

# FINDING TEXTBOOK INFORMATION

*This quick reference will show you how to locate course textbook information for your registered classes.*

- 1) From the Catalyst Student Homepage, select the *My Academics* Tile and then open the **Classes and Schedule** folder listed on the Navigation Collection (left side of the page).
- 2) Select **View My Schedule**. On the right side of the page, select a term to view your Class Schedule. You will be directed to your My Class Schedule page where you will see your registered classes for the identified term.
- 3) Select the book icon next to each class to view your textbook requirements online.

The screenshot shows the Catalyst Student Homepage interface. On the left is a navigation menu with the following items: My Academics, **Classes and Schedule** (expanded), Search for Classes, View My Schedule (highlighted in green), Add/Drop Classes, Enrollment Shopping Cart, View Assigned Enrollment Time, Class Schedule Builder, Calendars and Deadlines, Grades/Transcript/Enroll Cert, Graduation/Commencement, and Academic Progress. The main content area displays a list of enrolled classes. Each class entry includes a summary row (Status, Waitlist Position, Units, Grading, Grade, Deadlines) and a detailed table with columns: Class Nbr, Section, Component, Days & Times, Room, Instructor, Start/End Date, and Text. A vertical black box highlights the 'Text' column for the first three classes, which contains a book icon.
