Catalyst 2018 System Upgrade Checklist

What Faculty/Staff Need to Know:

✓ The new version of Catalyst launches Monday, October 15.

✓ Catalyst will be unavailable during the Fall Reading Days.
  System outage begins 5pm Wednesday, October 10 – until 8am Monday, October 15.

✓ Most third-party systems (like class schedule builder, bill payment, transcript requests, etc.) accessed via Catalyst will also be unavailable during the outage period.
  Exceptions: Canopy/Bb (https://canopy.uc.edu) and CaRT (https://cart.uc.edu) systems will be available during the outage.

✓ The BIGGEST change is the Catalyst portal navigation!
  Navigation breadcrumbs are going away! You will navigate the new Catalyst portal using tiles and homepages.

✓ Catalyst pages you have marked as FAVORITES will be converted to the upgraded system.

✓ Business processes and functions are not changing. The steps you follow to complete your Catalyst business today remain the same in the new system.

Visit our Catalyst website for more information on how the Catalyst upgrade impacts you!
