Great people, mellow atmosphere, no stress = the way to an awesome learning environment."

Peer Tutoring

"[Tutoring] definitely helped with actually understanding the material instead of memorizing it!"

Supplemental Instruction

"The amount of material we were able to cover each time definitely reinforced the lessons from lecture. The group learning atmosphere helped me learn more than I would have been able to do on my own. My SI leader's enthusiasm for the material and approachable persona made asking questions easy, and clarification was always given."

Questions?

Let's answer them together.

You aren't alone in your educational quest for a better future. We can all use a little help now and then, and that's why UC has services by the Learning Assistance Center.

French Hall 2441

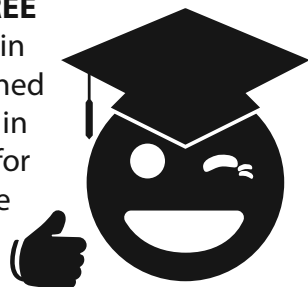

513.556.3244

lac@uc.edu

Monday - Thursday: 9am - 8pm

Friday: 9am - 5pm

The Learning Assistance Center offers a wide variety of **FREE** programs to aid students in their studies. We've designed our services to be diverse in order to offer something for everyone. Check out some information about our services here, then drop by for a visit!

PEER TUTORING

The Learning Assistance Center offers free tutoring for all UC students at our office in French Hall 2441.

- One-on-one sessions take place with a trained, subject-specific tutor.
- More than 300 courses are supported.

- Out of over 1,500 surveys, the average satisfaction ranking was 4.5 out of 5.

SUPPLEMENTAL INSTRUCTION

Supplemental Instruction (SI) is a series of free, weekly review sessions for students in historically difficult courses.

- SI leaders attend the class lectures and use proven methods to integrate the what and how of learning.

- Students who regularly attend improve grades by an average of 1/2 to 1 full letter grade.

MASS

Math & Science Support Center

The MASS Center is located in French Hall 2133 and offers free support for many introductory math and science courses.

- Work with peers and tutors in specific courses at study tables--no appointment required.

- 96% of respondents said they would recommend using the MASS Center.

ACADEMIC COACHING

Academic Coaching pairs students with successful peers who can give advice on efficiency, time management, and professionalism.

- Students across all majors and programs are welcome.

- Students who saw a coach 7+ times over a semester achieved an average GPA increase of .89 grade points.

AWC

ACADEMIC WRITING CENTER

Located on the 4th floor of Langsam Library, the Academic Writing Center provides UC students with writing assistance at all stages of the process.

- The AWC offers drop-in, appointments, and online tutoring.
- We help with brainstorming, citation, organization, argumentation, and more!

- 67% of students stated they were "very confident" about their writing after visiting the AWC.
