

**3361:30-21-06**

**Employment: post-offer physical examinations.**

- (A) The following rule applies to all employees except those employees covered by a collective bargaining agreement addressing this topic.
  
- (B) Employment in certain job classifications at the university of Cincinnati will be contingent upon the applicant successfully completing a post-offer physical examination. The employing department will establish appointments for the post-offer physical examinations for offerees. Offerees may consult a private physician at the offeree's own expense but the primary responsibility for determining the fitness of the offeree rests with university health services. Any post-offer physical examination, whether through university health services or a private physician, will occur prior to employment
