

3361:10-5-04

Organization: senior vice president for administration and finance.

- (A) The senior vice president for administration and finance, under the general supervision of the president, is directly responsible for the overall direction and management of the administrative and financial affairs of the university, including the following areas: campus master planning, including design, construction and space management; endowment management; university programs supporting community development in the greater Cincinnati region; human resources of the university; providing strategic leadership for policies, programs, activities, and services related to employees as well as overseeing and coordinating the related budgets; and providing oversight and guidance to the vice president for finance, who is responsible for all financial functions of the university.
- (B) The senior vice president shall work closely with other cabinet members on strategic planning, regional research/economic development planning, auxiliary management, and governmental relations.
- (C) The president may assign other duties to the senior vice president as the president may determine over time.
