We hope to have everybody out to those sessions. As we said from the beginning, we want to get as much feedback as we can. Picking the next President is the most consequential decision that this board can do and we understand how big of a role it is and we want to hear from as many constituents as possible. We will make sure that’s factored into selecting and interviewing the permanent president.

Mrs. Warner:

Excuse me, Chairman Richardson. You went through that very quickly. Is this going to be captured somewhere else or printed somewhere?

Mr. Richardson:

Yes. All of this will be on a website for the public to see. We have a presidential website so all the listening sessions will be listed. We will also send out an email to all the UC community and alumni. We are also sending out emails to students for the student sessions. We are going to make sure that we over communicate this because it’s important that everyone knows when these sessions are and we would like to hear from as many voices as possible. Thank you for that.

Mr. Loving:

The email we got this morning indicated that the Clermont one would be 10:30 am – 12:00 noon; just clarifying the time.
Mr. Richardson:

    Well, I have 12:30 pm – 2:00 pm but we will get that clarified.

Mr. Loving:

    We received an email that it was 10:30 am – 12:00 noon, but the AAUP Chapter meeting is 12:30 pm – 2:00 pm on that date.

Mr. Richardson:

    Hopefully it is 10:30 am. We will make sure we clarify that. Thank you.

    I will now call for an Executive Session. The members of the Board will return to conduct further business after Executive Session is concluded. Our next Regular Board Meeting will be held here at the Myers Alumni Center, on Tuesday, October 18, 2016.

Consideration of Action Items

Mr. Cassady:

Mr. Chairman, as the Chairman of the Finance and Administration Committee, I’d like to move that it be recommended that the Board of Trustees approve $1 million dollars to fund a programming document concept location study and probable cost of construction for a new College of Law building on the Uptown Campus. The project consists of a new building for the College of Law situated on Uptown Campus. The existing building was constructed in the 1920’s with additions and wraps in the 1960’s and 1980’s respectively, is a difficult candidate for renovation or adaptive re-use given the differing floor heights, construction types, and layouts. A facility audit determined all major systems are at the end of their useful life, and a facility fit analysis determined the numbers, types and arrangements of spaces are not suitable for today’s learning environment in law. The building is not easily updated or renovated.

Over the past several years, many studies have been conducted regarding the location of the College of Law. After a deep investigation of the downtown area of the banks, the Board has determined that the College of Law should remain on campus.

It is recommended that the Board of Trustees approve $1.0 Million to fund Architect and Engineering Services for a programming document, concept, location study and probable cost of construction.

Mr. Richardson:

Do I hear a second to the motion?

A second was called by Mrs. Valentine.
Mr. Richardson:

All those in favor say “aye.” Sorry. We need a roll call vote.

*The following roll call vote was taken:*

**AYE:** Robert E. Richardson Jr.; Thomas Cassady; Tom Mischell; Margaret K. Valentine; and Phil Collins.

**NAY:** Ronald D. Brown; William C. Portman, Geraldine Warner; Kim Heiman

**ABSENT:** None

Mr. Richardson:

Motion carries.

Before I adjourn the meeting, this has been a very passionate discussion. It’s gotten passion on both sides of the issue; myself included. All who have great love for this city and this university should be respected for their positions that they’ve taken. Our hope is that we can move forward together now that we made a decision and we hope to work with you to grow this university and again, everybody has great passion for our city and our university. We want to thank everybody for what they have done and for what they will do.
Adjournment of the Meeting

Mr. Richardson:

May I have a motion to adjourn?

A motion was called by Mr. Cassady, seconded by Mr. Collins.

Thank you. Meeting is adjourned.
