

3361:70-5-07

Parking: variances.

(A) Visitor parking.

- (1) Visitors must use designated visitor parking facilities. Visitor parking is prohibited on campus drives except as posted or when approved pursuant to the procedures established by parking services.
- (2) Visitors are subject to all parking rules, regulations, and accompanying policies and violators will be cited or towed.

(B) Loading and unloading.

- (1) Parking passes for loading and unloading for up to thirty minutes will be granted pursuant to the procedures established by parking services.
- (2) When loading dock access is needed, a specific request for use must be made pursuant to the procedures established by parking services.
- (3) Established garage rates will be charged for loading and unloading in garages on the east and west campuses.
- (4) Parking will not be reserved for deliveries, unless approved by parking services pursuant to its established procedures. Delivery drivers are responsible for any parking violations they incur.

(C) Contractors.

Contractors working out of their vehicle must park within a construction area if one has been designated or in an available facility at the daily or monthly rate. Parking charges are to be paid by the contractor.

(D) Parking variances.

All requests for parking variances must be submitted pursuant to the procedures established by parking services.
